Beating the Dharma Drum Sangharakshita, 2023-08-16 The first part of this volume consists of Sangharakshita's writings about Anagarika Dharmapala, a Sri Lankan Buddhist who made it his life's mission to restore the sacred site of Bodhi Gaya and whom Sangharakshita came to revere as one of the great Buddhists of the twentieth century. The second part is made up of articles Sangharakshita wrote for the *Maha Bodhi* journal, first as a regular contributor and then as the editor. They include poetic and philosophical reflections on the Dharma as well as trenchant observations on the Buddhist world and calls to action on the issues of the day. The third part is a collection of book reviews published in the *Maha Bodhi* journal and other magazines over the course of nearly fifty years, from the days when the appearance of any new translation or commentary was a significant event to more recent times when readers could choose between hundreds of new titles.

Western Buddhist Feminists' Contribution to Christian Theology Dong Jin Kim, 2022-12-06 This book discusses gender injustice and justice in religious institutions and spiritual life. Fixed as a gender, God/Goddess leads those who have the same gender to subordinate anyone who differs. In this sense, the patriarchal and androcentric system has caused many religious women to lose their spiritual and faithful equality and identities in a church. This book details how Western Buddhist feminists find that, after recuperating women's equivalent rights and identities, both religious men and women need to meditate to achieve the emptiness of gender, ego, gender privilege, and prejudice, which then leads to awakening and enlightenment from ignorance. To apply such skills in Christian theology, gender justice comes from spiritual equality and courage, awakening and repentance in their contemplative and meditative lives. This book suggests that for women's spiritual and real liberation and happiness, both inner trainings and external social actions have to go together.

Introducing the Friends of the Western Buddhist Order Vishvapani, 2001 A woman meditates with friends in their residential community in London. An Indian Buddhist teaches meditation to hundreds of people in the crowded corridor of a Bombay slum. An artist struggles to create his latest Buddha statue, combining Greek forms with traditional ones. In a remote Spanish valley, a man follows a simple life of renunciation. These are all images of people who follow the Buddha's teachings within the Friends of the Western Buddhist Order and the Western Buddhist Order. The FWBO is a worldwide Buddhist movement that provides a modern context for practising Buddhism. This is a clear introduction to the practices, ideas, and significance of this growing Buddhist movement.
