## **Riding Into Glory:**

*A Ride in Egypt* William John Loftie, 2017 Mr Loftie's very pleasant book relates strictly speaking to an excursion from Siout to Luxor undertaken by the author and three friends in 1879 but it includes as well some entertaining notes en route from England to the East and a number of instructive chapters on Cairo and its environs The Ride proper which was taken mostly on donkey back conducted the party a little aside from the hackneyed track and to some of the less well known points of archaeological interest notably to the ruins of This or Thinis claimed by modern Egyptologists as the cradle of ancient monarchy Nothing fresher or more entertaining on the subject of Egypt has appeared for a long time back than this well considered volume Mr Loftie gives us much that is curious as well as entertaining with regard to antiquities history and the humors of the road and makes a little gentle fun of the school headed by Mr Piazza Smith which professes to have discovered so much of the secret of the great Pyramid and he deserves special credit for his forcible and manly exposure of the misdoings and misgovernment of the Khedive who was at that time still the shielded pet of English stockholders and of the terrible results of his mal administration as evidenced by the Fellah famine

**The Sola Scriptura Challenge** Brian E. Barnes, 2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the

original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church

**Angels And Demons** John D Schuetze,1997-07-01 Do angels and demons exist There are so many movies books and TV shows about demons and evil spirits It s hard not to think that they re just myths fables and fairy tales As Christians we know that angels and demons are real not from firsthand accounts but because God tells us about them in the Bible Witness the conflict that s been a part of the universe since creation itself It s a classic battle of good versus evil in which Jesus comes in humility but leaves in glory Through Angels and Demons you will learn more about the occult spiritism demon possession and Satanism as well as some of the dangerous games people play with the devil and how you can avoid those pitfalls The People s Bible Teachings is a series of books on all the main teachings of the Bible Following the pattern set by The People s Bible series these books are written for all Christians in an easy to read manner The authors of The People s Bible are all pastors and professors who have had years of experience teaching others about the Bible

Beck,2013-09-15 The authors of the Bible routinely employed mention of manners and customs from the ancient world in their inspired writing fully intending that the Lord would change readers with these images But modern readers often miss the full literal and figurative meaning of biblical imagery due to the distance in time and experience between the world of today and the world of the Bible This fully illustrated guide aims to restore clarity and vitality to these portions of God s Word in order to help readers grasp the full meaning of Scripture For example the entry on anointing defines the nature of this act and the connotations associated with it before illustrating how the biblical authors use the act of anointing in their communication with us communication that reaches its full maturity in Jesus the Anointed One Understanding manners and customs like anointing enriches our experience of reading the Bible and even helps us correctly interpret it This colorful guide clearly and succinctly introduces modern readers to daily life in Bible times The cultural practices of the past are fascinating on their own but even more so as they help us grasp the full meaning of Scripture      Unity Pulpit, Boston Minot Judson Savage,1892      Exalting Jesus in Mark Dr. Daniel L. Akin,2014-06-01 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition Exalting Jesus in Mark is written by Daniel L Akin      The Mahabharata of Vyasa Dwaipayana Vyasa,2021-08-24 The Mahabharata What is found here may be found elsewhere What is not found here will not be found elsewhere The ancient story of the Mahabharata casts the readers mind across spiritual and terrestrial vistas and battlefields Through the experiences of divine incarnations and manifest demons a great royal dynasty is fractured along fraternal lines resulting in the greatest war of good and evil ever fought in ancient lands This most venerable of epics remains profoundly timeless in its teachings of truth righteousness and liberation This electronic edition of the Mahabharata is Kisari Mohan Ganguli s 1896 translation and is complete with all 18 parvas in a single ebook Like other ebook conversions the text has been sourced but this edition has had additional proofing and a significant number of corrections and rectification of missing or misordered text The Mahabharata is one of the two major Sanskrit epics of ancient India It is an epic narrative of the Kurukshetra War and the fates of the Kauravas and the Pandava princes as well as containing philosophical and devotional material such as a discussion of the four goals of life Here we have Adi Parva the first discusses how the Mahabharata came to be narrated by Sauti to the assembled rishis at Naimisharanya after having been recited at the Sarpasatra of Janamejaya by Vaishampayana at Tak a il It tells the history of the Bharata
