Right From God:

Right with God: the Basics Alan J. Niebergal, 2012-10-08 This book is about being right with God now and to eternity It is based on a relationship with God through Jesus Christ that brings us into a fulfilling relationship with Him We can now stand in the truth of our new identity and take up our inheritance and responsibility in Christ We can let the heart of Jesus Christ grasped our heart so that we might know Him experientially It is not a one way relationship but a two way relationship and he calls us to walk and work alongside with Him in unison Otherwise we are only wasting a most precious opportunity and blessing in life We have the privilege and joy of walking with Him in a relationship not based on law but the gospel or grace We also can learn to rest in Him to walk in our freedom and to be ready and prepared for the end Our destiny is assured in Him and can and may be eternally right with God Only in Christ will we find fulfillment in this life and the life to come We can be right with God and out of the overflow of that relationship we can enjoy all that we were created to be and experience This book talks about the basic truths that can assist everyone to be right with God and grow in that relationship in Christ These truths are basic but some of them are profound truths that are essential to walk in the fullness of Christ a fullness He offers to every person in a personal relationship with Him Some of these truths go deep but they are basic for every Christian These basic truths are the way to fullness in Christ
