Rimbaud En Son Temps:

Rimbaud en son temps Marcelin Pleyne, 2005 Rimbaud 1854 1891 En cette seconde moitié du XIX^e siècle la France pervertie ne tolère ni ses artistes Manet Cézanne ni ses écrivains Baudelaire Rimbaud Le premier et le plus grand d'entre eux Rimbaud manifeste ce qu'il en est de la traversée en guerre de la société française et c'est avec *Une Saison en enfer* qu'il en dévoile la détresse Ce peuple est inspiré par la fièvre et le cancer comme avec les *Illuminations* il dévoile les musiques savantes les véritables enjeux de cette guerre d'une guerre qui se poursuit encore dans le refoulement du pervers moisi de notre époque Oui l'heure nouvelle est au moins traversée En ce sens entre autres ce Rimbaud en son temps ce Rimbaud et les voies de la liberté voudrait faire entendre dans l'actualité de l'œuvre que Rimbaud n'a toujours pas perdu qu'il n'y a pas et qu'il ne saurait y avoir d'après Rimbaud Marcelin Pleyne *Authority in Crisis in French Literature, 1850-1880* Seth Whidden, 2016-04-15 By the 1850s the expansion of printing and distribution technologies provided writers with more readers and literary outlets than ever before while the ever changing political contexts occasioned by the revolutions of 1830 and 1848 brought about differing degrees of political social and literary censure and pressure Seth Whidden examines crises of literary authority in nineteenth century French literature both in response to the attempts of the Second Empire 1852 1870 to restore the unquestioned imperial authority that had been established by Napoleon I and in the aftermath of the bloody Paris Commune of 1871 In each of his chapters Whidden offers a representative case study highlighting one of several phenomena literary collaboration parody destabilized poetic form the substitution of one poetic or narrative voice with that of the man that enabled challenges to the traditional status of the writer and by extension the political authority that it reflected Whidden focuses on the play *Le Supplice d'une femme* 1865 the Cercle Zutiste a group of writers musicians and artists who met regularly in the fall of 1871 only months after the fall of the Second Empire Arthur Rimbaud's *Commune* era poems and Jules Verne's 1851 *Un voyage en ballon* later reprinted as *Un drame dans les airs* in 1874 Whidden concludes with a futuristic look at authority and auctority as it pertains to midcentury writers taking stock of the weakened authority still possible in a post Second Empire France and envisioning what kind of auctority is still to come *Rimbaud's Theatre of the Self* James R. Lawler, 1992 In a new interpretation of a poet who has swayed the course of modern poetry in France and elsewhere James Lawler focuses on what he demonstrates is the crux of Rimbaud's imagination the masks and adopted personas with which he regularly tested his identity and his art A drama emerges in Lawler's urbane and resourceful reading The thinking feeling acting Drunken Boat is an early theatrical projection of the poet's self the Inventor the Memorialist and the Ingu assume distinct roles in his later verse It is however in *Illuminations* and *Une Saison en enfer* that Rimbaud enacts most powerfully his grandiose dreams Here the poet becomes Self Creator Self Critic Self Ironist he takes the parts of Floodmaker Oriental Storyteller Dreamer Lover and he recounts his descent into Hell in the guise of a Confessor In delineating and exploring the poet's theatre of the self Lawler shows us the tragic lucidity and the dramatic coherence of

Rimbaud's work **Arts and Politics of the Situationist International 1957-1972** Edward John Matthews, 2021-10-01
 Arts and Politics of the Situationist International contextualizes the SI within a comprehensive aesthetic and theoretical framework that integrates its concepts and practical activities with previous critical thinkers political activists artists and poets The SI belongs to a history of radical gestures and cultural practices concerned with re imagining everyday life and overcoming alienation This book regards the SI as a critical interdisciplinary endeavor in the history of consciousness particularly as a moment in an ongoing western European trajectory of aesthetic negation dating back to the early nineteenth century The chapters search for origins of the SI in French Symbolist poetry Dada and Surrealism Hegelian Marxism and Lefebvrian social theory in an effort to provide a clearly defined something out of which the SI developed as an increasingly radical collective of artists writers and theorists City of Noise Aimee Boutin, 2015-05-15 Beloved as the city of light Paris in the nineteenth century sparked the acclaim of poets and the odium of the bourgeois with its distinctive sounds Street vendors bellowed songs known as the *Cris de Paris* that had been associated with their trades since the Middle Ages musicians itinerant and otherwise played for change and flâneurs writers fascinated with the city's underside listened and recorded much about what they heard Aimee Boutin tours the sonic space that orchestrated the different often conflicting sound cultures that defined the street ambience of Paris Mining accounts that range from guidebooks to verse Boutin braids literary cultural and social history to reconstruct a lost auditory environment Throughout impressions of street noise shape writers sense of place and perception of modern social relations As Boutin shows the din of the *Cris* contrasted economic abundance with the disparities of the capital old and new traditions and the vibrancy of street commerce with an increasing bourgeois demand for quiet In time peddlers who provided the soundtrack for Paris's narrow streets yielded to modernity with its taciturn shopkeepers and wide open boulevards and the fading songs of the *Cris* became a dirge for the passing of old ways *Poetry at Stake* Carrie Noland, 2021-03-09 Taking seriously Guillaume Apollinaire's wager that twentieth century poets would one day mechanize poetry as modern industry has mechanized the world Carrie Noland explores poetic attempts to redefine the relationship between subjective expression and mechanical reproduction high art and the world of things Noland builds upon close readings to construct a tradition of diverse lyricists from Arthur Rimbaud Blaise Cendrars and Renée Char to contemporary performance artists Laurie Anderson and Patti Smith allied in their concern with the nature of subjectivity in an age of mechanical reproduction **Theodore De Banville** David Evans, 2018-12-13 Theodore de Banville 1823-1891 was a prolific poet dramatist critic and prose fiction writer whose significant contribution to poetic and aesthetic debates in nineteenth century France has long been overlooked Despite his profound influence on major writers such as Baudelaire Rimbaud Verlaine and Mallarmé Banville polarised critical opinion throughout his fifty year career While supporters championed him as a virtuoso of French verse many critics dismissed his formal pyrotechnics effervescent rhythms and extravagant rhymes as mere clowning This book explores how Banville's remarkably coherent body of verse

