**The Complete Story of Civilization** Will Durant, 2014-01-21 The Complete Story of Civilization by Will Durant represents the most comprehensive attempt in our times to embrace the vast panorama of man's history and culture This eleven volume set includes Volume One Our Oriental Heritage Volume Two The Life of Greece Volume Three Caesar and Christ Volume Four The Age of Faith Volume Five The Renaissance Volume Six The Reformation Volume Seven The Age of Reason Begins Volume Eight The Age of Louis XIV Volume Nine The Age of Voltaire Volume Ten Rousseau and Revolution Volume Eleven The Age of Napoleon **Military Record of Civilian Appointments in the United States Army** Guy Vernor Henry, 1869 *Andersonvilles of the North* James Massie Gillispie, 2008 Andersonvilles of the North by James M Gillispie represents the first broad study to argue that the image of Union prison officials as negligent and cruel to Confederate prisoners is severely flawed This study is not an attempt to whitewash Union prison policies or make light of Confederate prisoner mortality But once the careful reader disregards unreliable postwar polemics and focuses exclusively on the more reliable wartime records and documents from both Northern and Southern sources then a much different less negative picture of Northern prison life emerges While life in Northern prisons was difficult and potentially deadly no evidence exists of a conspiracy to neglect or mistreat Southern captives Confederate prisoners suffering and death were due to a number of factors but it would seem that Yankee apathy and malice were rarely among them **BOOK JACKET**

Sperry, 1999-01-01 As the regiment s fife and drum major responsible for sounding the duty calls that regulated a soldier s day Sperry was well situated to observe the inner workings of his unit His perceptive narrative of army life on the march and in camp captures the courage humor and sufferings of the rank and file Although he took pride in his regiment s accomplishments he unflinchingly reveals the hard side of war with vivid depictions of looting resistance to orders and extermination of Confederate guerrillas Sperry s memoir is made more valuable by the new introduction and detailed notes from the editors Their meticulous annotations include quotes from the diaries letters and reminiscences of other soldiers adding depth and detail to the account Jacket *Bibliographic Index*, 2002 The Best
