Resurrection of the Dead in Early Judaism, 200 BCE-CE 200 C. D. Elledge, 2017-05-05 Resurrection of the dead represents one of the more enigmatic beliefs of Western religions to many modern readers In this volume C D Elledge offers an interpretation of some of the earliest literature within Judaism that exhibits a confident hope in resurrection He not only aids the study of early Jewish literature itself but expands contemporary knowledge of some of the earliest expressions of a hope that would become increasingly meaningful in later Judaism Christianity and Islam Elledge focuses on resurrection in the latest writings of the Hebrew Bible the Apocrypha Pseudepigrapha Dead Sea Scrolls as well as the writings of other Hellenistic Jewish authors He also incorporates later rabbinic writings early Christian sources and inscriptions as they shed additional light upon select features of the evidence in question This allows for a deeper look into how particular literary works utilized the discourse of resurrection while also retaining larger comparative insights into what these materials may teach us about the gradual flourishing of resurrection within its early Jewish environment Individual chapters balance a more categorical comparative approach to the problems raised by resurrection definitions diverse conceptions historical origins strategies of legitimation with a more specific focus on particular pieces of the early Jewish evidence 1 Enoch Dead Sea Scrolls Josephus Resurrection of the Dead in Early Judaism 200 BCE CE 200 provides a treatment of resurrection that informs the study of early Jewish theologies as well as their later reinterpretations within Rabbinic Judaism and Christianity

Reincarnation in America Lee Irwin, 2017-07-31 Reincarnation in America An Esoteric History surveys the complex history of reincarnation theories across multiple fields of discourse in a pre American context ranging from early Greek traditions to Medieval Christian theories Renaissance esotericism and European Kabbalah all of which had adherents that brought those theories to America Rebirth theories are shown in all these groups to be highly complex and often disjunctive with mainstream religions even though members of conventional religions frequently affirm the possibility of rebirth As a history of an idea reincarnation theory is a current vital belief pattern that cuts across a wide spectrum of social cultural and scientific domains in a long complex history not reducible to any specific religious or theoretical explanation This book is cross disciplinary and multicultural linking religious studies perspectives with science based research it draws upon many distinct disciplines and avoids reduction of reincarnation to any specific theory The underlying thesis is to demonstrate the complexity of reincarnation theories what is unique is the historical overview and the gradual shift away from religious theories of rebirth to new theories that are therapeutic and trans traditional *Atonement and the Logic of Resurrection in Hebrews 9:27-28* William W. Henry, 2024-09-05 The general believer waiting for salvation by Jesus hopes to see him appear while living or promptly at death Comfort during loss of life usually portrays those passing now in heaven Conversely the more religiously academic the less one thinks anyone ever goes to heaven Trained scholars typically choose a closed heaven with temporal delays and spatial detours in limitation of God s promises about so great salvation Better typically perceives as

a resuscitated flesh on earth that lives by decay of the surrounding creation Hearing word meaning by mapping creation with an old first century option for plural heavens this project reexamines the conversation recommended by the pastor in the letter to the Hebrews about promises regarding the twofold ministry of Christ By analysis with current study tools the conversation both challenges the common academy views and reintroduces a first century hearing option for God s speech concerning prompt postmortem Christ fulfillment into heaven Listening includes the milk of the beginning teaching requirements for atonement and logic of resurrection to God immediately after death and judgment Hearing senses the solid food about priestly intercession by Jesus after death at judgment to shepherd his believers for salvation into heaven a very little while after individual death and judgment

Western Esotericism Nicholas Goodricke-Clarke,2017-07-05 Esotericism is the search for an absolute but hidden knowledge accessed through mystical vision the mediation of higher beings or personal experience In Western cultural history esoteric approaches to religion have often been in conflict with and suffered at the hands of more established forms of religious belief and practice Western Esotericism presents a very broad and engaging history of the people and ideas which have shaped occult history from antiquity to today Throughout the history of esotericism the dynamic of concealment and revelation has characterized the search for secret knowledge Pursued both publically and privately esotericism has come to influence more mainstream religious practice and culture and has significantly shaped our understanding of modernity Today esotericism continues to be practised by a range of both established and new religious movements Western Esotericism presents the essential guide to one of the most fascinating provocative and sustained of religious traditions

