Christianity True? Jonathan Menn, 2024-10-29 Is Christianity True is an excellent resource for twenty first century Christians and non Christians who want to investigate the truth claims of Christianity This book tackles the most important issues in a clear and compelling way Part 1 looks at the trustworthiness of the Bible and at Jesus Christ who claimed to be God incarnate He verified his claim by his fulfillment of prophecy and his resurrection from the dead Part 2 shows that the great alternative to Christianity the belief that there is no God or supernatural realm and that the universe and all that exists do so simply by natural forces not only is false but is impossible Part 3 deals with perhaps the greatest challenge to Christianity the problem of evil i e if God is all knowing all powerful and all good then why is there so much evil in the world The book does not shy away from discussing up to date scientific knowledge and shows how this knowledge actually confirms the claims of Christianity This book is a clear yet challenging explanation of the biblical historical philosophical and scientific evidence which shows that indeed Christianity is true *Why Everything That Doesn't Matter, Matters So Much* Andi

Ashworth, Charlie Peacock, 2024-03-12 A hopeful and practical model for what it means to be a Christian and a culture maker in a world of hurt and wondrous possibility from multi Grammy winner Charlie Peacock and his wife and author Andi Ashworth Do you feel powerless and overwhelmed by the pain and suffering all around you Have you ever asked What can I do to mend the world my family or my own life And if I could why bother Does my own small part even matter If so here comes hope from two guides who are further down the road Charlie and Andi have written a collection of letters to Christians and spiritual seekers who think deeply and care acutely about the state of the world and their personal spheres of influence

In *Why Everything That Doesn't Matter Matters* So Much beloved and trusted mentors Charlie and Andi offer you thought provoking explorations into the many facets of Christian culture care and making from the kitchen to Carnegie Hall Practical guidance for how to care for and improve the quality of human life locally and globally no matter your vocation A theology of imagination and creativity that provides a framework for all of life A model for expressing love in marriage friendship citizenship and every kind of work even in the midst of cynicism fear exhaustion and oppression It might be said of Christians that our lives are either moving in the direction of the redemption Jesus has on offer or away from it Each of these letters is a gentle nudge in the direction of God's powerfully ordinary purpose for each of us no matter what the future holds to participate fully in the beautiful redemptive work of Christ

Why Do Bad Things Happen If God Is Good? Rhodes, Ron, 2004 When a cross section of Americans was asked If you could ask God one question and knew He would give you an answer what would you ask the top response was Why is there so much pain and suffering in the world Bible scholar speaker and author Ron Rhodes addresses this issue with the heart of a pastor and the mind of an apologist Debunking non Christian responses to the problem of pain Ron explores the unshakable biblical truths that provide a strong foundation in stormy times Believers who need a tonic for their faith caregivers who support people in pain and seekers who are wrestling with the philosophical problem of evil will find helpful answers in this encouraging and enlightening discussion

Why I Believe Chip Ingram, 2017-10-03 In our post Christian pluralistic society responding to the perception that Christians are prejudiced anti intellectual and bigoted has become a greater challenge than ever before The result is often intimidation withdrawal and even doubts among God's people about what we really believe Bestselling author and teaching pastor at Living on the Edge Chip Ingram wants to change that In *Why I Believe* he gives compelling answers to questions about the resurrection of Christ the evidence of an afterlife the accuracy and intellectual feasibility of the Bible the debate between creation and evolution the historicity of Jesus and more The solid biblical logical answers he shares will satisfy the honest doubts that every believer experiences now and then and will provide practical thoughtful answers that can be shared with family and friends This is the perfect resource for churches small groups and individuals who long not only to really know what and why they believe but also to be equipped to explain the intellectual justification for their faith in everyday language

