Riding the Wave Inside Out Anita Allison,2006-09 Life is a complicated process It begins with having to completely rely on and trust in another s beliefs ideas and decisions By the time we first wonder for ourselves we may find that we are already bound by someone else s expectations desires and dreams which in itself may lead us to live lives of compromise and unfulfilled hopes The lives we live the roads we travel and the way our paths unfold are for us to shape and direct in our experiences and in the dreams we choose to pursue Author Anita Allison offers insight and support through the teachings in riding the wave inside out to help us realize what we need to understand and do to ensure that the paths we choose and the choices we make will enable us to create the best life possible The ideas and thoughts she shares in riding the wave inside out serve as reminders of all the simple truths in life These concepts act as guides to living in the moment with joy appreciation and a sound purpose **Riding the Wave of the Sting of Infidelity in a Marriage** Dr Anniekie

Ravhudzulo,2012-01-23 Marriage is under tremendous assault as never before Will marriage survive Can it survive Infi delity is exploding but why In most cultures infi delity has become a major part of entertainment We all see it in popular television programs and movies Infi delity to some is enjoyment and pleasure Some men think if they are not slipping and cheating they

are not being real men Some individuals grew up in environments where cheating is a way of life Some women think life is boring without the excitement of an outside affair In spite of the reasons God to His creation says No to infidelity Become the good husband or wife you would like your spouse to be Life has taught me that men and women get involved in an extramarital affair for many different reasons Sometimes when you are unsatisfied with your relationship you start to think What is available out there In a way it is an escape people feel like they want to be out from the burden in their marriages Grass is greener on the other side and so it seems I have seen many starting to flirt with others innocently at first They start to THINK of what if situations such as what if I'm married to this friend of mine Many people forget that slowly they bring themselves into an extramarital affair and become trapped to another crisis Let me remind you that trust is like a balloon One pricks it is gone The fear of broken promises cheating or betrayal can reduce the quality of your marriage Marriage is a challenging enterprise that requires hard work determination and discipline Creating a strong and satisfying marriage is possible and it is definitely worth the effort Recovery after infidelity is not an easy path but if others could pull through so can you