Bede and the Cosmos Eoghan Ahern,2020-05-26 Bede and the Cosmos examines Bede s cosmology his understanding of the universe and its laws It explores his ideas regarding both the structure and mechanics of the created world and the relationship of that world to its Creator Beginning with On the Nature of Things and moving on to survey his writings in other genres it demonstrates the key role that natural philosophy played in shaping Bede s worldview and explores the ramifications that this had on his cultural theological and historical thought From questions about angelic bodies and the destruction of the world at judgement day to subtle arguments about free will and the meaning of history Bede s fascinating and unique engagement with the natural world is explored in this comprehensive study

Beasts that Teach, Birds that Tell: Animal Language in Rabbinic and Classical Literatures Eliezer Segal, 2019 A study of rabbinic texts about talking animals examined in the context of Greek and Roman cultures

The Fire That Consumes Edward William Fudge, 2012-10-25 While carefully examining the complete teaching of Scripture on the subject of Final Punishment Fudge defends the view that the destiny of the unsaved will be final destruction rather than eternal conscious torment in hell as defended by the traditional view The 3rd edition of this meticulous and compelling book takes a close look at the traditionalist critics and brings an overview of developments in the last thirty years

God, Self, and Death Shannon Burkes Pinette, 2021-12-28 This volume considers the emerging Jewish interest in an afterlife during the second temple

period in relation to developing views of the deity and the self In some circles God is understood as increasingly distant from the human sphere and so justice must occur in another world or after death at the same time more autonomous constructions of the self in response to community breakdown suggest that reward and punishment come not only collectively but also on the individual level in a post mortem realm The book traces the interconnections between these themes in Job and Ecclesiastes Ben Sira and Daniel then Wisdom of Solomon and 4 Ezra crossing genre boundaries in an attempt to offer a more encompassing historical investigation

Commission Narratives István Czachesz, 2007 Commission Narratives is based on the author's doctoral dissertation in Groningen 2002 The monograph offers the first overarching comparative treatment of commission narratives in the canonical and apocryphal Acts of the Apostles analysing them in their ancient literary setting Following a survey of this widespread narrative theme in the cultural environment of early Christianity Czachesz establishes a threefold social typology of divine commission institutional prophetic and philosophical and explores the occurrences of the three types in the canonical and apocryphal Acts The central chapters of the book provide a close reading of the textual evidence investigating intertextual relations the function of commission in the narrative structure and the biographical models of self definition that commission stories offered to the ancient readers in their changing social and ecclesiastical environments Based on this textual analysis Czachesz makes new proposals about the reconstruction Sitz im Leben and dating of several apocryphal Acts Finally he examines the synchronic structure of commission showing that the variety of commission narratives emerges from a constant set of motifs that are generated by interactions among the characters

The Battle for the Keys Justin W Bass, 2014-04-01 There has been a lack of serious historical investigation of the famous creedal statement Christ descended into hell that was universally affirmed by the church for the first 1 500 years of Church history This book is an in depth investigation of the history of the doctrine of Christ's descent and how Revelation 1 18 alludes to Christ's descent

COMMENDATION In *The Battle for the Keys* Justin Bass leads us through an exceptional exegetical historical and theological exploration of the question of both the whether and whither of the Christ's descensus ad infernos Whatever doubters or believers choose to do with Dr Bass's competent and convincing evidence arguments and conclusions they cannot choose to ignore them Michael J Svigel Dallas Theological Seminary USA

