The Way of the Ant Ikechi Ahamefule Nwogu (KSC),2016-08-26 Man as a creature is superior to other lesser elements of our ecosystem Superior in wisdom mannerism conduct and lifestyle and should of course instruct all nature in terms of leadership and dominion It becomes amazing however that ALMIGHTY MAN would be asked to stoop so low as to GO TO THE ANT CONSIDER HER WAYS AND BE WISE Proverbs 6 6 This rather imposing statement clearly spotlights the ant as tiny and frail as it is as an unusual agent of wisdom an embodiment of strength and a master of leadership coordination Our study of the ant presents some strong lessons to us on the preferred approach to life and judgement of issues in a way that will inspire the much needed change in our own thought process and overall view of life We will learn from the ant that life is about determination and the will to push through against all odds until we succeed We will acquire the never give up spirit of the ant we will cast less blames on our poor states of being our nation background and ecology for our present outcomes in life and we will develop a strong determination from within to try again and never retreat or surrender until we win The Way of the ANT is a book on National Transformation by mindset reengineering It is a book that will get us to see things from a standpoint of personal responsibility and collective positive delivery towards communal rebirth and social emancipation We each constitute a tiny part of our larger society and each individual must endeavour to play his her role and well enough to create the appropriate societal linkage that will eventually constitute grounds for national growth and global enhancement We are important We must create value We should not just exist but rather live in such a way that our own endpoints in life will stir up sufficient motivation in the man next door to effectively champion his own course to natural excellence This is the way of the ant

THROUGH THE EYES OF NAOMI This book examines the life of Naomi from the Biblical book of Ruth using her as an example of transformational leadership The author emphasizes Naomi s character wisdom and selflessness in guiding her daughter in law Ruth to a better life after suffering tragic losses Key points Naomi models truthfulness sincerity and putting others needs above her own as a leader She empowers and elevates Ruth rather than holding her back out of insecurity or jealousy The author contrasts Naomi s approach with many modern leaders who are deceitful controlling or only seek their own gain Naomi provides wise counsel to Ruth leading her to Boaz for redemption and a new life Her leadership exemplifies sacrifice giving of herself for Ruth s benefit with no expectation of return The book upholds Naomi as an ideal for leadership rooted in faith integrity and service to others I presents in this book a compelling vision of leadership modeled after Naomi s biblical example It challenges common paradigms of leaders using people purely as means to an end Instead I advocates for genuinely elevating followers through truth empowerment and sacrifice While drawing stark contrasts with negative modern trends the book provides an inspiring alternative philosophy of leadership anchored in character and concern for others well being **The Beverage**
