Ten Poems to Open Your Heart Roger Housden,2007-12-18 Ten Poems to Open Your Heart is a book devoted to love to the intimacy of personal love and lovemaking to a loving compassion for others and to the love that embraces both this world and the next This new volume from Roger Housden features a few of the same poets as his extraordinarily moving Ten Poems to Change Your Life such as Mary Oliver and Pablo Neruda along with contributions from Sharon Olds Wislawa Szymborska Czeslaw Milosz Denise Levertov and others Any one of the ten poems and indeed any one of Housden's reflections on them can open gladden or pierce your heart Through the voices of these ten inspiring poets and through illustrations from his own life Housden expresses the tenderness beauty joys and sorrows of love the presence of which more than anything else gives human existence its meaning As Housden says in his eloquent introduction Great poetry happens when the mind is looking the other way and words fall from the sky to shape a moment that would normally be untranslatable When the heart opens we forget ourselves and the world pours in this world and also the invisible world of meaning that sustains everything that was and ever shall be From the Hardcover edition

Open Your Heart to Nature and Beyond Dr. Linda N. Cameron,2021-09-09 Open Your Heart to Nature and Beyond maintains there is one problem separation from the Divine and one solution applying some form of forgiveness It details the holding relationships that actually separate us from the Divine and how to use the Law of Forgiveness to let them go and open our hearts to God's

presence Like a computer delete key the activity of forgiveness allows us to let go physically emotionally and mentally until we join Universal Being This Divine encounter is divided into 7 distinct stages with descriptions based on experiences of the author as well as poets and individuals from other major religions This book also suggests that a religious experience is simply having an experience of the Zero Energy Field as defined in quantum physics The Zero Energy Field is defined as the activity of subatomic particles such as photons electrons and other quantum particles in space at temperatures of absolute zero Research indicates that humans can affect this field with pray which is the mental activity of calling these energy particles to organize and outpicture as manifestations in nature We also have the ability to apply the Law of Forgiveness that Jesus introduced and release the electrons neutrons and protons forming something in the world and in our minds and thereby causing them to disorganize them and return to the Zero Energy Field The human activity of forgiving or letting things thoughts and emotions go shows that we have the mental ability to apply the Law of Entropy and disorganized manifested things and release them back into subatomic particles in the Zero Energy Field

Open Your Heart and Let the Lord Come In Jerrie Dean Blade,2013-07-02 *Open Your Heart and Let The Lord Come In* is a parable that compares our natural home to our spiritual home the heart As Jesus is invited in He would love to take a tour through every room You will began to take a closer look at your home the heart to see what changes need to be made Hes knocking please allow Him to come in youll be glad you did

Open Your Mind, Open Your Heart W. Marie Giles,2003-11 *Open Your Mind Open Your Heart* gets you thinking about your own personal path toward a more positive lifestyle The book is packed with simple yet thought provoking wisdom in the form of short statements upon which she briefly expounds as well as her own heartfelt poetry The author s words of wisdom have something for everyone Through them she reveals her genuine concern for others and the state of the world She implores the reader to think more about how they treat others and to make choices that move them forward on a positive path by assessing their own actions and behavior The poetry in this book is truly original You are sure to be moved by the author s words on love compassion kindness and even death and dying as they relate to an open mind and heart One key characteristic of the book is that you don t have to read it from beginning to end though you may be inclined to do just that You can open the book to any page and find something appropriate and interesting to digest Use it as a part of your daily devotional or simply as a pick me up when you need a boost in attitude However you approach it this book would be an important addition to your quest toward self discovery and a more positive lifestyle
