Right As Rain A Novel:

Right as Rain Bev Marshall, 2007-12-18 In the tradition of *Fried Green Tomatoes at the Whistle Stop Cafe* and *The Secret Life of Bees* this luminous heartfelt novel explores the tragedies and triumphs the pleasures and sorrows of two women Tee Wee and Icey their families and the white family that employs them as cook and housekeeper on a tenant farm in rural Mississippi Though the women are as different as water and wine Icey is feisty hot tempered and impulsive while Tee Wee is more submissive and disciplined both are driven by a passionate determination to give their children a better life Through trying times they are the pillars fierce and resilient yet they celebrate life with a love of food music and family that makes even the most traumatic moments endurable The illicit love between Tee Wee s daughter Crow and the white landowner s son Browder the heartbreaking death of one of Icey s children for which she will blame herself the murder trial of Tee Wee s youngest son which threatens to tear apart not just their family but the entire town all these events are interwoven with occasions of joy including Crow s fulfillment of her lifelong dream and Tee Wee s own hard fought success A richly emotional epic spanning two decades in the Deep South the story of Tee Wee and Icey and their families are a prism through which we view the universal racial strife dysfunctional families secrets and redemption Illuminated by a resonant storytelling voice and dialogue that rings loud and true *Right as Rain* provides indelible portraits of indomitable characters and an almost tangible sense of place while revealing a deep understanding of race in mid century America s rural south

Right as Rain George Pelecanos, 2008-11-16 Derek Strange is a black ex cop in Washington D C who now makes a living running his own private detective agency He is hired to investigate the killing of an off duty black policeman by a white police officer a killing that was supposedly accidental but that has opened difficult questions about racism on the force In the course of that investigation the white officer Terry Quinn becomes Strange s friend and then his partner Together they try to uncover what really happened that night when Quinn came upon a confusing and treacherous crime scene Along the way they confront the kingpins of a flourishing drug trade and some of the most implacable dead eyed killers ever to grace the pages of a novel

Right as Rain George P. Pelecanos, 2001 George Pelecanos s Washington D C is a far cry from the upwardly mobile tourist attraction speckled enclave of Margaret Truman Murder at the National Cathedral Murder in Georgetown Pelecanos s capital is a haunting terrain of drugs and death a no man s land of posturing dealers and skeletal warehouses that shelter their buyers A rat scurried into a dim side room and a withered black face receded into the darkness The face belonged to a junkie named Tonio Morris He was one of the many bottom of the food chain junkies near death and too weak to cut out a space of their own on the second floor later when the packets were delivered to those with cash they d trade anything they had anything they d stolen that day or any orifice on their bodies for some rock or powder When PI Derek Strange is hired by Chris Wilson s mother to find out why her son a black cop was killed by a white cop Terry Quinn on a dark night in that no man s land Strange figures that the answer is painfully clear a typical case of mistaken identity fueled by the assumptions

and preconceptions of Quinn's innate racism. But what Strange finds is a tentative kinship with Quinn who is desperate to proclaim himself color blind. Kicked off the force and convinced that there's more to his own story, Quinn asks to join Strange in his investigation. As the two pry into the past drifting through the neighborhoods both men have known all their lives, they find themselves enmeshed in a tangle of cold-blooded competition and heated personal enmity. Pelecanos generally has a light touch with the treacherous quagmire of isms veering only occasionally into sententious meanderings about the consequences of an economically and racially divided society. His wry humor, particularly in his descriptions of Earl and Ray, the heroin middlemen who bring the concept of white trash to a depressingly low level, leavens the novel's noir bleakness. And Strange himself is a compelling character, a middle-aged black man who has seen more of life's scallousness than he cares to admit and whose jitteriness about personal commitment speaks volumes about his own expectations for happiness. A strong character and a good read, Pelecanos fans can settle in and look forward to Strange's next appearance. Kelly Flynn Right as Rain Tom Fowler, 2021-03-02 C. T. Ferguson nearly died. Now he's investigating a murder. What could go wrong? C. T. is back to work a few short months after being shot. He's working on his own and taking cases he would've declined before. So when a woman comes into C. T.'s office and asks him to investigate her sister's brutal murder, he jumps at the chance. He has no trouble finding suspects. When the confrontations turn physical, though, C. T. is unsure of himself for the first time in his life. His physical wounds may have healed, but the mental ones are still in progress. Murder cases don't wait for detectives to get their heads together, however. As C. T. keeps working, he uncovers shocking details. He'll need all his wits about him to survive and get justice for his grieving client. Is he up to the task? Right as Rain is the gripping tenth novel in the C. T. Ferguson mystery series. Keywords: private investigator, private detective, crime thriller, crime fiction, hard-boiled noir, mystery, mystery series, murder, mystery. Right as Rain Lindsey Stoddard, 2019-02-12 A Kirkus Best Book of 2019. From the critically acclaimed author of *Just Like Jackie* comes a strikingly tender novel about one family's heartbreak and the compassion that carries them through. Perfect for fans of Sara Pennypacker, Lisa Graff, and Ann M. Martin. It's been almost a year since Rain's brother Guthrie died, and her parents still don't know it was all Rain's fault. In fact, no one does. Rain buried her secret deep, no matter how heavy it weighs on her heart. So when her mom suggests moving the family from Vermont to New York City, Rain agrees. But life in the big city is different. She's never seen so many people in one place or felt more like an outsider. With her parents fighting more than ever and the anniversary of Guthrie's death approaching, Rain is determined to keep her big secret close to her heart. But even she knows that when you bury things deep, they grow up twice as tall. Readers will fall in love with the pluck and warmth of Stoddard's latest heroine and the strength that even a small heart can lend. As Right as Rain Caroline Taggart, 2013-09-05 This book will explain how on earth off the cuff came to express improvisation, why a gut feeling is more intuitive than a brainwave, and who the heck is happy Larry. **RIGHT AS RAIN.** TRICIA. STRINGER, 2015

