comprehensive English collection of Brecht's poetry to date. Written between 1913 and 1956, these poems celebrate Brecht's unquenchable love of life, the desire for better and more of it, and reflect the technical virtuosity of an artist driven by bitter and violent politics as well as by the untrammelled forces of love and erotic desire. A monumental achievement and a reclamation, *The Collected Poems of Bertolt Brecht* is a must have for any lover of twentieth century poetry.
