Alberto Villoldo, Ph.D.,2006-05-01 While everyone has a future Alberto Villoldo says only certain people have a destiny This work shows you how to find and manifest yours and when you do you ll find that your life will never be the same In this fascinating book by psychologist and medical anthropologist Alberto Villoldo he discusses ways in which you can heal yourself and your loved ones by employing practices used by shamans of the Americas which until now have been inaccessible to most of the world The shamans of old called this powerful process journeying Within these pages you ll discover that you have a four chambered soul in the same way you have a four chambered heart In the first chamber you ve stored away the memory of a wound that derailed your des tiny In the second you ve kept the limiting beliefs and soul contracts that you entered into at the time of your loss However in the third chamber you can recover the grace and trust that will make you whole again and in the fourth you ll be able to remember the call ing that is your very purpose for being alive Using several myths and legends from around the world along with stories from his real life clients Villoldo shares how heroes have journeyed over time to recover their lost souls and find their destinies The practices of soul retrieval and destiny retrieval are also described in rich practical detail illustrating how you can become your own shaman and accomplish in a few sessions of journeying what can take years to do in a psychological setting The book also explains how time is like a river that courses lazily to the sea and on which most are content to drift along but that deep under its surface is a stream that leads both back to its source and forward to infin ity It describes how ancient seers known as the Laika learned to navigate these currents of time the time lines thus teaching you how to find and travel along your own time lines to your unique individual destiny **Jesus and the God of Classical Theism** Steven J. Duby,2022-06-07 Christianity Today 2023 Book Award Academic Theology In both biblical studies and systematic theology modern treatments of the person of Christ have cast doubt on whether earlier Christian descriptions of God in which God is immutable impassible eternal and simple can fit together with the revelation of God in Christ This book explains how the Jesus revealed in Scripture comports with such descriptions of God The author argues that the Bible s Christology coheres with and even requires the affirmation of divine attributes like immutability impassibility eternity and simplicity Friendship East and West Oliver Leaman,1995 There has

been renewed interest in the concept of friendship in contemporary philosophy Many of the existing treatments of the topic

have been limited to Western notions of friendship yet there is a far wider perspective available to us through an examination of a more extended cultural examination of the topic Cultures other than those in Christian Europe have had important and interesting observations to make on the nature of friendship and in this collection there is treatment not only of Greek and Christian ideas of friendship but also of Islamic Jewish Chinese Japanese and Indian perspectives A rich and extended view of the concept of friendship results from these various examinations

Divine Judgement and Divine Benevolence in the Book of Wisdom Moyna McGlynn,2001 Scholarly interest in the apocryphal Book of Wisdom has grown over the last fifty years In addition to the main commentaries several literary studies have been produced on sections of the text giving new and richer insights Moyna McGlynn examines the interwoven themes of divine judgement and divine benevolence as they are presented in the text of Wisdom The full extent and interplay between these themes is only revealed by a literary reading of the whole text This reading examines the poetic techniques structures vocabulary verbal repetitions and the questions the author has employed to provide a framework for a theology of justice and mercy Further study of these themes leads to reflections upon God as creator and humans as creatures the kindness of God in the gift of divine wisdom and the formation and protection of Israel as the paradigm community with responsibility for teaching and demonstrating the knowledge of God to the world These twin themes then provide us with an integrated and coherent reading of the text of Wisdom and offer a new insight into the role of Israel and Jewish self awareness just prior to the formation of rabbinic Judaism and Christianity The Book of Wisdom falls naturally into four major sub divisions with a fifth central section providing the theodicy which underpins the action and reflection of the other four Moyna McGlynn has retained this five fold division for her analysis A brief Appendix at the close of the book outlines Wisdom s history and reception in the Jewish and Christian communities
