Making the Renaissance Man explores the images objects and experiences that fashioned men and masculinity in the courts of fifteenth century Italy Across the peninsula Italian princes fought each other in fierce battles and spectacular jousts seduced mistresses flaunted splendor in lavish rituals of knighting and demonstrated prowess through the hunt all ostentatious performances of masculinity and the drive to rule Hardly frivolous pastimes these activities were essential displays of privilege and virility indeed violence underlay the cultural veneer of the Italian Renaissance Timothy McCall investigates representations and ideals of manhood in this time and provides a historically grounded and gorgeously illustrated account of how male identity and sexuality proclaimed power during a century crucial to the formation of Early Modern Europe [Scarlet Tides](#) David Hair,2014-10-07 Return to Urte a land in chaos where the smallest choice may save or damn the world The Moontide has come and a scarlet tide of Rondian legions is flooding into the East slaughtering and pillaging in the name of Emperor Constant But the Scytale of Corineus the source of ultimate magical power has slipped through the emperor s fingers His ruthless inquisitors are desperately seeking the artefact before it falls into the hands of those who would bring him down But there are some who have pledged to end the cycle of war and restore peace to Urte They are the unlikeliest of heroes a failed mage a gypsy and a lowly market girl As East and West clash more violently than ever before the people of Urte will discover that love loyalty and truth can be forged into weapons as deadly as swords and magic [Proceedings of the 4th International Conference on Linguistics and Culture \(ICLC-4 2023\)](#) Muhammad

The Magi's Gift of Gold Charles A. Sennewald, 2019-05-14 Mr Sennewald's first book was a fictional novel about foreign cars namely a Volkswagen He was offered a story line buyout because a producer wanted the story for a motion picture Sennewald declined the generous offer For years friends family and colleagues have talked about the story with its totally surprising ending and have complained about his failure to write more fictional works The real demand for his work has been in writing textbooks on management consulting shoplifting and criminal investigations To satisfy the complainants he's been writing short stories that are fun to read and invariably have surprising and or unexpected endings This book is a collection of those great stories between two covers If the reader likes to or tries to outguess the stories endings he or she will enjoy every page of this book They will agree that this collection is an interesting journey indeed
