

In Golden Stardust

You stepped softly into my heart
with no great fanfare, but a gentle whisper.
And from those early moments I soon knew
you were the one whose name was written
beside my own before the dawn of time.

You stepped softly into my soul
and our spirits melded as two intended
to become one, our chapter in the book
of souls now ready for its earthly penning.

You stepped softly into my life, and now
nothing is the same, for we are united
by the bond once scripted by the angels
in golden stardust in the heavens.

Spiritual Poetry inspired by Mother Nature Kwabena Osei, 2013-12-13 When one is been robbed of all his properties by darkness including his soul and all his entire life and family he cannot fight darkness to reclaim all what he is being robbed He is totally defeated because the power of darkness is stronger than him Sitting in limbo for someone to bail you from your misery which you call it a miracle in a matter of a second is insignificant What we should understand is driving a negative

energy force out of the front door another negative force enters through the window with an angelic appearance with sweet melody of the taste of music you would like to hear So waiting and sitting in limbo and depending on someone to bail you you are living in a fantasy world that consists of hallucinated clergy and day dreamers No one can create a paradise for you rather it is you who hold the key to your freedom and eternity When darkness steals all your properties and soul just hang all your worries just like one hangs his clothes on a wall Fight cling to the universal light for we do look or search for our missing items in darkness with the light You cannot fight darkness with darkness neither quench fire with fire but with water Light is the main source and a combatant to darkness Without light in you no matter what miracle for a better change sooner or later the negativity covers or takes back the center seat But once you fight to claim an unquenchable light there will be no more loopholes in you or a back door for the return of darkness To survive all the great battles you must conquer and rule yourself with the inner peace of light to reinstate the lost innocence that is not borrowed identity but the undefiled Peace and love Amen Amen Amen

Poetry from the Heart Cynthia Folston-Williams, 2018-03-17 Despite unfathomable emotional pain betrayal by loved ones and a vicious cycle of yearning for outwardly love and attention healing of the heart is possible This book is not just words penned to make someone feel good Poetry from the Heart is a book of deeply personal expressions that reveal many of my life experiences and the deliberate obstacles that God allowed me to go through to heal myself and to help heal others Some of the poems were directly inspired by the Holy Spirit This is the first of several books God put in me In the process of writing this book I found answers to questions that I had for years God told me years ago that I would write poetry and that it would get published in a book that would provide me with answers to many question I had It would also open my eyes about why certain things happened in my life As I wrote the poems God allowed the mysteries to unfold And just as He told me I would I found the answers that blessed me The poem Where is God When it Hurts is the one that inspired me most and triggered the birthing of this book I went through a vivid time in my life that the only way healing came was through writing what I was feeling Out of the writings came Poetry from the Heart For this I am so grateful I pray that this book will be a blessing to every hand that holds it and every soul that receives it May it bring wholeness and healing to every part of you and help to lay the foundation for discovering the answers to questions that you too have pondered in your heart and never shared with anyone BUT GOD HE THOUGHT I WAS WORTH SAVING To God be the Glory
