Rights Of Young People:

Young People's Human Rights and the Politics of Voting Age Sonja C. Grover, 2010-10-05 *Young People's Human Rights and The Politics of Voting Age* explores the broader societal implications of voting age eligibility requirements and the legislative bar against youth voting in North America and in Commonwealth countries where youth is defined as persons 16 and over but under age 18. The issue is raised as to whether the denial of the youth vote undermines democratic principles and values and ultimately the human dignity of youth. This is the first book to address the topic of the youth vote in depth as a fundamental human rights concern relating to the entitlement in a democracy to societal participation and inclusion in influencing policy and law which profoundly affects one's life. Also examined are international perspectives on the issue of voting age eligibility. The book would be extremely valuable for instructional purposes as one of the primary texts in undergraduate or graduate courses on children's human rights, political psychology, political science, sociology of law or society and as a supplementary text for courses on human rights or constitutional law and would be of interest also to members of the general public concerned with children's human rights issues. [The Human Rights of Children](#) Antonella

Invernizzi, 2016-02-24 This volume provides a series of critical analyses of some of the contemporary debates in relation to the human rights of children, resituating them within visions which informed the text of the United Nations Convention on the Rights of the Child in 1989. The studies embrace examination of some of today's widespread interpretations of the CRC, analysis of what is implied by a human rights based approach in research and advocacy and consideration of advances and barriers to research and to several aspects of CRC implementation. With contributions by leading experts in the field, the book examines the CRC as an international instrument, its inherent dilemmas and some of the debates generated by the challenges of implementation. It embraces examinations of different levels of governance from the international to the state, party, regional and local levels, including institutional developments and changes in law, policy and practice. The book will be a valuable resource for students, researchers and policy makers working in the area of children's rights and welfare. **Sexual**

Reproductive Health and Rights for Adolescents and Young People Mr. Rohit Manglik, 2024-07-30 This book advocates for the sexual and reproductive health rights of adolescents and youth, covering education, policy, access to care and psychosocial challenges in a culturally sensitive manner. *Compass - Manual for Human Rights Education with Young People (2012 edition - fully revised and updated)* Council of Europe, Collectif, 2015-06-01 Human rights cannot be defended by legal measures alone. They need to be protected and safeguarded by everyone, including young people. Human rights are best respected and appreciated when we know them, stand up for them and apply them in our lives. COMPASS provides youth leaders, teachers and facilitators of human rights education activities, whether professionals or volunteers, with concrete ideas and practical activities to engage, involve and motivate young people in living, learning and acting for human rights. It promotes a comprehensive perspective on human rights education and sees young people as actors for a culture of universal

human rights COMPASS was originally published in 2002 and is now available in more than 30 languages A version specifically designed for human rights education with children COMPASITO enjoys a similar success This fully revised and updated edition includes new activities and information about human rights issues such as disability and disablism migration religion remembrance war and terrorism COMPASS is a practical tool and resource for citizenship and human rights education It is an essential companion for all those who are curious and interested in making the right to human rights education a reality for everyone

The Sociology of Children's Rights Brian Gran, 2021-01-07 Children's rights appear universal inalienable and indivisible intended to advance young people's interests Yet in practice evidence suggests the contrary the international framework of treaties procedures and national policies contains fundamental contradictions that weaken commitments to children's real world protections Brian Gran helps us understand what is at stake when children's rights are compromised This insightful text grounds readers in core theories and key data about children's legal entitlements The chapters tackle central questions about what rights accrue to young people whether they advance equality and how they influence children's identities freedoms and societal participation Ultimately this book shows how current frameworks hinder young people from possessing and benefiting from human rights arguing that they function as cynical invitations to question whether we truly believe children are endowed with human rights The Sociology of Children's Rights offers a critical and accessible introduction to understanding a complex issue in the contemporary world and is a compelling read for students and researchers concerned with human rights in sociology political science law social work and childhood studies

