*Index to Short Stories*, 1929      **The Captain of the "Pole-star,"** Arthur Conan Doyle, 1895      **Index to Short Stories--Supplement** Ina Ten Eyck Firkins, 1929      The Captain of the Polestar, and Other Tales Sir Arthur Conan Doyle, 2021 This morning I saw a star twinkling just over the fore yard the first since the beginning of May There is considerable discontent among the crew many of whom are anxious to get back home to be in time for the herring season when labour always commands a high price upon the Scotch coast As yet their displeasure is only signified by sullen countenances and black looks but I heard from the second mate this afternoon that they contemplated sending a deputation to the Captain to explain their grievance I much doubt how he will receive it as he is a man of fierce temper and very sensitive about anything approaching to an infringement of his rights I shall venture after dinner to say a few words to him upon the subject I have always found that he will tolerate from me what he would resent from any other member of the crew Amsterdam Island at the north west corner of Spitzbergen is visible upon our starboard quarter a rugged line of volcanic rocks intersected by white seams which represent glaciers It is curious to think that at the present moment there is probably no human being nearer to us than the Danish settlements in the south of Greenland a good nine hundred miles as the crow flies A captain takes a great responsibility upon himself when he risks his vessel under such circumstances No whaler has ever remained in these latitudes till so advanced a period of the year 9 P M I have spoken to Captain Craigie and though the result has been hardly satisfactory I am bound to say that he listened to what I had to say very quietly and even deferentially When I had finished he put on that air of iron determination which I have frequently observed upon his face and paced rapidly backwards and forwards across the narrow cabin for some minutes      **The Polestar and Other Tales**,      The Great Keinplatz Experiment and Other Tales of Twilight and the Unseen Arthur Conan Doyle, 2022-10-13 The Great Keinplatz Experiment and Other Tales of Twilight and the Unseen is a volume collecting 12 short stories written by Arthur Conan Doyle and published in 1925 by George H Doran Co      **The Captain of the Polestar and Other Tales** Arthur Conan Doyle, 2015-12-27 Arthur Conan Doyle's anthology The Captain of the Polestar and Other Tales takes readers on a captivating journey through the mystifying and often harsh realities of the 19th century The titular story The Captain of the Polestar sets the stage with an intense narrative of a whaling crew trapped in the icy Arctic under the enigmatic leadership of Captain Craigie As whispers of ghosts and the threat of starvation loom the crew's fears and superstitions create a tense atmosphere of suspense and dread In this collection Doyle masterfully blends elements of isolation madness and the supernatural exploring the depths of human endurance and psychological complexity Each tale delves into different aspects of human nature providing a glimpse into the social life and customs of 19th century Great Britain With themes of adventure mystery and the human condition this anthology is an enthralling read for those who appreciate stories set on the edge of civilization and sanity Through rich storytelling Doyle brings to life the perilous seafaring world and the intricate dynamics of its
