On Top of the World Bruce O. Solheim,2000-01-30 An examination of the political and social characteristics particular to Scandinavia which have made women s rise to power more rapid than in other regions of the world this study also explores how the resulting election of women has provided valuable evidence of the impact of women leaders and their leadership style Solheim begins with a critical survey of feminist scholarship regarding the equality difference debate and the application of such research on the position of women in international politics He concludes in this respect that leadership style may have less to do with gender than one might initially suspect Archival research and interviews with women in leadership roles provide the reader with a closer look at the Scandinavian system a view that will challenge gender stereotypes around the world On Top of the World explores the Nordic political systems in great detail and analyzes systemic factors such as multi party electoral systems and consensus seeking cultural institutions which contribute to the rise of so many women leaders Solheim compares and contrasts the political rise of two Nordic women leaders to power and influence and for the purpose of cross cultural comparison one woman leader from the developing world A final chapter ties together the theoretical framework and the case studies to suggest a direction for future research   **Current and Prospective Applications of Virtual Reality in Higher Education** Choi, Dong Hwa,Dailey-Hebert, Amber,Estes, Judi Simmons,2020-07-31 For the last decade virtual reality has been utilized in diverse fields such as entertainment medicine and industry Recently virtual reality has been applied in educational settings in order to transform student learning and experiences through such methods as building prototypes using digital devices or exploring new cultures through immersive interactions Teachers who can incorporate virtual reality into their classrooms can provide their students with more meaningful learning experiences and can witness higher engagement Current and Prospective Applications of Virtual Reality

in Higher Education is a cutting edge academic research book that provides comprehensive research on the integration of virtual reality in education programs and establishes foundations for course design program development and institutional strategic planning The book covers an overall understanding and approach to virtual reality in education specific applications of using virtual reality in higher education and prospects and issues of virtual reality in the future Highlighting a wide range of topics such as gamification teacher training and virtual reality this book is ideal for teachers instructional designers curriculum developers academicians program developers administrators educational software developers policymakers researchers education professionals and students *Reality Calling* Nicholas J. Pace,2013-10-03 Crafted from authentic experiences shared by principals Reality Calling The Story of a Principal s First Semester reveals fictional Principal Joe Gentry s first few months on the job We see his efforts to establish relationships with students staff and community handle unexpected and sometimes unimaginable events and pursue the often elusive concept of instructional leadership Throughout the process Joe seeks guidance and support from his wife mentors and two friends who are also new principals As the months roll by he strives to navigate the complex ups and downs of school leadership find personal and professional balance apply the standards that govern school leaders and learn from his mistakes This extended real world case study provides readers an authentic unvarnished account of a fully human principal knee deep in what is appropriately called the toughest job in education The book concludes with Joe and his two principal friends reflecting on lessons learned and setting goals for the second half of the school year revealed in this book s companion Seeking Balance The Story of a Principal s Second Semester

Imperial Power in the Third Century AD focuses on the wide range of available sources of Roman imperial power in the period AD 193 284 ranging from literary and economic texts to coins and other artefacts This volume examines the impact of war on the foundations of the economic political military and ideological power of third century Roman emperors and the lasting effects of this This detailed study offers insight into this complex and transformative period in Roman history and will be a valuable resource to any student of Roman imperial power *The Power of the Leader* Leonardo R. Silos,2003 **The Handbook of Educational Theories** Beverly Irby,Genevieve H. Brown,Rafael Lara-Aiecio,Dr. Shirley A. Jackson,2013-03-01 Although educational theories are presented in a variety of textbooks and in some discipline specific handbooks and encyclopedias no publication exists which serves as a comprehensive consolidated collection of the most influential and most frequently quoted and consulted theories There is a need to put such theories into a single easily accessible volume A unique feature of the Handbook is the way in which it conveys the theories The organization of the chapters within each section makes the volume an easy to use and tu1derstandable reference tool as researchers and practitioners seek theories to guide their research and practice and as they develop theoretical frameworks In addition to the traditional theories presented the Handbook includes emerging theories for the 21st Century as well as presenting practical examples of the use of these theories in research from dissertations and published articles An appendix which indicates which theories have instruments associated with them and where those instruments can be found is also included The Handbook consists of 12 sections Section I provides the jntroduction with a focus on what constitutes good theory as well as how theory guides research and practice The remaining sections address Philosophical Educational Constructs Leaming Theory Instructional Theory Curriculum theory Literacy and Language Acquisition Theory Counseling Theory Moral Development Theory Classroom Management Theory Assessment Theory Organizational Theory and Leadership Management Theory Each section consists of an overview written by the section editor of the general theoretical concepts to be addressed by the chapter authors Each chapter within the section will include a a description of the theory with goals assumptions and aspects particular to the theory b the original development of and interactions of the theory c validation of the theory d generalizability of the theory across cultures ethnicities and genders e the use and application of the theory f critiques of the theory g any instruments associated with the theory and h two to five particular studies exemplifying particular theories as individuals have used them in theoretical framework of dissertations or published articles and be written by the original theorist or prominent contributors to the theory The Handbook is intended for graduate students enrolled in research courses or completing theses and dissertations Additionally professors of all educational disciplines in the social scierices would be an interested audience There is also potential use of the text as administrators counselors and teachers in schools use theory to guide practice As more inquiry is being promoted among school leaders this book has more meaning for practitioners The Three Tasks of Leadership Eric O. Jacobsen,2009-02-05 This book unpacks business leader Max De Pree s famous definition of leadership

