Receiving Answers To Our Prayers:

Receiving Answers to Our Prayers Gene R. Cook, 1996 *Keys to Answered Prayers* Jemima Alara, 2014-08-15 Prayer is a two way communication between man and God Christians commune with God through Prayer but most Christians complain that they don't receive answers to their prayers The KEY TO ANSWERED PRAYERS is very simple and it has only one name it is called COMMUNICATION It is not your length of prayers that matters what matters is are you communicating Imagine picking up your cell phone to make a call the only way for you to be able to communicate with the person on the other side is to ensure that you have a dialing tone and that there is a communication link available to signify you have access to the receiver without these in place you can't communicate nor even get a response In this book you will learn the art of effective communication the proper channel to link heaven directly and get rapid answers to your prayers You will also learn how to walk under an open heavens every second every minute every hour 24 hours a day 365 days a year and continually till Jesus comes **CONDITIONS FOR ANSWERED PRAYERS** GODSWORD GODSWILL ONU, 2015-03-31 God wants to answer our prayers because He loves us and wants to bless us and meet us at the points of our needs And He says Ask and it will be given to you seek and you will find knock and it will be opened to you For everyone who asks receives and he who seeks finds and to him who knocks it will be opened Matt 7 7 8 But are there some things which are required from us in order to have our prayers answered and our requests met We will see the answer to this question in this book *GETTING RESULTS IN PRAYER* ISAIAH MACWEALTH, The confidence that we have in prayer is hinged on the Word of God and the infallibility of His person And this is the confidence that we have in him that if we ask any thing according to his will he heareth us And if we know that he hear us whatsoever we ask we know that we have the petitions that we desired of him 1 John 5 14 15 However many times we do not get answers when we pray even though we may have followed the rules that guide prayer This is a cause for concern for many believers around the world If God is ready to hear us and grant the petitions we desire of Him then what may be the cause of unanswered prayers In this book we will be studying factors that may hinder us in prayers These are factors like guilt unbelief doubt offence sin and asking amiss We will also consider how to get results in prayers **God Invites You to Enjoy the Pleasure of His Company** Judy Warpole, 2013-07 Need a break You're invited to Come with me Jesus said to a quiet place and get some rest Will you accept His invitation *Developing A Powerful Praying Church* Richard Blackaby, Rick Fisher, 2017-08-14 Today's Church faces challenges and crises it can only overcome through prayer In their latest book *Developing a Powerful Praying Church* Richard Blackaby and Rick Fisher focus on the adjustments pastors and church leaders must make in their prayer life in order to see a rebirth of God honoring world impacting churches across our nation **A Study of: The Book of Matthew** Frank Abrahamsen, 2019-02-04 This study will not concentrate on disputable theories rather it will present the history of the author and a commentary on the Book of Matthew God's Word is alive and it is all we need to understand His Word for the Word explains itself There is no great mystery to the scriptures

they are for all to acknowledge and understand by the Holy Spirit *Living The Prayer Fulfilled Life Devotional* Earma Brown, 2016-06-30 Earma Brown twelve book Christian author of the companion devotional to *Living The Prayer Fulfilled Life* reaffirms that Father God searches all over the world to find those who are committed to him to show himself strong on their behalf Each devotional is written to help you explore ways you can get answers to your prayers yourself then teach this inspiring message of Christ to a small group and become a blessing to the Body of Christ Filled with interesting insights and thought provoking statements this devotional helps you receive long awaited answers to your prayers develop an intimate relationship with Father God like never before Inside this book you will discover how to Learn and practice the seven principles of sowing and reaping leave these out of your prayer life and it could be even longer before you get answers Use Earma's Seven P Analogy and resolve the famous question Is There Anything Too Hard For The Lord with your own answered prayers Unveil the mystery of receiving answered prayer with Jesus Seed And Sower Story settle this and doubt disappears Inherit the promises of God with faith and the little thought of virtue With this knowledge you can banish faith failures forever Enjoy the LTPFL Prayer Toolkit How To MEDITATE The Names Of God Study Guide 40 Personalized Prayer Scriptures to strengthen your faith in God and receive even more answered prayers Put these principles to practice and the book *Living The Prayer Fulfilled Life Devotional* is sure to become a resource you and your family will refer time and time again filled with practical ways to empower you in hearing God for yourself your family and your world *Prevailing Prayer Lifestyle* Ovo Imoedemhe, 2019-03-13 *Prevailing Prayer Lifestyle* is a great addition to the volume of literature about prayer Quite honestly and arguably believers pray There seems to be no other time that believers have prayed more than in this generation yet the Lord is calling for more prayers This addition essentially encourages believers worldwide to continue to enforce God's will and superimpose his original intent for creation Accordingly rather than being reactionary in prayer i.e. being prompted to pray when unsavory situations occur and rather than being provoked to anger by obnoxious laws believers should engage the seven P words to prioritise the place of prayer take the appropriate posture be precise be purposeful be persistent and be proportionate in prayers While the proof of prayer may be in the answers and the physical manifestations of the things we pray about *Prevailing Prayer Lifestyle* is a continuum ad infinitum PRAYER STUDY COURSE SERIES ISIAH MACWEALTH, For hundreds of years the subject of prayer has been one with divergent views opinions and ideologies one that has engendered great dissention in the body of Christ with respect to its methodology and practices However what cannot be denied is the timeless passion and ageless desire in every man to communicate with a higher power and to initiate changes in every area of life This desire in man can be expressed in and through prayer but what is prayer Is prayer just talking to God as popularly defined If prayer is simply talking to God what would we call casting out devils and binding Satan Despite the fact that many people seem to pray why are so few getting the results Are there principles or rules that guide prayer Are there factors that hinder effectivity in it This book does not only seek to answer these questions above

