

Reason and Hope

Selections from the Jewish Writings of Hermann Cohen

Translated, edited, and
with an introduction by Eva Jorpe

Reason And Hope Selections From The Jewish Writings

Ned Curthoys

Reason And Hope Selections From The Jewish Writings:

Reason and Hope Hermann Cohen,1993 *Reason and Hope* Hermann Cohen,1971 *Reason and Hope* Eva Jospe,1993 **After Evil** Robert Meister,2011 The way in which mainstream human rights discourse speaks of such evils as the Holocaust slavery or apartheid puts them solidly in the past Its elaborate techniques of transitional justice encourage future generations to move forward by creating a false assumption of closure enabling those who are guilty to elude responsibility This approach to history common to late twentieth century humanitarianism doesn t presuppose that evil ends when justice begins Rather it assumes that a time before justice is the moment to put evil in the past Merging examples from literature and history Robert Meister confronts the problem of closure and the resolution of historical injustice He boldly challenges the empty moral logic of never again or the theoretical reduction of evil to a cycle of violence and counterviolence broken only once evil is remembered for what it was Meister criticizes such methods for their deferral of justice and susceptibility to exploitation and elaborates the flawed moral logic of never again in relation to Auschwitz and its evolution into a twenty first century doctrine of the Responsibility to Protect *Nineteenth-Century Religious Thought in the West: Volume 3* Ninian Smart,John Clayton,Patrick Sherry,Steven T. Katz,1988-07-01 The successful three volumes of *Nineteenth Century Religious Thought in the West* provide a fresh appraisal of the most important thinkers of that time Soames essays centre on major figures of the period others cover topics trends and schools of thought between the French Revolution and the First World War **Jewish Cryptotheologies of Late Modernity** Agata Bielik-Robson,2014-08-13 This book aims to interpret Jewish Philosophy in terms of the Marrano phenomenon as a conscious clinamen of philosophical forms used in order to convey a secret message which cannot find an open articulation The Marrano phenomenon is employed here in the domain of modern philosophical thought where an analogous tendency can be seen the clash of an open idiom and a secret meaning which transforms both the medium and the message Focussing on key figures of late modern twentieth century Jewish thought Hermann Cohen Gershom Scholem Walter Benjamin Franz Rosenzweig Theodor Adorno Ernst Bloch Jacob Taubes Emmanuel Levinas and Jacques Derrida this book demonstrates how their respective manners of conceptualization swerve from the philosophical mainstream along the Marrano secret curve Analysing their unique contribution to the unfinished project of modernity including issues of the future of the Enlightenment modern nihilism and post secular negotiation with religious heritage this book will be essential reading for students and researchers with an interest in Jewish Studies and Philosophy **A History of Modern Jewish Religious Philosophy** Eliezer Schweid,2019-02-19 The culmination of Eliezer Schweid s life work as a Jewish intellectual historian this five volume work provides a comprehensive interdisciplinary account of the major thinkers and movements in modern Jewish thought in the context of general philosophy and Jewish social political historical developments with extensive primary source excerpts Volume Three The Crisis of Humanism commences with an important essay on the challenge to the humanist tradition posed in the late 19th century by

historical materialism existentialism and positivism This is background for the constructive philosophies which sought at the same time to address the general crisis of moral value and provide a positive basis for Jewish existence Among the thinkers presented in this volume are Moses Hess Moritz Lazarus Hermann Cohen in impressive depth with a thorough exposition of the Ethics and Religion of Reason Ahad Ha Am I J Reines Simon Dubnow M Y Berdiczewski the theorists of the Bund Chaim Zhitlovsky Nachman Syrkin and Ber Borochov **The Cambridge Companion to Judaism and Law** Christine

Hayes,2017-02-17 The Cambridge Companion to Judaism and Law explores the Jewish conception of law as an essential component of the divine human relationship from biblical to modern times as well as resistance to this conceptualization It also traces the political social intellectual and cultural circumstances that spawned competing Jewish approaches to its own divine law and the non divine law of others including that of the modern secular state of Israel Part I focuses on the emergence and development of law as an essential element of religious expression in biblical Israel and classical Judaism through the medieval period Part II considers the ramifications for the law arising from political emancipation and the invention of Judaism as a religion in the modern period Finally Part III traces the historical and ideological processes leading to the current configuration of religion and state in modern Israel analysing specific conflicts between religious law and state law

