Preparing for Battle Mark I. Bubeck, 1999-02-16 Don't let Satan have victory in your life God has given you an armory of weapons to use against the enemy Find out how to fight him and win with this comprehensive workbook on spiritual warfare God has given you an armory of weapons to use against the enemy Find out how to fight him and win with this comprehensive workbook on spiritual warfare *First Ask Why* Shelly Wildman, 2018-04-24 It's no secret that parenting is tricky business With advice flooding in from all sides strong-willed children pushing against boundaries and our own human flaws it's easy to get bogged down in every how-to that we're not doing well But maybe that isn't the right approach Maybe the first step is not to ask how but to ask why Like most parents when Shelly Wildman had children she consulted books sermons and lectures on how to raise the best children possible Yet every resource focused on how to get external results children who behave the way others expected them to For Shelly and her husband the turning point happened when they started asking why instead shifting their focus to internal change That's when their purpose as parents became clear parents are called to do their best to show kids how to know and love Jesus to love others and to make a difference in the world There are no rules here no inflexible series of steps that lead to perfect parenting Instead Shelly encourages parents to think about their unique family and why each child's needs for spiritual growth might look different She walks you through intentional questioning focusing on building a firm foundation for lasting discipleship And in the end you'll discover that God wants the same outcome you do a child who knows Christ intimately loves him deeply and has a heart to serve him fully *Collateral Damage* Dr. John Chirban, 2017-01-17 Based on research from more than 10,000 surveys from children and parents of divorce *Collateral Damage* presents parents with an overview of the negative impact that divorce has on their children and offers ways to better serve their needs at this critical time Approximately fifty percent of marriages in the United States fail Add to that the increasing number of couples who never marry have children together and later go their separate ways In all of these scenarios children suffer greatly often in silence as parents do not know how to effectively guide their kids When the sorrow and emotional issues of children are not addressed the cycle of divorce is likely to continue for them and in generations that follow In addition while children may appear to be resilient and adjusting without proper support children of divorce are more prone to drug and alcohol abuse criminal behavior mental and physical illness and suicide How can parents manage their own hurt shock anger and despair so that they can provide their children with what they need While *Collateral Damage* does not advocate divorce it does sound a wakeup call for parents It identifies the landmines inherent in the dangerous terrain of divorce and equips them to help their children not to feel abandoned or unheard Topics covered include Building the family not losing it Tuning into your kids Stabilizing childhood Maintaining parent-child roles Avoiding the

parenting handoff Keeping kids out of the war zone Instilling trust Keeping open lines of communication Attuning to guiding spiritual resources The unfortunate failure of a marriage does not mean the end of the family Providing a stable supportive healthy relationship with your child demonstrates what a loving relationship looks like better preparing them for intimate relationships and marriage as an adult

If Only You Would Ask Ronnie W. Rogers, 2022-04-28 We can know that if we pray some outcomes will be different than if we do not pray because God made many promises conditioned on whether we ask These promises relate to a galaxy of concerns and needs that are important to us and God such as faithfully serving God and experiencing his blessings in our life health marriage children family and job If we fail to pray about everything as the Scripture commands Phil 4 6 we will enter heaven and learn there were many things God would have done in and through us if only we d asked Sadly Calvinism s determinism has turned these wonderful promises into nothing more than a promise that God will do what he predetermined to do regardless of whether we pray or not Do not allow Calvinism s deterministic beliefs and distortions of Scripture to rob you of this blessed intimate prayer relationship with God