Children's Rights in Practice Phil Jones, Gary Walker, 2011-04-19 Considering the rights of the child is now central to all fields involving children and to good multi agency working This book offers an explanation of the theoretical issues and the key policy developments that are crucial to all professions and helps the reader to understand children's rights in relation to their role in working with children and young people Looking at education health social care and welfare it bridges the gap between policy and practice for children from Birth to 19 years Chapters cover the child's right to play youth justice and children's rights the voice of the child ethical dilemmas in different contexts involvement participation and decision making safeguarding and child protection social justice and exclusion This book helps the reader understand what constitutes good practice whilst considering the advantages and tensions involved in working across disciplines to implement children's rights against a complex legislative and social policy backdrop Essential reading for undergraduate and graduate students on Early Years Early Childhood Studies Childhood and Youth Education Law Social Work Play and Psychology courses it is relevant to professionals working across education health and social work

Children's Rights Smiljana Simeunovic Frick, 2011 This book presents reports prepared by children and submitted to the UN's Committee on the Rights of the Child Although children's participation has become an important topic in academic literature on childhood or children's rights neither their participation in the monitoring process of the Children's Rights Convention nor their reports have received due attention so

far Children's reports document their citizenry practices and are a valuable source of information about their perspective on their rights and other related topics. The aim of the book is to give children an opportunity to have their voices heard by the wider public. Series: Kinder Jugend Lebenswelten Transnationale und interkulturelle Studien Vol 7 *Handbook of Children's Rights* Martin D. Ruck, Michele Peterson-Badali, Michael Freeman, 2016-12-08. While the notion of young people as individuals worthy or capable of having rights is of relatively recent origin, over the past several decades there has been a substantial increase in both social and political commitment to children's rights as well as a tendency to grant young people some of the rights that were typically accorded only to adults. In addition, there has been a noticeable shift in orientation from a focus on children's protection and provision to an emphasis on children's participation and self-determination. With contributions from a wide range of international scholars, the *Handbook of Children's Rights* brings together research, theory, and practice from diverse perspectives on children's rights. This volume constitutes a comprehensive treatment of critical perspectives concerning children's rights in their various forms. Its contributions address some of the major scholarly tensions and policy debates comprising the current discourse on children's rights, including the best interests of the child, evolving capacities of the child, states' rights versus children's rights, rights of children versus parental or family rights, children as citizens, children's rights versus children's responsibilities, and balancing protection and participation. In addition to its multidisciplinary focus, the handbook includes perspectives from social science domains in which children's rights scholarship has evolved largely independently due to distinct and seemingly competing assumptions and disciplinary approaches, e.g., childhood studies, developmental psychology, sociology of childhood, anthropology, and political science. The handbook also brings together diverse methodological approaches to the study of children's rights, including both quantitative and qualitative perspectives and policy analysis. This comprehensive, cosmopolitan, and timely volume serves as an important reference for both scholarly and policy-driven interest in the voices and perspectives of children and youth.

[Understanding Advocacy For Children And Young People](#) Boylan, Jane, Dalrymple, Jane, 2009-06-01. Presenting children and young people's advocacy as an exciting, radical, and constantly developing way of working, Boylan and Dalrymple explore its controversial and challenging nature through a comprehensive examination of the theory and practice of advocacy.

The Routledge International Handbook of Young Children's Rights Jane Murray, Beth Blue Swadener, Kylie Smith, 2019-10-28. Written to commemorate 30 years since the United Nations Convention on the Rights of the Child (UNCRC), *The Routledge International Handbook of Young Children's Rights* reflects upon the status of children aged 0-8 years around the world, whether they are respected or neglected, and how we may move forward. With contributions from international experts and emerging authorities on children's rights, Murray, Blue Swadener, and Smith have produced this highly significant textbook on young children's rights globally. Containing sections on policy along with rights to protection, provision, and participation for young children, this book combines discussions of children's rights and early childhood development and investigates the crucial yet frequently

overlooked link between the two The authors examine how policy practice and research could be utilised to address the barriers to universal respect for children to create a safer and more enriching world for them to live and flourish in The Routledge International Handbook of Young Children's Rights is an essential resource for students and academics in early childhood education social work and paediatrics as well as for researchers policymakers leaders and practitioners involved in the provision of children's services and paediatric healthcare and international organisations with an interest in or ability to influence national or global policies on children's rights