Holiness in Jewish Thought Alan L. Mittleman,2018-01-19 Holiness is a challenge for contemporary Jewish thought The concept of holiness is crucial to religious discourse in general and to Jewish discourse in particular Holiness seems to express an important feature of religious thought and of religious ways of life Yet the concept is ill defined This collection explores what concepts of holiness were operative in different periods of Jewish history and bodies of Jewish literature and offers preliminary reflections on their theological and philosophical import today The contributors illumine some of the major episodes concerning holiness in the development of the Jewish tradition They are challenged to think about the problems and potential implicit in Judaic concepts of holiness to make them explicit and to try to retrieve the concepts for contemporary theological and philosophical reflection Not all of the contributors push into philosophical and theological territory but they all provide resources for the reader to do so Holiness is elusive but it need not be opaque This volume makes Jewish concepts of holiness lucid accessible and intellectually engaging *The Legacy of Liberal Judaism* Ned Curthoys,2013-10-01

Comparing the liberal Jewish ethics of the German Jewish philosophers Ernst Cassirer and Hannah Arendt this book argues that both espoused a diasporic worldly conception of Jewish identity that was anchored in a pluralist and politically engaged interpretation of Jewish history and an abiding interest in the complex lived reality of modern Jews Arendt s indebtedness to liberal Jewish thinkers such as Moses Mendelssohn Abraham Geiger Hermann Cohen and Ernst Cassirer has been obscured by her modernist posture and caustic critique of the assimilationism of her German Jewish forebears By reorienting our conception of Arendt as a profoundly secular thinker anchored in twentieth century political debates we are led to rethink the philosophical political and ethical legacy of liberal Jewish discourse **The Internal Foe** Jeremy F. Worthen,2008-12-18

The relationship between Christianity and other religions is a vital issue in the world today. This book provides a fresh perspective by exploring how Christian theology has been shaped over two millennia by interaction with its original religious other, continuing Judaism. It begins by describing the origins of the classic framework in Christianity that correlates claims about the gospel with judgments about Judaism as resistance to the new thing God has done in Jesus Christ. This framework binds Christianity to the task of interpreting Jewish presence, which then renders engaging with Judaism as well as rehearsing judgments about it integral to Christian theology's development. The central chapters of the book demonstrate this in relation to three pivotal periods of Western history: 1050–1300 CE, early modernity, and the first half of the twentieth century. They reveal the classic framework to have been remarkably resilient despite sometimes radical adaptation before and after modernity. The insights of Franz Rosenzweig about Judaism as Christianity's internal foe resonate deeply with the book's historical analysis. Does this mean that non-relativistic Christian theology must remain intrinsically anti-Jewish? The book concludes that it need not if it can renounce its historic stance of hermeneutical comprehension.

Giving Beyond the Gift Elliot R. Wolfson, 2014-02-03

This book explores the co-dependency of monotheism and idolatry by examining the thought of several prominent twentieth-century Jewish philosophers: Cohen, Buber, Rosenzweig, and Levinas. While all of these thinkers were keenly aware of the pitfalls of scriptural theism to differing degrees, they each succumbed to the temptation to personify transcendence even as they tried either to circumvent or to restrain it by apophatically purging kataphatic descriptions of the deity. Derrida and Wyschogrod, by contrast, carried the project of denegation one step further, embarking on a path that culminated in the aporetic suspension of belief and the consequent removal of all images from God, a move that seriously compromises the viability of devotional piety. The inquiry into apophatic transcendence and immanence in these Jewish thinkers is symptomatic of a larger question: Recent attempts to harness the apophatic tradition to construct a viable postmodern negative theology, a religion without religion, are not radical enough. Not only are these philosophies of transcendence guilty of a turn to theology that defies the phenomenological presupposition of an immanent phenomenality, but they fall short on their own terms inasmuch as they persist in employing metaphorical language that personalizes transcendence and thereby runs the risk of undermining the irreducible alterity and invisibility attributed to the transcendent other. The logic of apophaticism, if permitted to run its course fully, would exceed the need to posit some form of transcendence that is not ultimately a facet of immanence. Apophatic theologies accordingly must be supplanted by a more far-reaching apophaticism that surpasses the theolatrous impulse lying coiled at the crux of theism: an apophaticism of apophaticism based on accepting an absolute nothingness to be distinguished from the nothingness of an absolute that does not signify the unknowable One, but rather the manifold that is the pleromatic abyss at being's core. Hence the much-celebrated metaphor of the gift must give way to the more neutral and less theologically charged notion of an unconditional givenness in which the distinction between giver and given collapses. To think givenness in its most elemental phenomenological sense is to allow the

