Ripples In A Pond:

Utilitarianism J. J. C. Smart, Bernard Williams, 1973 A serious and controversial work in which the authors contribute essays from opposite points of view on utilitarian assumptions arguments and ideals Fundamentals of Ethics John Finnis, 1983 These are the six Carroll Lectures slightly revised and lightly annotated given at Georgetown University Washington DC in 1982 Preface Ripples on the Pond Named "Cracknell" Dee Cracknell, 2002 **Futuring** Edward Cornish, 2004 **Roger Nichols Recording Method** Roger Nichols, 2013-10-18 Learn the basics of digital recording each step of the signal path and everything from microphone placement to mixing strategy through the eyes and ears of The Immortal Roger Nichols master engineer and eight time Grammy award winner From scientifically analyzing the differences between condenser ribbon and dynamic microphones to sharing his secrets to an amazing mix Nichols delivers something for everyone interested in the science and art of audio engineering no matter what your experience level is The Roger Nichols Recording Method offers you the unique opportunity to learn directly from Roger Nichols himself exactly as he would have taught at one of his famous master classes The book is excellent for beginners but is still full of information for seasoned pros who want to know how Roger always managed to get that sound Included are links to Pro Tools session files personally set up by Roger to give you hands on training Covers How to plan your recording sessions like a professional engineer and producer Choosing the right microphones and how Roger would place them for a session Test microphone patterns learning about critical distance placement and the 3 to 1 rule Understanding digital audio and how it really works to choose the right format for your sessions Learning about the signal path from microphone instrument levels channels strips and plugins Recording multiple takes overdubs punch in techniques and gaining insight on editing digital audio files Roger s personal tips for mixing using automation creating your final mix and more *The Lost Teachings of Atlantis* Jon Peniel, 1997-07-06 This is the account of an American teenager who discovered a monastery in Tibet that was the inspiration for the legend of Shangri La It might be categorized as a new age or philosophy book like the Celestine Prophecy since it focuses on his spiritual training and their teachings in a novel like format Hard to believe but interestingly the sub tropical region amongst the Himalayas that he describes finding was later documented by explorers from National Geographic then covered up there is still evidence of this Also interesting is that the author was apparently mentioned in the Edgar Cayce readings the famous American psychic whose books have sold millions of copies as someone who would one day bring an important message to the world **The Ripple Effect** Pasquale De Marco, 2025-07-13 Prepare to embark on a transformative journey of self discovery and profound insights with The Ripple Effect Within these pages you ll find a tapestry of wisdom inspiration and practical tools to navigate the complexities of life Pasquale De Marco masterfully weaves together poignant anecdotes thought provoking reflections and scientific research to illuminate the ripple effect of our choices the echoes of our past and the currents of emotion that shape our destinies Each chapter delves into a different aspect of the human experience offering

a fresh perspective and actionable strategies for personal growth and fulfillment You ll explore the power of cause and effect understanding how our actions no matter how small can create lasting ripples in the lives of others Discover the lessons embedded in history as you uncover the profound impact of past events on our present circumstances Ride the tides of transformation embracing change as an opportunity for growth and renewal Confront the challenges of adversity and the storms of grief with resilience and unwavering support Learn to harness the power of positive emotions and cultivate a mindset of gratitude joy and compassion Through the mirrors of reflection you ll gain a deeper understanding of your inner self your relationships and the interconnectedness of all things The Ripple Effect is a transformative guide that empowers you to create a life of purpose meaning and fulfillment With each page you ll uncover new insights perspectives and tools to navigate the ever changing currents of life Embrace the ripple effect and become a beacon of positive change in the world If you like this book write a review

Higher-order Theories of Consciousness Rocco J. Gennaro,2004-01-01 Higher Order HO theories of consciousness have in common the idea that what makes a mental state conscious is that it is the object of some kind of higher order representation This volume presents fourteen previously unpublished essays both defending and criticizing this approach to the problem of consciousness It is the first anthology devoted entirely to HO theories of consciousness There are several kinds of HO theory such as the HOT higher order thought and HOP higher order perception models and each is discussed and debated Part One contains essays by authors who defend some form of HO theory Part Two includes papers by those who are critics of the HO approach Some of the topics covered include animal consciousness misrepresentation the nature of pain subvocal speech subliminal perception blindsight the nature of emotion the difference between perception and thought first order versus higher order theories of consciousness and the relationship between nonconscious and conscious mentality Series A
