Rififi in New York Auguste Le Breton,1970 **Rififi in New York** Auguste Le Breton,Peter Leslie,1971-01-01 *Rififi* Alastair Phillips,2009-11-30 Du rififi chez les hommes 1955 directed by the exiled American film director Jules Dassin recounts the nail biting tale of a Parisian gangster heist gone wrong Famed for its extended dialog free robbery sequence it is both a classic French film noir and one of the greatest most influential crime films In this lively companion to the film Alastair Phillips reveals Dassin s role as a director of socially conscious Hollywood film noir and argues that his seminal contribution to the regeneration of the thriller in post war France therefore uniquely complicated relations between French genre cinema and American mass culture Phillips also examines the film s innovative narrative construction and use of sound its performance style and mise en scene and discusses the film s legacy showing how even today the term Rififi remains a byword for both criminal glamor and the enduring virtues of French popular classical film making **Hollywood Exiles in Europe** Rebecca Prime,2014-01-14 Rebecca Prime documents the untold story of the American directors screenwriters and actors who exiled themselves to Europe as a result of the Hollywood blacklist During the 1950s and 1960s these Hollywood migr s directed wrote or starred in almost one hundred European productions their contributions ranging from crime film masterpieces like Du rififi chez les hommes 1955 Jules Dassin director to international blockbusters like The Bridge on the River Kwai 1957 Carl Foreman and Michael Wilson screenwriters and acclaimed art films like The Servant 1963 Joseph Losey director At once a lively portrait of a lesser known American lost generation and an examination of an important transitional moment in European cinema the book offers a compelling argument for the significance of the blacklisted migr s to our understanding of postwar American and European cinema and Cold War relations Prime provides detailed accounts of the production and reception of their European films that clarify the ambivalence with which Hollywood was regarded within postwar European culture Drawing upon extensive archival research including previously classified material Hollywood Exiles in Europe suggests the need to rethink our understanding of the Hollywood blacklist as a purely domestic phenomenon By shedding new light on European cinema s changing relationship with Hollywood the book illuminates the postwar shift from national to transnational cinema Born Funny Tom McCaffrey,2023-01-03 Stand Up Comedy is a battlefield not for the faint of heart You either die on that stage or you kill In 2002 Steve Collin was a brand spanking new comic who accidentally stumbled onto a burgeoning irreverent New York comedy movement in its infancy Alternative Comedy quickly gained a following as a backlash to the stale club style of the 80 s It was new and exciting and Steve s loose style of comedy was a perfect fit for the Alt scene But in comedy timing is everything just one misstep and you become a cautionary tale or a punchline A former class clown and comedic natural Steve enters the stand up world wholly unprepared for the rejection heavy drinking and cut throat competition accompanying it Recognized early on by comedy tastemakers as a talent to watch and swiftly securing a litany of TV credits Steve soon gets caught up in a whirlwind of endless shows free drinks and the

Schwarz,2003-04-18 While analyzing Damon Runyon s high spirited work in terms of historical contexts popular culture and of the changing function of the media Schwarz argues that in his columns and stories Runyon was an indispensable figure in creating our public images of New York City culture including our interest in the demi monde and underworld that explains in part the success of The Godfather films and The Sopranos In his lively and exuberant chapters that include a panoramic view of New York City between the World Wars with a focus on its colourful nightlife Schwarz examines virtually every facet of Runyon s career from sports writer daily columnist trial reporter and Hollywood figure to the author of the still widely read short stories that were the source of the Broadway hit Guys and Dolls As part of his discussion of Runyon s art and the artistry of Runyon s fiction Schwarz skilfully examines the special language of the Broadway stories known as Runyonesque and explains how Runyonesque has become an adjective for describing flamboyant behaviour

Contra Instrumentalism Lawrence Venuti,2019-07-01 Contra Instrumentalism questions the long accepted notion that translation reproduces or transfers an invariant contained in or caused by the source text This instrumental model of translation has dominated translation theory and commentary for more than two millennia and its influence can be seen today in elite and popular cultures in academic institutions and in publishing in scholarly monographs and in literary journalism in the most rarefied theoretical discourses and in the most commonly used clichés Contra Instrumentalism aims to end the dominance of instrumentalism by showing how it grossly oversimplifies translation practice and fosters an illusion of immediate access to source texts Lawrence Venuti asserts that all translation is an interpretive act that necessarily entails ethical responsibilities

and political commitments Venuti argues that a hermeneutic model offers a more comprehensive and incisive understanding of translation that enables an appreciation of not only the creative and scholarly aspects of what a translator does but also the crucial role translation plays in the cultural and social institutions that shape human life **Catalog of Copyright**

The Foreign Film Renaissance on American Screens, 1946-1973 Tino Balio, 2010-11-05 Largely shut out of American theaters since the 1920s foreign films such as *Open City* *Bicycle Thief* *Rashomon* *The Seventh Seal* *Breathless* *La Dolce Vita* and *L'Avventura* played after World War II in a growing number of art houses around the country and created a small but influential art film market devoted to the acquisition distribution and exhibition of foreign language and English language films produced abroad Nurtured by successive waves of imports from Italy Great Britain France Sweden Japan and

the Soviet Bloc the renaissance was kick started by independent distributors working out of New York by the 1960s however the market had been subsumed by Hollywood From Roberto Rossellini s *Open City* in 1946 to Bernardo Bertolucci s *Last Tango in Paris* in 1973 Tino Balio tracks the critical reception in the press of such filmmakers as Fran ois Truffaut Jean Luc Godard Federico Fellini Michelangelo Antonioni Tony Richardson Ingmar Bergman Akira Kurosawa Luis Bu uel Satyajit Ray and Milos Forman Their releases paled in comparison to Hollywood fare at the box office but their impact on American film culture was enormous The reception accorded to art house cinema attacked motion picture censorship promoted the director as auteur and celebrated film as an international art Championing the cause was the new cinephile generation which was mostly made up of college students under thirty The fashion for foreign films depended in part on their frankness about sex When Hollywood abolished the Production Code in the late 1960s American made films began to treat adult themes with maturity and candor In this new environment foreign films lost their cachet and the art film market went into decline