A Zeal for God Not According to Knowledge Eric Snow, 2005-03 Are the Jewish arguments against belief in Jesus as mankind's Savior any good Is Jesus Christ the promised Messiah of the Old Testament's prophecies Is Christianity derived from ancient Roman or Greek pagan mystery religions Is the New Testament historically reliable Was Jesus of Nazareth God according to the New Testament Did Gnosticism influence Christianity Since some 185 000 Americans have converted to Judaism according to a 1990 survey the arguments of such groups as Jews for Judaism against Christianity can't be dismissed lightly Using solid scholarship and rigorous logic *A Zeal For God Not According to Knowledge* defends Christianity against the arguments of its Jewish critics such as Samuel Levine Michael Drazin Tovia Singer and Hyam Maccoby This book demonstrates that the New

Testament is historically reliable denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices shows that Jesus of Nazareth was the promised Messiah based on the Old Testament's prophecies and proves that the New Testament teaches the Deity of Christ This book is intended for both Christians perplexed by the arguments of Jewish friends coworkers and relatives and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also **Why I Believed** Kenneth W. Christianity Considered John M. Frame,2018-05-16 Christianity is more than a religion it is also a complex intellectual tradition Christians and non Christians who want to understand the world as it is today have to understand Christianity too Christianity makes objective claims but also presents a new way of thinking about the world In A Guide to Christianity for Skeptics and Seekers renowned theologian Dr John Frame introduces the reader to the Christian religion and its unique intellectual framework describing the key pillars of Christian thought and how these shape the Christian worldview Covering a range of topics from the resurrection to the Christian posture toward politics A Guide to Christianity for Skeptics and Seekers is a valuable guide to understanding the Christian faith as an intellectual tradition Useful for both the Christian

reader looking for a better understanding of the faith and the skeptical reader who seeks to understand the intellectual tradition that has done much to shape the modern world *Thoughts to Enlighten and Empower the Mind* Errol A. Gibbs, Philip A. Grey, 2011-06-16 *Thoughts to Enlighten and Empower the Mind* is a compilation of two thousand and one questions and philosophical thoughts extracted from the authors seminal work *Five Foundations of Human Development*. These thoughts follow the same chronology of information that helps to promote fulfilling lives through human development from spiritual moral social intellectual and physical perspectives. The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow our thoughts to permeate our minds with hope and optimism for the future of humanity. Gibbs and Grey support the premise put forward by many great writers who contend that our thoughts determine happiness and effectiveness in life. Our thoughts and our emotions have a great influence on our carnal impulses and desires. We nurture good and bad thoughts and human effort alone is insufficient to properly manage them. Negative thoughts establish barriers to communications and harmonious living. Positive thoughts radiate harmony among individuals and nations. More importantly those in positions of great power who lead humanity must by their thoughts help to create a better world or inadvertently plunge humanity into great chaos as has been recorded in six thousand years of human history. Only a mind that is free of unhealthy thoughts transcends a life of fulfillment. Positive thoughts permeate our beings and open up new frontiers of positive leadership for the modern age. The global significance of this book is that it informs a more communal view of our world by virtue of the conditioning of our thoughts. It will help inform enlighten and empower the minds of leaders to embrace every field of endeavor including engineering science religion politics the military and the environment. This will be accomplished with the most vital creative and positive thoughts that rise to a high level of responsibility for the betterment of all humanity.

Skepticism in the Modern Age, 2009-08-31 Since the publication of the first edition of Richard Popkin's classic *The History of Scepticism* in 1960 skepticism has been increasingly recognized as a major force in the development of early modern philosophy. This book provides a review of current scholarship and significant updated research on some of the main thinkers and issues related to the reappraisal of ancient skepticism in the modern age. Special attention is given to the nature importance and relation to religion of Montaigne's and Hume's skepticisms to the various skeptical and non skeptical sources of Cartesian doubt to the skeptical and anti skeptical impact of Cartesianism in the seventeenth and eighteenth centuries and to philosophers who dealt with skeptical issues in the development of their own various intellectual interests.

The Debaters of This Age Steven H Propp, 2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel. They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference. Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to

Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time