apparent to appear as given without presuming a causal agency that would turn that given into a gift *The Oxford Handbook of Jewish Ethics and Morality* Elliot N. Dorff, Jonathan K. Crane, 2016-01-23 For thousands of years the Jewish tradition has been a source of moral guidance for Jews and non Jews alike As the essays in this volume show the theologians and practitioners of Judaism have a long history of wrestling with moral questions responding to them in an open argumentative mode that reveals the strengths and weaknesses of all sides of a question The Jewish tradition also offers guidance for moral conduct by individuals communities and countries and shows how to motivate people to do the good and right thing The Oxford Handbook of Jewish Ethics and Morality is a collection of original essays addressing these topics historical and contemporary as well as philosophical and practical by leading scholars from around the world The first section of the volume describes the history of the Jewish tradition s moral thought from the Bible to contemporary Jewish approaches The second part includes chapters on specific fields in ethics including the ethics of medicine business sex speech politics war and the environment *Helmholtz, Cohen, and Frege on Progress and Fidelity* Teri Merrick, 2020-10-28 This book examines the views of Hermann Helmholtz Hermann Cohen and Gottlob Frege in reaction to the epistemic crises induced by rapid changes in 19th century scientific practice Besides addressing longstanding interpretive puzzles of interest to Frege scholars the book extracts precepts for rationally responding to paradigm shifts in scientific and religious traditions Cohen s work in particular is held up as an example of wisely navigating epistemic and hermeneutical crises in science and religion The book will appeal to philosophers and historians of science or religion especially to those concerned with the epistemic challenges posed by Kuhn s *The Structure of Scientific Revolutions* **Judaism and Modernity** Gillian Rose, 2017-03-28 A reinterpretation of thinkers from Benjamin and Rosenzweig to Simone Weil and Derrida Judaism and Modernity Philosophical Essays challenges the philosophical presentation of Judaism as the sublime other of modernity Here Gillian Rose develops a philosophical alternative to deconstruction and post modernism by critically re engaging the social and political issues at stake in every reconstruction Living The Letters Michael Marmur, 2025-04-11 In this work Michael Marmur employs the structure of the Hebrew alphabet to set out elements of an emerging Jewish theology presenting a case for the urgent relevance of Jewish life at a time of deepening rupture and accelerating change He presents core components of a theory and practice of contemporary Judaism The Hebrew alphabet has long beguiled and preoccupied Biblical authors and liturgical poets rationalists and mystics conservatives and radicals It has served as a locus of theological speculation an engine of creativity and a recurrent motif throughout the cycle of life from childhood instruction to graveside recitation For each letter of the Hebrew alphabet Marmur proposes a concept gleaned from theology philosophy ritual politics community and other fields Readers are invited to combine and deploy them in imagining a Judaism of tomorrow This is an open access book The European Jews, Patriotism and the Liberal State, 1789-1939 David Aberbach, 2013 The fragility of the liberal democratic state after 1789 is illustrated in the history of the European Jews from the French Revolution to the Holocaust

