Real-Life Stories of Supernatural Experiences Michael Norman, Ginnie S. Bivona, 2003 Collected writings dealing with supernatural encounters or experiences **50 Real Ghost Stories** M J Wayland, 2013-02 A real ghost story should never end perfectly That is my rule of thumb After investigating ghost experiences for nearly thirty years I realised that the finely polished stories told by storytellers and ghost walkers were exactly that polished In polishing stories we lose the personality of the haunted and indeed the haunter itself that is why in my books research papers and articles I always maintain the original testaments and facts The stories that I have collected for you now are rough diamonds totally unpolished and any additions by myself are kept to a minimum and noted clearly P 4 of cover **50 Real Ghost Stories 2** M. In this new age of science and reason there is a logical scientific explanation for everything right But is it possible that even today in our modern society there are regular people who are not psychics or mediums or spiritualists who have had premonitions sent telepathic messages witnessed healings seen deceased loved ones seen spirits and ghosts witnessed objects or paintings inexplicably fall from walls just before a critical moment and experienced other events that scientist simply cannot explain In this book Bernie Brown a twenty nine year retired prosecutor interviews ordinary people who say they have experienced a supernatural event Each event is critically reviewed with a scathing analysis to assess credibility and legitimacy. Was it a supernatural event or was it an event that can be explained by logical reasoning consistent with the ordinary laws of science and physics Each case is subjected to a prosecutor s analysis for truth and veracity and an evaluation of the probability that a jury of one s peers would validate or invalidate the legitimacy of the supernatural event Along the way Bernie describes his own list of personal supernatural events and subjects them to the same critical common sense analysis as all other cases You will be shocked by his stories and the stories he has heard and surprised by his verdicts In the end your concept of truth and reality will be expanded upended and redefined and your perception of the realm of human possibilities will never be the same Haunted Hospitals: True Real Hospital Ghost Stories & Hauntings 25 Unexplained Supernatural Mysteries Of The Paranormal In Britain And America Granger T Barr, 2022-06-11 Haunted Hospitals True Real Hospital Ghost Stories Hauntings 25 Unexplained Supernatural Mysteries Of The Paranormal In Britain And America ABOUT THIS BOOK Medical personnel and patients mainly throughout Britain and the United States of America share their terrifying genuine stories of paranormal activity in hospitals hospices and nursing homes Many of us imagine that ghost stories can happen anywhere but particularly in and around hospitals Strange activity can occur everywhere perhaps for many unexplained reasons This short ghost storybook book is part of a series based on actual real life personal stories We are never alone so to speak There seems to be a presence of some kind around us whether it be good or bad Relax sit back and enjoy these 25 short tales Great value 25 1 + 1 = God Michael Pietrzyk, 2017-06-15 What do you do when family SHORT GHOST STORIES GET THIS BOOK NOW and friends doubt the existence of God How do you respond and are your Christian core beliefs on solid ground Mike decided to research the atheist beliefs and confirm his natural belief in God and Jesus Over three years Mike read no less than eighty four books by both Christian and atheist authors and reviewed multiple debates between Christians and atheists In doing so

he established his common sense viewpoints that God's wisdom is present in this Universe Mankind Salvation and the Supernatural This book is a compilation of Mike's common sense viewpoints which are simple to understand They are substantiated through the research writings of various Christian authors The main concern of this book is that when your spirit leaves this life you will have eternal happiness in the presence of Jesus Validation of Mike's confirmation is his own supernatural experience of God's protection which was outside the boundaries of science The atheist premise that nothing happens outside the rules of science falls apart with Mike's experience and the experiences of many many others This book is an excellent source not just if you are searching for answers about Christianity and atheism but it s an affirmation that God is Real Ghost Stories In The UK: True Haunted History Around Great Britain Granger T Barr, Real Ghost Stories In The UK True Haunted History Around Great Britain This is the tenth book in the author's Ghostly Encounters Series Haunted houses have intriguing backstories It's possible that some people have seen the most horrifying events while others are glad to have been there to see something else perhaps It's possible that when we visit places we pick up on the inhabitants elevated emotions during happy or sad times in their lives which they ve left behind This book provides over 25 spooky locations with creepy castles manor houses an Inn a forest and more ghost stories tales and legends hauntings and paranormal activities giving you a little taste of the many grand yet haunted buildings both small and big in and around Britain This book is part of the author's Ghostly Encounters Series Get this book now Haunted America & Other Paranormal Travels Sherri Granato, 2015-04-09 Haunted America Other Paranormal Travels allows the reader to discover haunted venues in every state in America and even some abroad Creepy tales from celebrities ghost riddled trains and highways eerie phenomena and unexplained anomalies Its all here if you dare Where Spirits Dwell Karina Machado, 2011-08-29 WHERE SPIRITS DWELL unearths the creaking spine chilling moments when ghosts appear in suburbia Alongside infamous Australian haunted homes like Junee s Monte Cristo Homestead and Annandale s haunted Abbey WHERE SPIRITS DWELL also takes readers inside other haunted dwellings including schools pubs and even shopping centres As she did in her bestselling book SPIRIT SISTERS described as addictive reading by the Daily Telegraph and fascinating and thought provoking by the Sun Herald Karina Machado spins a such web of wonder that often the interviewees lives prove just as fascinating as the spooky experiences they re sharing with her Along with these real life experiences Machado also investigates the haunted house in history literature and popular culture in this intriguing book WHERE SPIRITS DWELL is a book to read with ALL the lights on Saving Manresa Castle Ronald Smith, 2019-07-23 High on a hill in Northwest Washington overlooking the Key City of Port Townsend lies Manresa Castle Built in 1892 by area pioneer Charles Eisenbeis the former home and later a Jesuit seminary served as a community landmark for over eighty years but by 1973 was badly in need of restoration however neither banks nor local investors would grant the owners loans for improvements Saving Manresa Castle takes you on a journey that reveals how Ronald Smith left his high tech position in
