Riding The Waves Lake Michigan Cowboy:

Lake Michigan Triangle, The: Mysterious Disappearances and Haunting Tales Gayle Soucek, 2022 What disturbing secrets surround the cold deep waters of Lake Michigan Sudden violent storms and rocky shoals have claimed the lives of countless mortals foolish enough to brave the treacherous surf of Lake Michigan But is there another unnatural force at work A force that spirited away a ship s captain from a locked cabin without a trace A force that caused a perfectly

airworthy jet to fly into the waves taking all its passengers to a watery death Perhaps these tragedies are linked to numerous UFO sightings over the lake Or perhaps a clue might be found in the prehistoric Stonehenge like structures discovered deep beneath the crystalline blue surface Historian and storyteller Gayle Soucek will explore the mysteries behind the area known as the Lake Michigan Triangle **Guidebook of the Western United States** Geological Survey (U.S.), Marius Robinson Campbell, 1922 *Guidebook of the Western United States* Heinrich Ries, Marius Robinson Campbell, William Shirley Bayley, 1922 **Some Like It Cold** William Povletich, 2016-04-17 Some Like It Cold chronicles the true story of twin brothers Lee and Larry Williams whose love of surfing evolved in the most unlikely of geographies off the shores of Lake Michigan From their boyhood home in Sheboygan Wisconsin the brothers trekked to the local beach with their longboards and their dreams to master the waves at spots like the Elbow and the Cove The next six decades proved that their zeal for catching grinders and barrels was much more than a hobby Surfing in the cold had its challenges and Lee and Larry recall stories of freak storms ice encrusted beaches and near drownings along with the usual hypothermia helped but not cured by their customized cold water wetsuits Despite living nearly 2 000 miles from either coast Lee and Larry have made a lifestyle out of freshwater surfing recreating their hometown as The Malibu of the Midwest and gaining international fame as hosts of the Dairyland Surf Classic With humor and wit author William Povletich brings their tale of revolutionizing surf culture to the page **Report on the Water Levels of the Great Lakes** United States.
