A Timeless Script From a 1st Century Doctor Rick Farmer, 2024-09-26 Before Dr Farmer I absolutely hated school Dr Farmer saw me as a human being not just a student He forced me to think for myself He was my professor and my mentor He pushed me to see there are no limits to my opportunities to come Dr Farmer believed in me when I did not believe in myself whether making a jump shot or making a good grade Tianna G Crockett M A Bluefield University Rick Farmer combines keen biblical insights with a wise devotional heart as he leads the reader through the unique and powerful advent of Christ contained in the Gospel of Luke Rick's A Timeless Script is just what the doctor ordered for those looking for a Guide through Advent and beyond Henry W Clary Ph D Professor Bluefield University We're sick and in desperate need of a doctor to both diagnose and treat In A Timeless Script from a 1st Century Doctor Dr Rick Farmer wisely recommends Luke's Gospel written by a physician whose treatment plan would be initially resisted or downright rejected by most But Luke's Gospel specifically the first two chapters highlight the uniquely universal cure capable of healing us all The Advent of Christ The story of the birth life death and resurrection of Jesus who embarked on a mission to save teach and heal offers a remedy for all Despite the heartache pain and suffering found in this timeless story it is the miraculous truth of faith hope and love that provides us with the prescription we desperately need If you are seeking to be restored to a healthy state of mind and body so you can live a life of meaning and purpose look no further Scott Weibling Author of River Guide Published by Scott Weibling 2017

The West Stole Africa's Wealth Khoza Mduduzi, 2015-07-28 The West stolen Africa's wealth and invested it in the IMF World Bank and European Bank Through the colonization of Africa the West not only managed to impoverish the African continent but it managed to build its own world class infrastructure through ill gotten wealth from Africa Africa is the richest continent on the face of the world as far as mineral resources is concerned but Africans are the poorest people on the face of the world It's an open secret that the majority of skyscrapers in the US were built by African slaves who were bought from Gore Island in Senegal at the cheapest price and transported to the US From the Dark Age until to the information age the African continent is the only continent where there is no perennial political peace Africans have been on the run from their civil wars for quite a long period of time to the point that some Africans have emigrated from the African continent to live in the West where they are not even welcomed and accepted African mineral resources are sufficient enough to the point that if they were equally and fairly utilized in the interest of the

Africa people Africa was going to be a poverty free continent Unfortunately opposite is the case the African mineral resources continue to enrich the Westerners at the expense of the African people Africans are political free but remain economically in prison which they cant see smell touch or feel The west destabilizes the African continent by pouring military weapons to the African continent to ensure that bloodshed does not cease

Watching Jesus Die Woodrow Michael Kroll, 2023-12-28

What if you could transport yourself back to the first century walking the dusty streets of Jerusalem late on Thursday night before Passover And what if you were tagging along behind eleven men led by Jesus to the Garden of Gethsemane You'd leave the Upper Room and go deep into the Kidron Valley to the garden There the temple police and a half crazed crowd arrive brandishing torches Jesus is taken to the palace of Annas and then to the High Priest Caiaphas What insight do we gain from history archaeology and most importantly the New Testament

about where they lived In the morning Jesus would be sent to the Chamber of Hewn Stone What was this place and why is it important to the Passion narratives On to Pilate s Judgment Hall where new archaeological evidence questions its traditional location You pick up the trail again on the Via Dolorosa and follow Jesus to Jerusalem s killing field There you find the Savior dying on a Roman cross In just a few hours you have followed him from the Upper Room to Joseph s tomb and have gained valuable insight into each stopover to help you on your own journey to Calvary **It's Not Rocket Science** Clive

Whichelow,Hugh Murray,2014-02-06 Over last thirty years new technology fashion and social set ups have spawned new cliches galore Everything on the Internet is available at the click of a mouse TV presenters ask the audience to give it up when they want them to applaud call centres tell us we value your call even though all our operators are busy And if you re gobsmailed by all this you may be told to get a life chill out or whatever It s Not Rocket Science sifts through all aspects of modern life to find the most prevalent ubiquitous and downright irritating cliches of our age This high octane caffeine fuelled dictionary of cliches highlights the freshly hackneyed phrases we re being subjected to 24 7 So how good is that And what s not to like *Confrontation* William Hayashi,2015-09-29 Imagine a confrontation of epic proportions that takes place around the globe and across the solar system with the most powerful nations on earth on one side and a community of a few thousand people on the other The Darkside Trilogy is born of the headlines of a generation and a tale nearly half a millennium in the making with *Confrontation* bringing the story to its inevitable climax *Confrontation* concludes a story that began with a series of mysteries around the globe and ends with the entire planet forced to confront its obsession with killing and the consequences of refusing to change a global culture steeped in self destruction When the needs and wants of politics and corporate greed intersect compromise and criminality often follow In most cases there is little consequence for such crimes committed against the people But what would happen when the people can not only fight back but actually win