Emancipation and hope of emancipation amongst the European Jewish population created a plethora of Jewish identities and forms of patriotism. This book takes the original approach of studying European Jewish patriotism as a whole with particular attention given to creative literature. Despite their growing awareness of racial genocidal hatred, most European Jews between 1789 and 1939 tended to be patriotic toward the countries of their citizenship, an attitude reflected in the literature of the time. Yet the common assumption among emancipated Jews that anti-Semitism would fade in a world governed by reason proved false. For millions of European Jews, the infinite possibilities they associated with emancipation came to nothing. The Jewish experience exposed many of the weaknesses and failings of the liberal multicultural state and demonstrated that its survival cannot be taken for granted but is dependent on vigilance and struggle. By focusing on Jewish patriotism from 1789-1939, this book explores the nature of the liberal state, how it can fail, and the conditions needed for its survival.

Leo Strauss on the Borders of Judaism, Philosophy, and History Jeffrey A. Bernstein, 2015-05-05. In Leo Strauss on the Borders of Judaism, Philosophy, and History, Jeffrey A. Bernstein explores how the thought of Leo Strauss amounts to a model for thinking about the connection between philosophy, Jewish thought, and history. For Bernstein, Strauss shows that a close study of the history of philosophy from the ancients to medievals to moderns is necessary for one to appreciate the fundamental distinction between the forms of life Strauss terms Jerusalem and Athens: that is, order through revealed Law and free philosophical thought respectively. Through an investigation of Strauss's published texts, examination of his intellectual biography, and history, and making use of correspondence, archival materials, and seminar transcripts, Bernstein shows how Strauss's concern with the relation between Judaism and philosophy spanned his entire career. His findings will be of use to those interested in the thought of Strauss, the history of Jewish thought, and the relation between religion, philosophy, and politics.

The Oxford Handbook of the Jewish Diaspora Hasia R. Diner, 2021. The reality of diaspora has shaped Jewish history: its demography, its economic relationships, and the politics which that impacted the lives of Jews with each other and with the non-Jews among whom they lived. Jews have moved around the globe since the beginning of their history, maintaining relationships with their former Jewish neighbors who had chosen other destinations and at the same time forging relationships in their new homes with Jews from widely different places of origin.

Ghost People Paul E. Nahme, Associate Professor of Judaic Studies and Religious Studies, 2024-09-11. What does race feel like? What does race make people feel? Ghost People traces the haunting feelings that constitute race as a structural, social, and psychic experience in modern European history by focusing on the case of Jewish racialization. From Enlightenment constructions of rational humanism to nineteenth-century colonialism, antisemitism, and the racialization of Jews in Europe to the construction of Judaism as a religion and the disavowal of racial categories in liberal secularism, Nahme asks after the enduring problem of race for Jewish identity and for how Jews have remained haunted by the specter of race in the modern world.

Unveiling the Magic of Words: A Report on "**Reason And Hope Selections From The Jewish Writings**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Reason And Hope Selections From The Jewish Writings**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Reason And Hope Selections From The Jewish Writings Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Reason And Hope Selections From The Jewish Writings free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Reason And Hope Selections From The Jewish Writings free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Reason

And Hope Selections From The Jewish Writings free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Reason And Hope Selections From The Jewish Writings. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Reason And Hope Selections From The Jewish Writings any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Reason And Hope Selections From The Jewish Writings Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reason And Hope Selections From The Jewish Writings is one of the best book in our library for free trial. We provide copy of Reason And Hope Selections From The Jewish Writings in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reason And Hope Selections From The Jewish Writings. Where to download Reason And Hope Selections From The Jewish Writings online for free? Are you looking for Reason And Hope Selections From The Jewish Writings PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Reason And Hope Selections From The Jewish Writings. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider

finding to assist you try this. Several of Reason And Hope Selections From The Jewish Writings are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Reason And Hope Selections From The Jewish Writings. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Reason And Hope Selections From The Jewish Writings To get started finding Reason And Hope Selections From The Jewish Writings, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Reason And Hope Selections From The Jewish Writings So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Reason And Hope Selections From The Jewish Writings. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Reason And Hope Selections From The Jewish Writings, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Reason And Hope Selections From The Jewish Writings is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Reason And Hope Selections From The Jewish Writings is universally compatible with any devices to read.
