Rise And Fall Of The Confederate Government

Jefferson Davis

Rise And Fall Of The Confederate Government:

The Rise and Fall of the Confederate Government Jefferson Davis, 1912 **The Rise and Fall of the Confederate Government** Jefferson Davis, 1881 **The Rise And Fall Of The Confederate Government** Jefferson Davis, 1990-08-22 A decade after his release from federal prison the 67 year old Jefferson Davis ex president of the Confederacy the Southern Lincoln popularly regarded as a martyr to the Confederate cause began work on his monumental Rise and Fall of the Confederate Government Motivated partially by his deep rooted antagonism toward his enemies both the Northern victors and his Southern detractors partially by his continuing obsession with the cause and partially by his desperate pecuniary and physical condition Davis devoted three years and extensive research to the writing of what he termed an historical sketch of the events which preceded and attended the struggle of the Southern states to maintain their existence and their rights as sovereign communities The result was a perceptive two volume chronicle covering the birth life and death of the Confederacy from the Missouri Compromise in 1820 through the tumultuous events of the Civil War to the readmission of the Southern states to the U S Congress in the late 1860s Supplemented with a new historical foreword by the Pulitzer Prize winning James M McPherson The Rise and Fall of the Confederate Government Volume I belongs in the library of anyone interested in the root causes the personalities and the events of America s greatest war **The Rise and Fall of the Confederate Government** Jefferson Davis, 2016-01-20 Many Southerners and Northerners wrote about the Civil War after it was over but none of them held as senior a position as Jefferson Davis the Confederate president While other generals wrote memoirs that historians still continue to debate about Davis wrote the most comprehensive tome about the political aspects of the Civil War particularly his fullthroated defense of the Confederacy s right to secede His memoir The Rise and Fall of the Confederate Government is one of the most controversial works to come out of the Civil War Volume I explains the political background of the country before the war as well as his analysis of the Constitution and the right to secede Volume II picks up where Volume I left off with the seminal events of 1862 following the secession and the first battles of 1861 Volume II covers everything from 1862 to the end of the war *The Rise and Fall of the Confederate Government* Jefferson Davis, 2024-05-04 Reprint of the original first published in 1881 **Rise and Fall of the Confederate Government** President Jefferson Davis, 2010-08-08 All 3 books parts in one volume Large Print 14 point font The object of this work has been from historical data to show that the Southern States had rightfully the power to withdraw from a Union into which they had as sovereign communities voluntarily entered that the denial of that right was a violation of the letter and spirit of the compact between the States and that the war waged by the Federal Government against the seceding States was in disregard of the limitations of the Constitution and destructive of the principles of the Declaration of Independence The author from his official position may claim to have known much of the motives and acts of his countrymen immediately before and during the war of 1861 65 and he has sought to furnish material for the future historian who when the passions and

prejudices of the day shall have given place to reason and sober thought may better than a contemporary investigate the causes conduct and results of the war **The Rise and Fall of the Confederate Government - Volume I** Jefferson Davis,2015-04-13 The Rise and Fall of the Confederate Government Volume I from Jefferson Davis President of the Confederate States of America during the entire Civil War 1861 to 1865 1808 1889 *The Rise and Fall of the Confederate Government* Jefferson Davis,1881 *The Rise and Fall of the Confederate Government, Volume 1* Jefferson Davis,2018-02-24 A decade after his release from federal prison the 67 year old Jefferson Davis ex president of the Confederacy the Southern Lincoln popularly regarded as a martyr to the Confederate cause began work on his monumental Rise and Fall of the Confederate Government Motivated partially by his deep rooted antagonism toward his enemies both the Northern victors and his Southern detractors partially by his continuing obsession with the cause and partially by his desperate pecuniary and physical condition Davis devoted three years and extensive research to the writing of what he termed an historical sketch of the events which preceded and attended the struggle of the Southern states to maintain their existence and their rights as sovereign communities The result was a perceptive two volume chronicle covering the birth life and death of the Confederacy from the Missouri Compromise in 1820 through the tumultuous events of the Civil War to the readmission of the Southern states to the U S Congress in the late 1860s Supplemented with a new historical foreword by the Pulitzer Prize winning James M McPherson The Rise and Fall of the Confederate Government Volume I belongs in the library of anyone interested in the root causes the personalities and the events of America s greatest war We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

The Rise and Fall of the Confederate Government Jefferson Davis,2008-12-01 The North had their orders Capture or kill Jefferson Davis the rebel President of the Confederate South Davis was captured and upon his release from federal prison crafted this intimate Civil War document that gives a powerful firsthand account of the South s defeat and the reasons behind its secession from the Union **The Rise and Fall of the Confederate Government** Jefferson Davis,2022-11-04 There is only one person who knows the complete truth about the American Civil War Discover it for yourself Read our facsimile reprint of Jefferson Davis 1881 masterpiece The Rise and Fall of the Confederate Government [The Rise and Fall of the Confederate Government - Scholar's Choice Edition](#) Jefferson Davis,Louis Freidenberg,2015-02-13 This work has been