The Tradition of Hermes Trismegistus Christian H. Bull, 2018-09-24 In *The Tradition of Hermes Trismegistus* Christian H Bull argues that the treatises attributed to Hermes Trismegistus reflect the spiritual exercises and ritual practices of loosely organized brotherhoods in Egypt These small groups were directed by Egyptian priests educated in the traditional lore of the temples but also conversant with Greek philosophy Such priests who were increasingly dispossessed with the gradual demise of the Egyptian temples could find eager adherents among a Greek speaking audience seeking for the wisdom of the Egyptian Hermes who was widely considered to be an important source for the philosophies of Pythagoras and Plato The volume contains a comprehensive analysis of the myths of Hermes Trismegistus a reevaluation of the Way of Hermes and a

contextualization of this ritual tradition **On the Gods and the World** Vojtěch Hladký, 2024-05-01 The Derveni papyrus is a multi layered and intricate philosophical and religious treatise written in Greek probably just before 400 BCE Since its discovery in 1962 the papyrus has attracted the attention of scholars in several areas of Classical studies mostly ancient philosophy and religion but also literary studies The anonymous author of the text quotes a previously unknown Orphic poem and comments on it using philosophical motifs and concepts borrowed from various Presocratic thinkers but especially Heraclitus and the Anaxagoreans The book presents a new interpretation of various aspects of this complex text situating the treatise within the tradition of allegorical interpretation providing an interpretation of the opening columns which describe a peculiar ritual and contain some Heraclitean material including as the study argues some previously unknown fragments reconstructing the contents of the Orphic poem upon which the Derveni author comments examining various allegorical devices employed by the Derveni author in his explanation of the Orphic poem following his commentary in detail and finally discussing the likely intellectual background in which the Derveni treatise originated In general the study argues that rather than being the work of a philosophising Orphic initiate the Derveni treatise is a philosophical text whose aim was to explain a nonstandard religious poem The commentary explains the Orphic poem from a perspective influenced by discussions among the followers of philosophy of Anaxagoras and Heraclitus and employs reflections on the use and function of language found in the writings of some contemporary thinkers Based on an analysis of sources upon which the Derveni papyrus is based it is concluded that its author was probably active in Athens in late fifth century BCE and may have been a person close to Socrates teacher Archelaus *Intoxication in the Ancient Greek and Roman World* Alan Sumler, 2023-11-22 Intoxication in the Ancient Greek and Roman World considers the psychotropic plants used in the ancient world and ancient attitudes towards intoxication Alan Sumler surveys primary Greek and Roman sources for noteworthy mentions of ancient intoxicants like hellebore mandrake deadly nightshade thorn apple opium poppy cannabis wine and other substances and reveals how psychoactive drugs were used in ancient Greek and Roman religion medicine magic artistic inspiration and recreation Interpreted through the lens of modern day scholarship from Classics philosophy and ethnobotany the primary sources illuminate how commonplace psychotropic plants and drugs were in the ancient Greek and Roman world and given different contexts for psychotropic drug usage what attitudes these societies held about the appropriateness of intoxication

Educating Early Christians through the Rhetoric of Hell Meghan Henning, 2014-11-07 Meghan Henning explores the rhetorical function of the early Christian concept of hell drawing connections to Greek and Roman systems of education and examining texts from the Hebrew Bible Greek and Latin literature the New Testament early Christian apocalypses and patristic authors *Western Esotericism* Kocku von Stuckrad, 2016-04-15 Esotericism is the search for an absolute but hidden knowledge accessed through mystical vision the mediation of higher beings or personal experience In Western cultural history esoteric approaches to religion have often been in conflict with and suffered at the hands of more established

Near Death Experiences Anthony Peake, 2024-11-01 As the bestselling author of *Is There Life After Death* and *Cheating the Ferryman* Anthony Peake has studied the phenomena surrounding what happens when we die In *Near Death Experiences* he takes a look at a phenomenon that has garnered great attention from both academics and scientists who study the workings of the brain and the physiological events that are associated with this seemingly inexplicable state By marrying up anecdotal evidence with empirical scientific evidence Peake proffers the latest theories behind what we call near death experiences and how those investigating them are trying to reconcile an apparent state of awareness on the part of the person concerned with the fact that clinically they are considered by physicians to be in a state of clinical death with no signs of bodily functions It makes for a fascinating read that takes us into an area of neuroscientific research that is continually evolving
