RealAge Makeover Take Years Off Your Looks And Add Them To Your Life:

The RealAge (R) Makeover Michael F. Roizen, 2004-04-06 Why not live at 60 feeling like you did at 35 Thousands of Americans are younger today than they were five years ago How is that possible By following the specific recommendations that reverse aging in Dr Michael Roizen's bestselling book RealAge Are You As Young As You Can Be people who were previously much older than their chronological age have now taken up to twenty-nine years off their biological ages Since that first publication more than 10 million people have taken the RealAge test in one form or another and thousands of people have thanked Dr Roizen for helping them make simple changes in their lives changes that have made them healthier younger and more vibrant In the last several years Dr Roizen and his team have learned much more about the aging process The RealAge Makeover makes sense of recent critical medical findings important new research on inflammation in your arteries stress reduction chronic disease management hormone replacement therapy and other choices you can make to keep aging at a distance You'll also find the latest on vitamins and other supplements which are age reducing which are aging and which ones to avoid if you are taking certain medications Roizen then offers more than seventy ways to reduce or even prevent 80 percent of the diseases that make you feel older For example coffee or the right kind of chocolate in moderate amounts can help reduce inflammation preserving your arteries joints and memory But the wrong choice can lead to needless aging and loss of energy such as taking too much Vitamin A And The RealAge Makeover tells you how much in years each choice is worth so you can make the choices that are meaningful to you More potent than any statistic or finding are the personal stories interwoven throughout success stories from readers who followed the RealAge program became biologically younger and are living happier healthier lives With this book readers have more opportunity than ever to turn back their biological clock to look feel and actually be many years younger Join the RealAge Revolution and give yourself a RealAge Makeover

The RealAge (R) Makeover Michael F. Roizen, 2009-03-17 Why not live at 60 feeling like you did at 35 In The RealAge Makeover Dr Roizen makes sense of recent critical medical findings including 129 factors that affect the rate of aging and offers 74 steps that will reduce or even prevent 80% of the diseases that make you feel older With all this information Roizen believes you can control your genes to a very large degree In the last several years Dr Roizen and his team have learned much more about the aging process The RealAge Makeover makes sense of recent critical medical findings important new research on inflammation in your arteries stress reduction chronic disease management hormone replacement therapy and other choices you can make to keep aging at a distance You'll also find the latest on vitamins and other supplements which are age reducing which are aging and which ones to avoid if you are taking certain medications Roizen then offers more than seventy ways to reduce or even prevent 80 percent of the diseases that make you feel older For example coffee or the right kind of chocolate in moderate amounts can help reduce inflammation preserving your arteries joints and memory But the wrong choice can lead to needless aging and loss of energy such as taking too much Vitamin A And The RealAge Makeover

tells you how much in years each choice is worth so you can make the choices that are meaningful to you More potent than any statistic or finding however are the personal stories interwoven throughout the book more than 50 success stories from readers who followed the RealAge program and made themselves over significantly They became younger biologically and are living happier healthier lives Now readers have more opportunity than ever to turn back their biological clocks and feel look and be younger Join the RealAge Revolution and give yourself a RealAge Makeover **Getting Back in Shape** Bob Anderson,Bill Pearl,Ed Burke,2006-11-09 And special programs allow readers to exercise while at work or on the road The third edition of Getting Back in Shape includes a new section on running by Jeff Galloway Olympic athlete and author of the bestseller Galloway s Book on Running *RealAge* Michael F. Roizen,2010-11-16 What is aging Aging is not a mysterious metaphysical phenomenon Aging happens in the particulars Your arteries become clogged Your arthritis flares up Age is not just a chronological measurement it s the rate at which the primary internal guardians of health your cardiovascular and immune systems decline While your chronological age is fixed your biological age may be years older or younger depending on a combination of factors RealAge offers a revolutionary systematic program that calculates the aging effect of more than 100 different health behaviors ranging from diet and medication to stress control and chronic smoking and enables you to assess your own biological age Most important it shows you how to design a specific path to improving or reversing your own aging trajectory Developed by Dr Michael F Roizen chair of anesthesia and critical care at the University of Chicago and preventive gerontologist along with four other scientists the RealAge program is based on cutting edge scientific research Dr Roizen and his team have pored over 25 000 medical studies evaluating what they tell us about aging and what they tell us about the prevention of aging In RealAge they present the complete results of their analysis for the first time Each chapter covers a broad health topic for example how the right vitamins and supplements exercise or diet can be used to control how your genes affect you and calculates the RealAge advantage you will gain by adopting a specific behavior Charts fact sheets and tests give you specific choices to make and describe benefits to be gained so you can measure your success Suggested behavior changes are rated in order of difficulty so you can decide whether the result is worth the effort Ultimately this program is about maintaining your health The better condition you are in the better prepared you will be to fight the factors that age you RealAge demonstrates that you can have more control over the aging process It makes science simple and its promise is irresistible You may live as young at seventy as you did at forty four Remeber your high school reunion Even though everyone was the same chronological age people no longer looked the same Some wore the years well staying young and exuberant despite the passage of time whereas others looked as if they had aged ten years more than everyone else and probably had Did you know that Financial stress can make your RealAge two to thirty two years older The difference between having the ideal blood pressure 115 76 and high blood pressure higher than 140 90 can make a RealAge difference of more than twenty years A tablet of aspirin a day can make your RealAge 1 9 years younger Flossing daily and seeing a dentist and

dental hygienist every six months can make your RealAge 6 4 years younger In RealAge you will discover many other easy to institute Age Reduction Strategies that will enable you to live longer and younger **A Whole-Body Approach to Slowing Down Aging** Liang-Che Tao M.D.,2011-04-13 AGING IS INEVITABLE Its a complicated process and each of us experiences it in different ways Its difficult to pinpoint why one person ages well while another person acts and looks older In A Whole Body Approach to Slowing Down Aging author Dr Liang Che Tao presents a self help guide that works toward protecting your health in your senior years and reducing the risk of age related diseases Advocating a practical whole body approach Tao discusses natural and nutritional ways of slowing and possibly even reversing the aging process With the goal of living longer lives in disease free healthier bodies A Whole Body Approach to Slowing Down Aging helps you understand the primary causes of aging nutritional needs for optimal immune functions wise use of antioxidants basics of cardiovascular disease and how to prevent it idea that osteoporosis can also be prevented background of age related cancer importance of protecting the brain and keeping it healthy Life is mortal and our bodies are designed to last only so long In A Whole Body Approach to Slowing Down Aging Tao shows that with care and maintenance our bodies will live well beyond their warranties *This Is Your Do-Over* Michael F.