originally given for the business world and applies it to the church Eighteen theologians and pastors here offer essays echoing that definition The Three Tasks of Leadership is refreshingly free of jargon full of practical and inspirational advice and perfect for both pastors in the field and pastors in formation Contributors David Augsburger Robert Banks James E Bradley Mark Lau Branson Sherwood Lingenfelter Richard J Mouw Nancy Ortburg Richard Peace Charles J Scalise Wilbert R Shenk Marguerite Shuster Siang Yang Tan Dennis N Voskuil Linda Wagener Howard Wilson and Walt Wright

Translating Global Policy into Local Reality Li Deng,2025-01-31 This book analyses the global diffusion of key competencies based education CBE as a global education policy GEP focusing on China s process of adoption and adaptation Based on a six year empirical study combining interviews observations and document analysis it examines how national and local actors interpret modify and resist CBE Constructing and applying a four stage framework for the GEP transfer process the book integrates macro level analysis of global forces with micro level analysis of specific policy changes at the national level and bridges theoretical and practical perspectives through both macro level policy analysis and micro level case studies The book provides valuable insights and implications of policy formulation and educational practice for educators policy makers and researchers interested in the dynamics of global policy transfer localised educational reforms and the complexities of reform in a globalised world The case study of China s implementation and localisation of CBE will also inform global efforts to adapt and integrate CBE in diverse educational contexts **The Many Faces of School Library Leadership** Sharon Coatney,Violet H. Harada,2017-03-29 Completely revised with even more contributions added by practicing school librarians this book further examines the responsibility to lead in many areas and identifies the real world day to day application of established theory and best practices In today s educational landscape school librarians need to lead the way in many areas including advocacy literacy technology curriculum vision collaborative instruction and intellectual freedom All of these areas are vital to building and sustaining a school library program that enhances and encourages student achievement as well as to providing enhanced services to students and faculty This revised edition of The Many Faces of School Library Leadership offers invaluable insights from recognized leaders in the field of school librarianship that detail leadership roles embraced by accomplished practitioners and consider the research regarding best practices An essential read for practicing school librarians as well as for pre service school librarians it offers today s school librarians actionable advice for strengthening their roles underlining their value and protecting their future all while boosting student learning and achievement The expert guidance and perspectives in this book will bolster those who are facing enormous challenges to meet them and allow school library staff to protect their jobs and to save school library programs from extinction What You Don't Know about Leadership, But Probably Should Jeffrey A. Kottler,2018 We live in a world of groups Almost every facet of daily existence whether sitting in meetings collaborating with coworkers attending classes or programs contributing to community or social events participating in family gatherings even enjoying coffee or meals with

friends takes place in group contexts In addition everyone finds themselves in leadership positions at one time or another responsible for the welfare of others It is curious but nevertheless commonplace that counselors therapists teachers business leaders executives coaches and other helping professionals who have been specifically trained in group leadership often fail to apply their knowledge and skills to settings in which they might matter most The same practitioners who guide others may not be able or willing to put that background to work when they find themselves supervising peers leading meetings or even managing conflict at the dinner table Many if not most people experience required meetings and mandated group collaborations as tedious repetitive and often a waste of time that could be spent doing other things that feel far more productive   *Professional Nursing Concepts:Competencies for Quality Leadership* Anita Finkelman,2017-12-01 Professional Nursing Concepts Competencies for Quality Leadership Fourth Edition takes a patient centered traditional approach to the topic of nursing education   **Handbook of Research on Administration, Policy, and Leadership in Higher Education** Mukerji, Siran,Tripathi, Purnendu,2016-09-27 The creation of a sustainable and accessible higher education systems is a pivotal goal in modern society Adopting strategic frameworks and innovative techniques allows institutions to achieve this objective The Handbook of Research on Administration Policy and Leadership in Higher Education is an authoritative reference source for the latest scholarly research on contemporary management issues in educational institutions and presents best practices to improve policies and retain effective governance Addressing the current state of higher education at an international level this book is ideally designed for academicians educational administrators researchers and professionals
