Pornageddon Matt Micheli, 2025-03-13 WINNER OF THE 2024 LITERARY NASTIES AWARD LONG FICTION Abella Jane has taken the adult industry by storm garnering more downloads than any porn star before her As the rabid obsessions of the hot new starlet grow and spread bad things start happening Marriages fall apart wildfires destroy peoples lives crops suffer and innocent people are being randomly and brutally murdered in the streets at increasingly alarming rates Roy a devoted family man with his own addiction to porn s hottest starlet experiences a life changing tragedy and begins seeing visions which he believes are of the troubled individuals he must recruit to stop the devil who is using porn and its reach to build a demonic sex crazed army for the end of days With a cast of unlikely heroes and the hottest porn stars around this supernatural story takes you on a rollercoaster ride full of sex gore massive appendages while never losing sight of the unwavering hope of redemption Holy Hell this book is wrong It s rare to find splatterpunk with something to say these days but this one says a lot When I heard this was a showdown between Good and Evil set within the porn world I knew I just had to read it Micheli seems to have made it his mission divinely inspired or not to write a splatterporn version of *The Stand* and I d say he did a hell of a job The scope is much smaller even the Bible is smaller than *The Stand* but the roster of depraved villains and heroes in all shades of gray definitely hit all the right spots Read this book and spread the gospel of Pornageddon far and wide Duncan Ralston author of *Woom* and *Ghostland* Animalistic sex porn addiction and visceral gore mingle

perfectly in this tale of baby batter coated insanity Micheli's characters and blood splattered set pieces are every bit as fully realized as the money shots making Pornogeddon a book with as much heart as bodily fluids I can't recommend it enough Jon Steffens author of The God in the Hills series I'm not sure if this book wants me to pray to God or porn maybe both Nothing I've ever read has delivered two so polar opposite themes within the same text yet Micheli does it masterfully So grab a bible and some lube and Jesus we're going to Hell Patrick C Harrison III author of 100% Match and Grandpappy
