**New York in the 50's** Dan Wakefield, 1999-02-15 New York in the 50s is Dan Wakefield's story of a unique time and place in cultural history when New York City was a hotbed of free love hot jazz radical politics psychoanalysis and artistic expression Wakefield found himself in the middle of a world in which anything was possible and he writes about the era with the keen eye of a historian and the first hand knowledge and affection of one who lived through a fabled fertile era Wakefield enriches his recollections with the first hand accounts of his friends and colleagues Joan Didion Gay Talese Allen Ginsberg William F Buckley James Baldwin and others who made New York in the fifties the legend that still exerts such a powerful influence on American life A documentary film based on the book will be shown at film festivals in the United States and abroad during 1999 A CD of the musical score composed and produced by Steve Allee has been released by AlleyOop Music Publishing

**New York Magazine**, 1992-06-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The 1950s William H. Young, 2004-04-30 Have the 1950s been overly romanticized Beneath the calm conformist exterior new ideas and attitudes were percolating This was the decade of McCarthyism Levittowns and men in gray flannel suits but the 1950s also saw bold architectural styles the rise of paperback novels and the Beat writers Cinema Scope and film noir television variety shows the Golden Age of the automobile subliminal advertising fast food Frisbees and silly putty Meanwhile teens attained a more prominent role in American culture with hot rods rock n roll preppies and greasers and gasp juvenile delinquency At the same time a new technological threat the atom bomb lurked beneath the surface of the postwar decade This volume presents a nuanced look at a surprisingly complex time in American popular culture

*New York Magazine*, 1992-06-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Daily Life in 1950s America Nancy Hendricks, 2019-02-22 Placing the era firmly within the American experience this reference illuminates what daily life was really like in the 1950s including for people from the Other America those outside the prosperous white middle class Daily Life in 1950s America shows that the era was anything but uneventful Apart from revolutionary changes during the decade itself it was in the 1950s that the seeds took root for the social turmoil of the 1960s and the technological world of today The book's interdisciplinary format looks at the domestic economic intellectual material political recreational and religious life of average Americans Readers can look at sections

separately according to their interests or classroom assignment or can read them as an ongoing narrative By entering the homes of average Americans far from the corridors of power we can make sense of the 1950s and see how the headlines of the era translated into their daily lives This readable and informative book is ideal for anyone interested in this formative decade in American life Well researched factual material is presented in an engaging way along with lively sidebars to humanize each section It is unique in blending the history popular culture and sociology of American daily life including those of Americans who were not white middle class and prosperous

**Eye of the Sixties** Judith E. Stein,2024-05-01 An evocative portrait of one of the most influential and enigmatic American art dealers of the 1960s Barbara Rose The New York Times In 1959 Richard Bellamy was a witty poetry loving beatnik on the fringe of the New York art world By 1965 he was representing Mark di Suvero had been the first to show Andy Warhol s pop art and had introduced the new genre of installation art An eccentric art dealer and founder of the Green Gallery on Fifty Seventh Street Bellamy helped discover many of the innovative successors to the abstract expressionists including Claes Oldenburg James Rosenquist Donald Judd Dan Flavin Walter de Maria and many others But uninterested in anything more than showing the artists he loved Bellamy slowly slid into obscurity while fellow dealers such as Leo Castelli and Sidney Janis capitalized on the stars he helped find Based on decades of research and on hundreds of interviews with Bellamy s artists friends colleagues and lovers Judith E Stein s Eye of the Sixties rescues the legacy of the elusive art dealer and tells the story of a counterculture that became the mainstream Ranging from the Beat orbits of Provincetown to white glove events like Guggenheim s opening gala from Norman Mailer s parties to historic downtown Happenings Richard Bellamy s story is a remarkable window on the art of the twentieth century and the making of a generation s aesthetic Judith E Stein s engrossing impressively researched consistently readable and often entertaining tale restores a crucial figure to his rightful place in the annals of postwar American art Lilly Wei Art in America By using Belamy s unlikely ascent as a prism Ms Stein brings to vibrant life a corner of the culture that was as outrageous as it was visually revolutionary Ann Landi The Wall Street Journal A man of shrewd and impeccable taste Bellamy s role in promoting the often misunderstood art of abstract expressionism pop and minimalism was profound This is an endearing and illuminating work of biography A shadowy figure of the 1960s art world is gloriously revealed Kirkus Reviews

Matthews,2007 1950s Cold War era monsters meet 21st century terrorists this exploration of sci fi movies examines the similarities and differences between the political environment and popular culture of two eras This examination and appreciation of 1950s science fiction films includes behind the scenes tales about their

production and many quotes from those who produced and starred in the films The author draws parallels between the Cold War fears of the 1950s and 60s and the constant terrorism alerts of the September 11th era exploring how the politics and the psychological climate of the times influences and is reflected in this vehicle of popular culture This book is the first of its kind studying the pop culture genre in the wake of the September 11th tragedy It shows that whatever the era and whatever the challenges and crises confronting America many entertainment themes remain the same reflecting their respective times and the relevant issues For instance Godzilla the only Fifties era monster to remain a movie star beyond that era could be fashioned to reflect whatever issues dominate the times be they nuclear war in the Fifties when Godzilla originated to a Seventies Godzilla film about environmental pollution Conceivably a Godzilla for the age of terrorism is possible Then the 1954 atomic mutation classic is the spiritual ancestor of the 2002 film Eight Legged Freaks The alien invaders of the Fifties signified a Russian invasion of America while other films of the genre such as Invaders from Mars depicted aliens utilizing mind control to manipulate humans to commit acts of sabotage signifying Communist enslavement If such a film were made now such invaders could be seen as terrorist masterminds using human slaves to commit terrorist acts Finally several Fifties films depicted the end of the world at a time when Americans expected a nuclear war with Russia The immediate pre September 11th era witnessed films presenting galactic threats to mankind s existence Independence Day Deep Impact Armageddon while the early 2000s witnessed the popularity of the Left Behind Christian films dramatizing the Tribulation period in the Book of Revelation