theory and practice full of provocative energy and mischievous humour shaped debates about poetic value and how to identify it during a period of aesthetic uncertainty caused by diverse social economic political and artistic factors It features a detailed new reading of Banville s most infamous and misunderstood text the *Petit Traité de poésie française* as well as extended analyses of verse collections such as *Les Stalactites* *Odes funambulesques* *Les Exiles* *Trente six Ballades* and *Rondels* illuminated by wide reference to Banville s plays fiction and journalism Evans elucidates not only aesthetic tensions at the heart of nineteenth century French verse but also a centuries old tension between verse mechanisms and an unquantifiable mysterious and elusive poeticity which emerges as one of the defining narratives of poetic value from the Middle Ages via the Grands Rhétoriciens and Dada to the experiments of the OuLiPo and beyond *Humanistica Lovaniensia - Volume XLIII, Corona Martiniana* Gilbert Tournoy, 1994-02-15 Volume 43 *Dictionnaire Biographique Des Auteurs de Tous Les Temps Et de Tous Les Pays* Robert Laffont, Valentino Bompiani, 1957 **Кабинет доктора Либи́до. Том VII (Р - С)** Александр Сосновский, 2016-03-23 *Preparation of a Love Charm by a Youthful Witch 1470-1480* *Vers et prose*, 1910 *The Thousand and One Nights: Sources and Transformations in Literature, Art, and Science*, 2020-04-28 The Thousand and One Nights does not fall into a scholarly canon or into the category of popular literature It takes its place within a middle literature that circulated widely in medieval times The Nights gradually entered world literature through the great novels of the day and through music cinema and other art forms Material inspired by the Nights has continued to emerge from many different countries periods disciplines and languages and the scope of the Nights has continued to widen making the collection a universal work from every point of view The essays in this volume scrutinize the expanse of sources for this monumental work of Arabic literature and follow the trajectory of the Nights texts the creative scholarly commentaries artistic encounters and relations to science Contributors Ibrahim Akel Rasoul Aliakbari Daniel Behar Aboubakar Chraïbi Anne E Duggan William Granara Rafika Hammoudi Dominique Jullien Abdelfattah Kilito Magdalena Kubarek Michael James Lundell Ulrich Marzolph Adam Mestyan Eyþ zverén Marina Paino Daniela Potenza Arafat Abdur Razzaque Ahmed Saidy Johannes Thomann and Ilaria Vitali **Sartre's Critical Itinerary: 1931-1972** Joseph Halpern, 1972 *Poetry and Cosmogony* Chris Andrews, 2023-11-20 *Faux Titre* est une collection d'études en littérature française Depuis cinquante ans d'ailleurs elle offre une sélection d'essais de haute envergure couvrant l'ensemble du domaine de la recherche littéraire de la littérature médiévale jusqu'à l'extrême contemporain La collection offre également une plateforme pour de nouvelles pistes de recherche comme les études de traduction les littératures minoritaires les études du genre et queer l'écologie les sciences humaines multidisciplinares études hispaniques études transatlantiques études de religions et sciences sociales ainsi que des réflexions sur les études en littérature française en tant que discipline *Faux Titre* is a longstanding book series for state of the art research in the field of French language literature's Besides the more classical research in French literature covering the field of Medieval Studies to XXIth century literature the series offers a platform for new directions in literary studies in relation to translation
