The Newly-made Mason Harry LeRoy Haywood,1960 **The Secret Teachings of the Masonic Lodge** John Ankerberg,John Weldon,1990-04-08 Is Masonry nothing more than a harmless brotherhood a club for men Or is there more behind the camaraderie This in depth book probes the secret teachings and oaths revealing how Masonry conflicts with the very foundations of Christianity Christianity and the Secret Teachings of the Masonic Lodge John Ankerberg,John Weldon,2011-09-30 Is there anything wrong with a Christian being a member of the Lodge Are you a Christian pastor who has studied Masonry found nothing wrong with it and so you have not warned your members and possibly even joined the Lodge yourself Does your church allow Masons to serve on your boards to teach the Bible in Sunday School and serve in other positions of influence and leadership In this book we will document from the Masonic Ritual the authoritative book given to a person who enters and becomes a member of the Lodge how Masonry conflicts and denies foundational Christian truths Masons are promised that nothing in Masonry s teachings will ever conflict with their own Christian belief Has Masonry lied to or deceived Christians In this book you will find answers to all these questions from the Masonic ritual and the Bible itself **The Newly Made Mason** H. L. Nichols,2016-09-06 Many make the mistake of thinking because a thing is common it is probably harmless Masonic Temples are everywhere Are the Masons just another service organization Though their rites are secret Masons assure others that their practices are totally compatible with Christianity But there is an injunction to each Mason to practice his particular religious creed that revelation of the Deity which is recognized by his religion What really goes on behind the Temple door Here is a discerning detailed response Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Each book