Children's Rights: Progress and Perspectives Michael D. A. Freeman, Michael Freeman, 2011-10-28 The International Journal of Children's Rights has been a major player in all this Its impact is worldwide It has established itself as the leading journal in the field The journal is now in its 19th year and is flourishing This volume has been compiled not only to commemorate the journal's work but also the 20th anniversary of the Convention coming into operation and of the first World Summit on Children An anthology of the best articles published in these formative years this volume offers a representative sample of what the journal has achieved Some of the articles are ones which are frequently cited whilst others are less well known some deal with theory others with practice The case for children's rights is to be found throughout this collection as is the history of children's rights

Children's Rights and Sustainable Development Claire Fenton-Glynn, 2019-04-18 Considers how to implement children's rights in the twenty first century through a child rights based approach to sustainable development

EBOOK: Parents, Children, Young People And The State Sandra Shaw, 2010-01-16 This book provides an exploration of the social policies and practices of the Blair and Brown led Labour governments in relation to families children and young people in the United Kingdom Although not a commentary solely on the policies of New Labour the book examines Labour's Third Way by widening out the debate to consider family welfare policies in the context of the European Union globalization and international policy groups such as UNICEF Within the UK the Every Child Matters policy agenda provides a context for the areas considered While there has been considerable improvement in the lives of many children and young people during this period there have also been many headlines about abuse and failures of the care system Moreover the UK is still below the average in terms of child poverty within Europe and the well being of children and young people is of concern The author has taken a rigorous look at policy developments during this period focusing on key areas such as Health and well being Child Poverty Risks rights and responsibilities Young people being a risk and at risk Youth homelessness Looked after children Parents Children Young People and the State provides an accessible analysis of this key area for students lecturers researchers and policy makers with an interest in the well being of children and young people now and in the future

Young Children's Rights Priscilla Alderson, 2008-03-15 This readable informative and thought provoking book is a compelling invitation to rethink our attitudes to young children's rights in the light of new theories research and practical evidence about children's daily lives It will be of interest to anyone who works with young children

Young People, Rights and Place Stuart Aitken, 2018-05-16 Concern

is growing about children's rights and the curtailment of those rights through the excesses of neoliberal governance. This book discusses children's spatial and citizenship rights and the ways young people and their families push against diminished rights. Armed initially with theoretical concerns about the construction of children through the political status quo and the ways youth rights are spatially segregated, the book begins with a disarmingly simple supposition: Young people have the right to make and remake their spaces and, as a consequence, themselves. This book de-centers monadic ideas of children in favor of a post-humanist perspective which embraces the radical relationality of children as more than children, more than human. Its empirical focus begins with the struggles of Slovenian Izbrisani, erased youth from 1992 to the present day, and reaches out to child rights and youth activists elsewhere in the world with examples from South America, Eastern Europe, and the USA. The author argues that universal child rights have not worked and pushes for a more radical, sustainable ethics which dares to admit that children's humanity is something more than we as adults can imagine. Chapters in this groundbreaking contribution will be of interest to students, researchers, and practitioners in the social sciences, humanities, and public policy.

Young People as Agents of Sustainable Society Päivi Honkatukia, Tiina Rättälä, 2023-06-16. This book analyses young people's societal participation as a central dimension of their well-being and as vitally important to secure the sustainable future of humankind and the whole eco-social system. It develops a theoretical framework for analysing youth participation holistically embedded in its everyday context and as a relational phenomenon underpinned by universal human needs. It introduces innovative methodological approaches to study youth engagements in society. This book will appeal to scholars and students of youth studies, sociology, sustainable development, youth participation, and education. It also offers new knowledge and theoretical readings for policy experts on youth and sustainable development as well as for NGOs working with youth. The Open Access version of this book is available at <http://www.taylorfrancis.com> and has been made available under a Creative Commons Attribution Non-Commercial No Derivatives (CC BY-NC-ND 4.0) license.

