Wiersbe, 2010-01-01 Every Christian desires to be right about their faith How we live out our faith holds eternal significance But in order to be right we must know what why and how come we believe in Christ It can be argued that no book of the Bible has had a greater effect on Christianity than the book of Romans Martin Luther described it as the most important piece in the New Testament and wrote It is well worth a Christian s while not only to memorize it word for word but also to occupy himself with it daily as though it were the daily bread of the soul In this classic commentary by Dr Warren Wiersbe you can refresh your own understand of this seminal work Paul s masterpiece letter to the church in Rome Dr Wiersbe s careful exposition of the text allows the truth to soak in to your heart and mind as you read and understand these essential truths of Scripture

Being Right with God John James Miller, 2011-01-14 For sincere seekers teachers and preachers This book consists of the most

complete and understandable explanation of BEING right with God to be found anywhere After a lifetime of becoming acquainted with Christian literature and 28 years of listening to other preachers the author observed the lack of presenting BEING right with God even though it is the most important thing to be achieved in life Only partial explanations are given in sermons that touch on the subject of being As a result people have a fragmented and incomplete understanding of BEING right with God The Bible contains what it is to BE right with God but not in an organized and systematic way Many scriptures are brought together in this book in order to present a full and understandable Biblical explanation of what it is to BE right with God and how to GET right with God

Getting Right with God Joseph C. Way B.A. B.D. MDiv.,2020-09-04 For centuries numerous people have asked How do you get right and stay right with god Since a person s god is whatever they value love the most possible gods are limitless When asked from the Judeo Christian perspective the question is narrowed but the answers are extremely diverse Due to many identified factors the author believes incorrect answers have been too frequently offered starting soon after the death of Jesus and continuing to this day Due to God s nature and ours the author bases his answer exclusively on appropriate God like love as described and practiced by Jesus The ancient Hebrews recognized the original answer and Jesus repeated it when he insisted we love God above all else and then love our neighbor as our self Paul got it all wrong Jesus did not fill the empty spaces in Paul s Judaism Believe Jesus and act like it

How You Can Be Right With God Victor Dindot,2015-01-16 Even though the Bible contains 66 books with over a thousand pages altogether the subject is only about two major themes sin and salvation Various churches have many differences but fundamentally they should teach and preach that we all fail to live up to God s standards and only through Jesus Christ and what he said and did do we come into the right relationship to God

Selling the Right Way, Prayerfully God's Way Jim Abraham,2011-12-30 Most sales publications cover selling exclusively from the worlds point of view They cover a topic or two that may peak the interest of the reader but they leave out two elements that are critical to a Christian sales professionals success What are those two essentials you need to know They are 1 Where does God fit into your life as a salesperson and 2 What else do you need to know to be a long term sales pro You see selling is more than one or two techniques that will manipulate your prospect into buying Its more than a few closing techniques that will
