Born at the Right Time Doug Owrarn,1997-12-15 It is rare in history for people to link their identity with their generation and even rarer when children and adolescents actually shape society and influence politics Both phenomena aptly describe the generation born in the decade following the Second World War These were the baby boomers viewed by some as the spoiled selfish generation that had it all and by others as a shock wave that made love and peace into tangible ideals In this book Doug Owrarn brings us the untold story of this famous

generation as it played out its first twenty five years in Canadian society Beginning with Dr Spock s dictate that this particular crop of babies must be treated gently Owrarn explores the myth and history surrounding this group from its beginning at war s end to the close of the 1960s The baby boomers wielded extraordinary power right from birth Owrarn points out and laid their claim on history while still in diapers He sees the generation s power and sense of self stemming from three factors its size its affluent circumstance and its connection with the 1960s the fabulous decade of free love flower power women s liberation drugs protest marches and rock n roll From Davy Crockett hats and Barbie dolls to the civil rights movement and the sexual revolution the concerns of this single generation became predominant themes for all of society Thus Owrarn s history of the baby boomers is in many ways a history of the era Doug Owrarn has written extensively on cultural icons Utopian hopes and the gap between realities and images all powerful themes in the story of this idealistic generation A well researched lucid and humorous book *Born at the Right Time* is the first Canadian history of the baby boomers and the society they helped to shape At the Right Place at the Right Time Les Sonksen,2024-01-05 A high school senior Toby Rodriguez keeps finding himself at the right place at the high time on frequent occasions when becoming involved in criminal situations However he extracts himself by calling his brother in law Detective Michael Dorsey who with other detectives solve the crimes Being in the right place at the right time to assist a classmate Jolene a rape victim Toby helps to ID the perpetrators and brings them to justice But it also brings on wedding bells a mixture of crimes and love

The Dating Blueprint Jason Evert,2019-10-11 Women don t feel comfortable telling a man what they wish he knew about dating He s expected to know it Unfortunately the only time men receive specific guidelines is when they re being told

what they're not supposed to do. As a result, very few know what they are supposed to do. What men want is a clear blueprint. Imagine how much simpler dating would be if women could just speak their minds. Therefore, Jason Evert surveyed more than a thousand women and asked them questions such as: How would you want a man to ask you out? How do you not want to be asked on a date? This book reveals their surprising answers plus: How to know if she's the right one? Where women don't want to go on a first date? What word they want a man to say when he asks? When, where, and how he should ask? What she hopes the date will include? How a man can save his marriage before he's married? Dating doesn't need to become a relic of the past. It needs to be revived. For this to happen, men need to put down their screens, look a woman in the eye, and ask her on a date. The Dating Blueprint explains how.

Your God is Too Safe Mark Buchanan, 2009-02-19 Here's a thoughtful, probing exploration of why Christians get stuck in the place of complacency, dryness, and tedium, and how to move on to new levels of spiritual passion. Buchanan shows how the majority of Christians begin their spiritual journey with excitement and enthusiasm, only to get bogged down in a borderland, an in-between space, beyond the old life but short of the abundant, adventurous existence promised by Jesus. Citing Jonah, he examines the problem of borderland living, where doubt, disappointment, guilt, and wonderlessness keep people in a quagmire of mediocrity, then offers solutions, effective ways to get unstuck and move into a bold, unpredictable, exhilarating walk with Christ. Inspired writing.

War and Peace Ricky Hatton, 2013-10-10 THE MUST READ AUTOBIOGRAPHY OF ONE OF BRITAIN'S BEST LOVED BOXERS NOW HITTING THE RING ON DANCING ON ICE 2024 On 24 November 2012, four-time World Champion boxer Ricky Hatton dropped to his knees, felled by a sickening punch to the body in his first comeback fight in almost three years. Gasping for breath, down and out, it was then that something extraordinary happened: 20,000 fans began to sing his name. Ricky Hatton: War and Peace is the story of one of British boxing's true icons. From a Manchester council estate to the bright lights of Las Vegas, Ricky Hatton experienced incredible highs in his career, including one of the greatest ever wins by a British boxer over the IBF Light Welterweight champion Kostya Tszyu. But heavy defeats to two legends of the ring, Floyd Mayweather and Manny Pacquiao, brought him quickly down to earth to face a new set of battles against depression, drink, and drugs. Written with his trademark honesty and wit, this is the inspiring story of a charismatic, funny, straight-talking fighter who boxing fans have always taken to their hearts, a man who has survived a lifetime of wars both in and out of the ring, and who only now is finding something close to peace.