but to introduce new concepts in prayer that will create new prayer experiences It also seeks to explore the concept of prayer with the intention to break previous erroneously established boundaries that hinder its effectiveness and to equip the end time believer with the necessary understanding and light required for an effective prayer life and to ultimately equip the church in enforcing its rights and privileges in the place of prayer My heart desire for you as you read this book is that a fresh understanding and passion for prayer will be birthed in your spirit and that you will take your place in prayer for the body of Christ thus fulfilling the ministry of our Lord Jesus Christ on the earth Amen Simple Thoughts on Prayer Dana L. Goodnough,2025-05-27 Prayer is at once both the simplest and the most difficult discipline of the Christian life Its simplicity is evident in its basic expression talking to God Its difficulty lies in the reality that prayer is at the heart of the spiritual battle within our souls the surrender of our will and ways to that of God These Simple Thoughts on Prayer lean into both aspects of prayer with a focus on inviting God s people to make prayer a personal powerful habit in their daily lives **Praying Scriptural Wonder Working Prayers** Kehinde Adelusi,2024-01-31 Praying Scriptural Wonder Working Prayers is an invitation for believers to cultivate a vibrant viable and intimate relationship with God in prayer Prayer is a spiritual exercise that helps sharpen our spiritual antennae The situation of the world today calls for urgency in prayers I believe it is better to learn to pray today than to earn degrees because prayers help in all faculties of life Believers cannot achieve good success without a robust prayer life All believers should be involved in prayers if we are to reign as priests and kings on Earth God is very passionate about praying for people and to live a victorious Christian life in this present world believers are enjoined to watch and pray over all facets of their lives The book encourages believers to commit varying issues of life from personal consecration marriage family depressive thoughts health economic recession wealth creation spiritual warfare and divine calling to the end time reawakening of the nations of the world by spending time in fervent prayers with God as Elijah did in Bible times It is time to take the battle to the gate on our knees **Are You Ready?** Marcia R. Stewart,2018-07-13 Calling All Christians Are you ready for the end times So who are you really in Christ Do you understand what it means to be a Christian in these last days What it could cost you These are the questions that we as believer s might be afraid to truly answer If you are the least bit unsure this book is here to dare you to open your eyes to whom you should be in Christ You will need unshakeable faith against the onslaught of hell coming against the earth in short order I Pray that you allow the Holy Spirit to search your heart and show you the things you need to change so that you can boldly walk into everlasting life and help others do the same in the days ahead Will you take this journey with me to see eternity formed in you Let us walk it together and see what the Lord has in store for all who love him For God is working in you giving you the desire and power to do what pleases him Phil 2 13 NLT God is waiting Are you coming *Growing in Prayer* Mike Bickle,2014 Prayer is a high calling and an amazing privilege and being a person of prayer is one of the most important callings in your life Just think about this for a moment We can talk with the God of the universe And we can know that not only does He listen attentively

and with great affection but also He responds by revealing His heart giving us direction blessing our circumstances releasing justice and much more *Perfect Guide for Effective Extraordinary Life* Pe Mbah Ukagwu Jr, 2019-10-15 Lots of people claim to be Christians but few practice what Christianity demands the pages of this book make the path of least resistance to define who is a Christian The Christian life is an extraordinary lifestyle which denotes that Christians are not supposed to live unchecked or freely like every other person In our world where every individual is the master of his life and morality and spirituality streaming to the drain without temerity left with Christianity to bring back weak Christians to its fold this book gives guidelines on how Christians should contain themselves It also plays up the cheap grace myriad of Christians lean upon for their salvation and what true repentance means to the Christian faith It also exposes the underlying greed behind the preaching of tithing and also the people that merit the spiritual right to receive tithes How to Pray Morris