Working with Children, Young People and Families Billie Oliver, Bob Pitt, 2011-05-16. This book is essential reading for anyone studying and working in the new integrated children's services. The Children's Workforce Development Strategy sets out the basic skills and knowledge needed by people whose work brings them into regular contact with children, young people, and their families. Built around this Common Core of Skills and Knowledge and packed with case studies and reflective exercises, this book helps students and practitioners understand the theory behind these issues and develop strategies for embedding them within their own practice.

Children and International Human Rights Law Aisling Parkes, 2013-08-15. The United Nations Convention on the Rights of the Child (1989) is one of the most highly ratified human rights treaties in the world, with 192 states currently signed up to it. Article Twelve is fundamental to the Convention and states that all children capable of forming views have the right to express those views and recognises that all children have the right to be heard in any judicial and administrative proceedings affecting them. This book explores the historical and theoretical background to Article Twelve.

and examines the various models of participation which have been created to facilitate a better understanding of this provision Aisling Parkes analyzes the extent to which Article Twelve has been implemented under international law and in domestic law as well as setting out recommendations for the most effective ways of implementing Article Twelve in all areas of children's lives Children and Young People's Participation in Disaster Risk Reduction Mort, Maggie, Rodriguez-Giralt, Israel, 2020-11-30 Available Open Access under CC BY NC licence Disasters are an increasingly common and complex combination of environmental social and cultural factors Yet existing response frameworks and emergency plans tend to homogenise affected populations as victims overlooking the distinctive experience capacities and skills of children and young people Drawing on participatory research with more than 550 children internationally this book argues for a radical transformation in children's roles and voices in disasters It shows practitioners policy makers and researchers how more child centred disaster management that recognises children's capacity to enhance disaster resilience actually benefits at risk communities as a whole **Taking it seriously** Kevin O'Kelly, John Muir, Mara Georgescu, Rui Gomes, 2016-10-07 Promoting young people's access to social rights as a means for their inclusion and participation in society In and around many cities social and economic imbalances have led to the development of disadvantaged neighbourhoods where diversity is also accompanied by poverty and often marginalisation or exclusion This is sometimes combined with different forms and levels of de facto social segregation discrimination and violence At times of economic and social crisis feelings of powerlessness and anxiety about the future risk deepening local tensions and underlying conflicts Young people are often at the centre of these tensions because they are more vulnerable and insecure and because they are more directly affected by uncertainties regarding the development of their autonomy as well as participation in society and contribution to its development The Council of Europe has challenged itself to respond to these situations by adopting recommendations for its member states that encourage and support them in finding adequate policy responses to situations of exclusion discrimination and violence affecting young people in disadvantaged neighbourhoods In early 2015 the Committee of Ministers of the Council of Europe adopted a policy recommendation with proposals for policy measures to member states in order to promote access to social rights for young people Proposals concern the provision of accessible affordable public services overcoming segregation promoting the participation of young people combating discrimination recognition of youth work and non formal education promoting gender sensitive approaches to the elaboration of youth policies This publication is an accompaniment to this recommendation and aims to bring its content closer to policy makers youth work practitioners youth organisations and youth workers and provide step by step information and guidance on the implementation of the recommendation The publication also offers advice and examples of actions to take and policies to develop so that the social rights of young people are taken seriously by all the actors concerned by social inclusion and social cohesion

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rights Of Young People eBooks, including

some popular titles.

FAQs About Rights Of Young People Books

What is a Rights Of Young People PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rights Of Young People PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rights Of Young People PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rights Of Young People PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rights Of Young People PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
