Rights Are Fun Say It:

T'wer Right Funny Steve Travis, *Many More Funny Things* B. E. White, Jr., 2014-08-29 After his first book Dr White thought that he had exhausted his memory of funny things in his life and ministry but with the passing of time he has remembered many more funny things He has written them down to make us laugh out loud and silently reflect on what they have to say Brightie White tells amusing and interesting story after story about people in and out of the church You may have a hard time believing that some of the stories are true but if you can t believe a preacher whom can you believe Most of the stories are humorous but some of them are unusual All are about real people and the way religion makes them act Lessons can be learned from their antics and how things used to be and sometimes still are during the years of the author s life

That's Not Funny Matt Sienkiewicz, Nick Marx, 2024-03-26 A 2022 Best Comedy Book Vulture A rousing call for liberals and progressives to pay attention to the emergence of right wing comedy and the political power of humor Why do conservatives hate comedy Why is there no right wing Jon Stewart These sorts of questions launch a million tweets a thousand op eds and more than a few scholarly analyses That s Not Funny argues that it is both an intellectual and politically strategic mistake to assume that comedy has a liberal bias Matt Sienkiewicz and Nick Marx take readers particularly self described liberals on a tour of contemporary conservative comedy and the right wing comedy complex In That s Not Funny complex takes on an important double meaning On the one hand liberals have developed a social psychological complex it feels difficult even dangerous to acknowledge that their political opposition can produce comedy At the same time the right has been slowly building up a comedy industrial complex utilizing the humorous irony laden media strategies of liberals such as Jon Stewart Samantha Bee and John Oliver to garner audiences and supporters Right wing comedy has been hiding in plain sight finding its way into mainstream conservative media through figures ranging from Fox News s Greg Gutfeld to libertarian podcasters like Joe Rogan That s Not Funny taps interviews with conservative comedians and observations of them in action to guide readers through media history text and technique You will find many of these comedians utterly appalling some surprisingly funny and others just plain weird They are all however culturally and politically relevant the American right is attempting to seize spaces of comedy and irony previously held firmly by the left You might not like this brand of humor but you can t ignore it

Vernon God Little DBC Pierre, 2012-08-07 If Huckleberry Finn were set on the Mexican American border and written by the creators of South Park it might read something like this San Francisco Chronicle Hailed by critics and lauded by readers for its riotously funny and scathing portrayal of America in an age of trial by media materialism and violence Vernon God Little was an international sensation when it was first published in 2003 and awarded the prestigious Man Booker Prize The memorable portrait of America is seen through the eyes of a wry young protagonist Fifteen year old Vernon narrates the story with a cynical twang and a four letter barb for each of his townsfolk a medley of characters With a plot involving a school shooting and death row reality TV shows Pierre s effortless prose and
