[Zero Hour for Gen X](#) Matthew Hennessey,2018-08-14 In *Zero Hour for Gen X* Matthew Hennessey calls on his generation Generation X to take a stand against tech obsessed millennials apathetic baby boomers utopian Silicon Valley visionaries and the menace to top them all the soft totalitarian conspiracy known as the Internet of Things Soon Gen Xers will be the only cohort of Americans who remember life as it was lived before the arrival of the Internet They are as Hennessey dubs them the last adult generation the sole remaining link to a time when childhood was still a bit dangerous but produced adults who were naturally resilient More than a decade into the social media revolution the American public is waking up to the idea that the tech sector s intentions might not be as pure as advertised The mountains of money being made off our browsing habits and purchase histories are used to fund ever more extravagant and utopian projects that by their very natures will corrode the foundations of free society leaving us all helpless and digitally enslaved to an elite crew of ultra sophisticated tech
