**Lyrics:**

I got - ta right to sing the blues, I got - ta  
 right to feel low down. I got - ta right to hang a - round.  
 riv - er. A cat - in in the id to keeps drag - gin'  
 round all I see for is  
 I got - ta right to sit and cry. I got - ta  
 right to mean and sigh. I know the deep blue sea. will soon be  
 call - ing me. It must be love, say that you choose. I  
 got - ta right to sing the blues.

Olivas,2020-04-28 This collection of ten essays commemorates the 50th anniversary of an important but almost forgotten U S Supreme court case Hernandez v Texas 347 US 475 1954 the major case involving Mexican Americans and jury selection published just before Brown v Board of Education in the 1954 Supreme Court reporter This landmark case the first to be tried by Mexican American lawyers before the U S Supreme Court held that Mexican Americans were a discrete group for purposes of applying Equal Protection Although the case was about discriminatory state jury selection and trial practices it has been cited for many other civil rights precedents in the

intervening 50 years Even so it has not been given the prominence it deserves in part because it lives in the shadow of the more compelling Brown v Board case There had been earlier efforts to diversify juries reaching back at least to the trial of Gregorio Cortez in 1901 and continuing with efforts by the legendary Oscar Zeta Acosta in Los Angeles in the 1960s Even as recently as 2005 there has been clear evidence that Latino participation in the Texas jury system is still substantially unrepresentative of the growing population But in a brief and shining moment in 1954 Mexican American lawyers prevailed in a system that accorded their community no legal status and no respect Through sheer tenacity brilliance and some luck they showed that it is possible to tilt against windmills and slay the dragon Edited and with an introduction by University of Houston law scholar Michael A Olivas *Colored Men and Hombres Aqui* is the first full length book on this case This volume contains the papers presented at the Hernandez at 50 conference which took place in 2004 at the University of Houston Law Center and also contains source materials trial briefs and a chronology of the case **Blues and Evil** Yahya

Jongintaba, 2024-09-04 The term blues has traditionally conveyed an image of hard living hard drinking carousing singers and musicians grinding out melancholy tunes and evil lyrics Contesting that stereotypical notion this study argues that spiritual values are clearly reflected in the blues mythologized history folk theological language and philosophical speculation on the dual existence of good and evil By using a theomusicalological approach Yahya Jongintaba formerly Jon Michael Spencer is able to push aside accepted attitudes and present a unique study of the blues and the culture that created it He reveals religious substance in this music s content and language that has been gradually obscured as the blues evolved from a simple rural music following Reconstruction to its present urban form The evidence strongly implies a fundamental religious concern for the same life issues expressed in orthodox religious music Spencer suggests that white blues scholars have tended to overlook the religious nature of the blues partly because they have not fully understood African American culture They have tended to give validity to the old southern folkloric belief that blues music was devil s music disregarding the ethos of the blues as it exists on the periphery of doctrinal Christianity where religious pondering as well as opposition to white oppression could be expressed behind a protective veil of music
