Rio Invisible:

Rio's big blast Alexandre Kostolias, 2017-10-10 The year is 2065 Rio de Janeiro Brazil is getting ready to celebrate its 500th anniversary Ten million people will attend the event at the giant Copacabana Beach Park Billions will watch on colossal screens spread throughout the Solar System However at midnight something unprecedented and bombastic will and is about to happen Bruna is perhaps the last human female of her species who wants to be loved wants to be a mother and who wants to love and nurture her own children Her civil cohabitant Maxim is too busy piloting spaceships to and from Planet Mars to offer her any attention Bruna fears he is at least in part an android An immersion into what things will be like living in Rio living in Brazil living on planet Earth living on the Moon and living on other planets in the Solar System More significantly this is an essay that seeks to address the overwhelming startling and unavoidable issue of whom and what we human beings will have become by 2065

Modern Folk Devils Martin Demant Frederiksen, Ida Harboe Knudsen, 2021-12-13 The devilish has long been integral to myths legends and folklore firmly located in the relationships between good and evil and selves and others But how are ideas of evil constructed in current times and framed by contemporary social discourses *Modern Folk Devils* builds on and works with Stanley Cohen's theory on folk devils and moral panics to discuss the constructions of evil The authors present an array of case studies that illustrate how the notion of folk devils nowadays comes into play and animates ideas of otherness and evil throughout the world Examining current fears and perceived threats this volume investigates and analyzes how and why these devils are constructed The chapters discuss how the devilish may take on many different forms sometimes they exist only as a potential threat other times they are a single individual or phenomenon or a visible group such as refugees technocrats Roma hipsters LGBT groups and rightwing politicians Folk devils themselves are also given a voice to offer an essential complementary perspective on how panics become exaggerated facts distorted and problems acutely angled Bringing together researchers from anthropology sociology political studies ethnology and criminology the contributions examine cases from across the world spanning from Europe to Asia and Oceania

Kirk Bowman, Jon Wilcox, 2021-09-07 Well meaning Westerners want to find ways to help the less fortunate Today many are not just volunteering abroad and donating to international nonprofits but also advancing innovations and launching projects that aim to be socially transformative However often these activities are not efficient ways of helping others and too many projects cause more harm than good Reimagining Global Philanthropy shares the journey of a conservative banker and a progressive professor to find a better way forward Kirk S Bowman and Jon R Wilcox explain the boom in the global compassion industry revealing the incentives that produce inefficient practices and poor outcomes Instead of supporting start up projects with long shot hopes for success they argue we can dramatically improve results by empowering local leaders Applying lessons from the success of community banks Bowman and Wilcox develop and implement a new model that significantly raises philanthropic efficacy Their straightforward and rigorously tested approach calls for community members to take the lead while outside partners play a supporting role Bowman and Wilcox recount how they tested the model in Brazil demonstrating the value of giving people in marginalized communities the opportunity to innovate In a time of widespread social reckoning this book shows how global philanthropy can confront its blind spots and failures in order to achieve truly transformative outcomes Readers can access five of the documentary films discussed in the book on a companion website In addition to the films chapter discussion questions and other supplemental materials are also available at the site [Revista Del Río de La Plata](#) ,1927 A journal dealing with financial economic and shipping affairs [Word Mingas](#) Miguel Rocha Vivas, 2021-08-15 Word Mingas is an English language translation by Paul M Worley and Melissa Birkhofer of the award winning book Mingas de la palabra written by Miguel Rocha Vivas Casa de las Américas 2016 It is an encompassing study of oralities multilayered cultural knowledge shared through the power of orality and written literatures by authors from Colombia and other regions in the hemisphere who self identify as Indigenous In consequential dialogue with the most recent theories of decoloniality and interculturality the book weaves and compares two threads of literary critique Rocha Vivas names as oralityographies and mirrored visions The study focuses on texts produced from the early 1990s to the present and offers productive avenues to discuss understand and foster dialogue with the wide array of symbolic literary systems of the original peoples Rocha Vivas offers a valuable contribution to the much needed dialogue on the basic rights of self representation self determination and the coexistence of multiple systems of representation and identity [Neruda](#) Volodia Teitelboim, 2013-05-01 Like a rain swollen river sweeping everything into its current Pablo Neruda channeled all his life experiences into impassioned poetry that ultimately brought him the 1971 Nobel Prize for literature His close friend and fellow writer activist Volodia Teitelboim shared that exciting process for forty years uniquely qualifying him to offer this intimate portrait of the poet Originally published in Spain in 1984 Neruda is a biography that reads like a novel Teitelboim captures the whole sweep of Neruda's eventful life 1904 1973 from his motherless childhood in Chile's rainy southern forest to his unquiet death just twelve days after the violent overthrow of the Allende government he had served He follows him
