Reasons For Believing A Seekers Guide To Christianity:

Reasons for Believing Frank Harber, 1998-04 In this concise guide to questions about the Christian faith from Frank Harber a dynamic young evangelist readers acquire a handy resource for witnessing or for personal faith building and receive some answers about God's love in an evil world 192 pp **The Seeker's Guide to Faith** J. Peter Baumgarten, 2020-11-23 The Seeker's Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter-day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter-day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter-day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author's professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter-day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel's plan of happiness He hopes The Seeker's Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ **Christianity Considered** John M. Frame, 2018-05-16 Christianity is more than a religion it is also a complex intellectual tradition Christians and non-Christians who want to understand the world as it is today have to understand Christianity too Christianity makes objective claims but also presents a new way of thinking about the world In A Guide to Christianity for Skeptics and Seekers renowned theologian Dr John Frame introduces the reader to the Christian religion and its unique intellectual framework describing the key pillars of Christian thought and how these shape the Christian worldview Covering a range of topics from the resurrection to the Christian posture toward politics A Guide to Christianity for Skeptics and Seekers is a valuable guide to understanding the Christian faith as an intellectual tradition Useful for both the Christian reader looking for a better understanding of the faith and the skeptical reader who seeks to understand the intellectual tradition that has done much to shape the modern world To be a Christian, A Seeker's Guide , **The Seeker's Guide to Holiness and Usefulness, Designed to Assist in Obtaining and Diffusing the Religion of Our Lord Jesus Christ** Henry Breeden, 1841 **Jeff Herman's Guide to Book Publishers, Editors and Literary Agents**
