Presence J. Alexander Sider, Isaac S. Villegas, 2011-06-17 As God's eternal life flows through us we learn to let go of our pretensions of control and rest into the new life offered in Jesus Christ This book is an invitation for you to become nonresistant to this movement of God's love for you and the world Through a variety of sermons and meditations Sider and Villegas bear witness to a grace that disarms our guardedness and makes room for us to fall into the love of God Preaching becomes a dispossessive practice as each person is invited to give and receive God's transforming power The proclamation of the gospel Villegas and Sider say should display the priesthood of all believers Thus the call to preach belongs to the whole congregation and its conversation rather than to the lone preacher and her or his sermon Presence Giving and Receiving God draws on the Mennonite tradition of the Zeugnis conversation to explore how the preached Word echoes through all of our voices

Gundry,2000-05 This monumental work presents a careful well argued alternative reading of the Greek text of Mark a reading that pays special attention to such literary devices as word order chiasm inclusio asyndeton and the historical present tense Driving the commentary is Gundry s provocative seldom defended thesis that Mark s Gospel constitutes a straightforward apology for the shameful manner of Jesus death as such Mark is essentially an evangelistic tract rather than an obliquely written handbook of Christian discipleship and church life Sure to become recognized as the heavyweight English commentary on the Gospel of Mark This massive commentary rich with exegetical detail and critical assessment of the secondary literature makes an important contribution not only to Markan research but also to the study of the historical Jesus Christian Scholars Review The Sermon Bible: Matthew xxii to Mark xvi ,1891 *Get off the Fence* Dr. Craig D. Kellogg,2023-10-17 Get off the Fence is a gripping book that will inspire a heart of surrender to Christ encourage a perspective to receive all God has for your life heighten awareness of some of the enemy s favorite hidden and devious forms of attack and challenge a personal self reflection Part One examines our roots and upbringing with the direction to use these roots as an influence rather than defining how we live our lives This section also discusses the enemy s deception and how without acknowledgment we can be lured by his deceptive tactics Part two is the preparation journey toward complete surrender to Christ the exploration of hidden tactics such as pride shame and selfishness and how these elements can block God s purpose for our lives This part also talks about our longest journey the 18 inches between our heart and mind and how we can eliminate the travel time of this journey Finally part three focuses on a spirit of surrender with a post surrender focus on receiving from God God changes our perspectives not our situations and when we have a heart fully surrendered to God our view of receiving all God has for our lives will wash all of our shame pride and selfishness away and line our hearts and mind toward God and His purpose for our lives Get Off the Fence is gripping and will have you laughing crying and praying
