Psalm 23 Kyle Burkholder, 2016-02-04 Psalm 23 is almost surely the most famous chapter in the Bible The trees of both Christianity and Judaism are existentially planted on the banks of the still waters where peace overtakes anxiety at the crest of rolling green pasture where shaded restoration is available to the depleted pilgrims of the age And while so many understand the basic idea of God as a Shepherd there are far too many weary aching exhausted sheep to show any evidence that we have collectively allowed our lives to be restored in any meaningful way by the all too familiar Shepherd This devotional intends to provide a path for us the sheep to find our way back into the restorative arms of the Good Shepherd My prayer is that many will approach familiar words and find the deep rest renewal and restoration that only the True Shepherd can provide