The Triumph of the Thriller Patrick Anderson, 2007-02-06 There's been a revolution in American popular fiction. The

writers who dominated the bestseller lists a generation ago with blockbuster novels about movie stars and exotic foreign lands have been replaced by a new generation writing a new kind of bestseller one that hooks readers with crime suspense and ever increasing violence Patrick Anderson The Washington Post s man on the thriller beat calls this revolution the triumph of the thriller and lists among its stars Thomas Harris Michael Connelly George Pelecanos Dennis Lehane Sue Grafton and Elmore Leonard In his provocative caustic and often hilarious survey of today s popular fiction Anderson shows us who the best thriller writers are and the worst He shows how Michael Connelly was inspired by Raymond Chandler how George Pelecanos toiled in obscurity while he mastered his craft how Sue Grafton created the first great woman private eye and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers He casts a cold eye on Tom Clancy s militaristic techno thrillers and praises Alan Furst and Robert Littell as world class spy novelists He examines the pioneering role of Lawrence Sanders the offbeat appeal of Dean Koontz the unprecedented success of The Da Vinci Code and the emergence of the literary thriller Most of all Anderson demands that the best of these novelists be given their due not as genre writers but as some of the most talented men and women at work in American fiction Don t trust the literary elites to tell you what to read he warns make up you own minds The Triumph of the Thriller will convince many readers that we ve entered an important new era in popular fiction This book can be your guide to it

Rain Breaks No Bones: A Novel Barbara J. Taylor,2024-05-07 Set in 1955 this final installment in Taylor s best selling Scranton Trilogy explores a family s legacy of loss and a sometimes

mystical vision of a better tomorrow EVERYBODY HAS SECRETS EVEN THE DEAD Fifty year old Violet has had a good life The love of an honest man The joys of motherhood Yet even in 1955 her heart still aches over the death of her sister more than four decades earlier Lately Violet can't help thinking about the little girl picturing her in the moments before the accident wearing that pleated white dress and a hair bow to match Maybe if her big sister were here now she could tell Violet what to do about the secret she's been keeping from her daughter Daisy Daisy has a secret of her own When she first moved back home to Scranton she wasn't ready to give up her dreams of performing in Atlantic City Then she met Johnny a man who needs music as much as she does Her first real chance at love If only they can find the courage to buck small town thinking when it comes to interracial dating Small town thinking Zethray had seen her fair share of it That's why she advertised a room to rent in The Negro Motorist Green Book Give folks a safe place to stay away from home That's how Johnny ended up at her door Now he's sweet on some young woman Not that he told Zethray but she knows The dead like to talk and she listens If only her mother would tell the secret behind her shocking death Instead she stands silent while that little girl with the bow in her hair runs wild Rain Breaks No Bones is the final novel in Barbara J Taylor's Scranton Trilogy starting with Sing in the Morning Cry at Night followed by All Waiting Is Long Though the novels are connected they each stand alone

Richard Mallinson's Fast Fiction Richard Mallinson, 2013-01-24 At only a page each in length Richard Mallinson's elegantly structured short stories are a pithy fast fiction for a modern multimedia age A rapid succession of carefully worked observations the stories read like a dynamic anthology of life's collisions and interactions its projected plans and unexpected rotations There is a great joy in the subverted the interviewer becomes the interviewee the private detective becomes the conspirator as well as an interest in the open ended Possibility abounds for these are always tales of the present the past is unclear and the future unwritten Adhering to the strict one page format the writing is marvelously precise it is highly disciplined but infinitely rich conjuring the most unique and sharply observed characters with remarkably few words If indeed we read fiction in order to meet individuals as the character Tolson declares in Mallinson's Tolson's Creed then in this anthology we are introduced to a plethora of distinct personalities rendered all the more compelling by their relentless unpredictability
