Mason, 2002-11-28 Much analysis of gangster movies has been based upon a study of the gangster as a malign figuration of the American Dream originally set in the era of the Depression This text extends previous analysis of the genre by examining the evolution of gangster movies from the 1930s to the contemporary period and by placing them in the context of cultural and cinematic issues such as masculinity consumerism and technology With a close examination of many films from *Scarface* and *Public Enemy* to *Reservoir Dogs* and *Pulp Fiction* this book provides a fascinating insight into a topical and popular subject *Conspiracy Encyclopedia* Thom Burnett, 2006 Conspiracies are everywhere they are the lifeblood of politics business and our daily lives this truly international and all embracing encyclopedia explains the details of the world s major popular conspiracies listing them chronologically under subject matter and cross referencing them continually because so many conspiracy theories interact on some level Conspiracies are often international in their sweep and their impact the brutal stabbing of Julius Caesar the conspiracy which has defined political assassinations ever since plunged the Roman Empire into civil war which then engulfed much of the known western world More recently the Cambridge spies Philby Blunt MacLean and Burgess helped Russia throughout WWII and then re defined the Cold War afterwards Philby s defection casting a 30 year shadow over CIA Anglo American relations though conspiracies define our everyday lives there is no body of serious academic research to understand their role nature or defining characteristics Most historians prefer to adhere to the cock up theory of history in which everything happens by accident or incompetence Although this view is favoured by academics and historians it is rejected by a large part of the general public who prefer the evidence of their own lives However they consume their media what they see is a mesh of conspiracies that define the texture of their everyday lives often for the worst Most people believe that there is a grain of truth in most theories about conspiracies this book is for them *Encyclopedia of American Jewish History* Stephen H.
