Rebbe The Meibiah And The Scandal Of Orthodox Indifference:

The Rebbe, the Messiah, and the Scandal of Orthodox Indifference David Berger, 2008-03-01 This book is a history an indictment a lament and an appeal focusing on the messianic trend in Lubavitch hasidism It records the shattering of one of Judaism s core beliefs and the remarkable equanimity with which the standard bearers of Orthodoxy have allowed it to happen This is a development of striking importance for the history of religions and it is an earthquake in the history of Judaism David Berger describes the unfolding of this historic phenomenon and proposes a strategy to contain it **The**

Rebbe, the Messiah, and the Scandal of Orthodox Indifference David Berger, 2021 The focus of this text is the messianic trend in Lubavitch hasidism It demonstrates how hasidim who affirm the dead Rebbe s messiahship have abandoned one of Judaism s core beliefs in favour of adherence to the doctrine of a second coming At the same time it decries the equanimity with which the standard bearers of Orthodoxy have granted legitimacy to this development by continuing to recognize such believers as Orthodox Jews in good standing This abandonment of the age old Jewish resistance to a quintessentially Christian belief is a development of striking importance for the history of religions and an earthquake in the history of Judaism The book chronicles the unfolding of this development **The Visual Culture of Chabad** Maya

Balakirsky Katz, 2010-10-11 This book is the first full length study of a complex visual tradition associated with the Hasidic movement of Chabad **Menachem Mendel Schneerson** Source Wikipedia, 2013-09 Please note that the content of this

composing a work of concise information about aspects of Judaism unbeknownst to most and intriguing to all Rabbi Gershon Winkler author of *Magic of the Ordinary Recovering the Shamanic in Judaism* **Answering Jewish Objections to Jesus : Volume 3** Michael L. Brown, 2003-03-01 The Torah doesn't speak of Jesus at all You're completely misinterpreting Isaiah This verse has absolutely nothing to do with your Jesus It's not even a messianic prophecy As for the real messianic prophecies Jesus fulfilled none of them These are some objections raised by Jews regarding Jesus as the Messiah Using the Hebrew Bible rabbinic texts and the New Testament Dr Michael Brown provides thorough answers to nearly forty such objections This third installment of *Answering Jewish Objections to Jesus* looks specifically at questions raised about messianic prophecies in Isaiah Daniel Psalms Haggai and Zechariah It's an invaluable resource for seekers and for anyone wanting to point students of the Torah to Jesus Jewish Scholarship on the Resurrection of Jesus David Mishkin, 2017-09-07 The Jewish study of Jesus has made enormous strides within the last two hundred years Virtually every aspect of the life of Jesus and related themes have been analyzed and discussed Jesus has been reclaimed as a fellow Jew by many although what this actually means remains a matter for discussion Ironically the one event in the life of Jesus that has received significantly less attention is the one that the New Testament proclaims as the most important of all his resurrection from the dead This book is the first attempt to document Jewish views of the resurrection of Jesus in history and modern scholarship *Must a Jew Believe Anything?* Menachem Kellner, 2022-03-09 The crucial question for today's Jewish world Kellner argues is not whether Jews will have Jewish grandchildren but how many different sorts of mutually exclusive Judaisms those grandchildren will face This accessible book examines how the split that threatens the Jewish future can be avoided For this second edition the author has added a substantial Afterword reviewing his thinking on the subject and addressing the reactions to the original edition *A Sense of Presence* Stephen H. Smith, 2016-09-15 Divided into five parts *A Sense of Presence* explores the central thesis that the resurrection of Jesus could be explained as a psychological event involving one hallucination possibly occurring to Peter and a hysterical reaction by colleagues which convinced them that Jesus had appeared to them too This approach is justified by showing that claims made by often impressionable people to have witnessed supernatural events in more recent times such as visions of the Virgin Mary or weeping statues have usually attracted a similar hysterical reaction involving large numbers Some of these reactions take hold sufficiently strongly to facilitate the development of new sects or movements which persist even when their credibility is challenged The remaining four parts set this thesis in context Part 1 shows that resurrection was already a widely accepted concept in the socio cultural world in which Jesus was born Part 2 deals with the New Testament accounts of the resurrection showing that they are often contradictory Part 4 presents and discusses the philosophical problems involved in a psycho physical person rising from the dead while Part 5 looks at the historical and theological issues associated with such an event The argument presented is not intended to be dogmatic but simply seeks to show that naturalistic alternative explanations to the one generally accepted by

believers should be given far more attention than they usually receive A Sense of Presence invites readers to challenge the status quo and will appeal to those wishing to challenge generally accepted Christian views *Encyclopedia of Modern Jewish Culture* Glenda Abramson,2004-03-01 The Encyclopedia of Modern Jewish Culture is an extensively updated revision of the very successful Companion to Jewish Culture published in 1989 and has now been updated throughout Experts from all over the world contribute entries ranging from 200 to 1000 words broadly covering the humanities arts social sciences sport and popular culture and 5000 word essays contextualize the shorter entries and provide overviews to aspects of culture in the Jewish world Ideal for student and general readers the articles and biographies have been written by scholars and academics musicians artists and writers and the book now contains up to date bibliographies suggestions for further reading comprehensive cross referencing and a full index This is a resource no student of Jewish history will want to go without

Baskin,Kenneth Seeskin,2010-07-12 This book provides a comprehensive and accessible overview of the Jewish experience from its ancient origins to its impact on contemporary popular culture Historical Dictionary of Judaism Norman Solomon,2024-10-15 What we now call Judaism is the religion of the rabbis it is rooted in scripture the Hebrew Scriptures but it is not to be identified with Old Testament theology Judaism in its many manifestations has continued to evolve rereading its ancient texts and extracting new meaning while addressing contemporary issues such as the status of women and attitudes to sexual orientation History or rather our perception of it has changed substantially Previously unknown documents and artefacts have surfaced while scholars have proposed far reaching changes to the way we read and evaluate ancient texts Nowadays we have a more nuanced understanding of how to evaluate statements in the Talmud and other rabbinic writings and we are better able to contextualize them not only in Greco Roman antiquity but also in the Sasanian environment in which the Babylonian Talmud was formed Historical Dictionary of Judaism Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries on on important personalities in Jewish religious history including biblical personalities with an emphasis on how they are understood in Jewish Christian and Islamic tradition This book is an excellent access point for students researchers and anyone wanting to know more about Judaism
