Rising in Consciousness Joel S. Goldsmith, 1997-06 *The Publishers Weekly* ,1911 *Shamanic Creativity* Evelyn C. Rysdyk, 2021-12-21 Explains how creativity or creative energy is a life giving force that frees the imagination supports innovation and awakens unique ways of thinking and feeling that can transform your life Explores how to use spirit journeying and ceremony alongside experiential shamanic exercises to release creativity blocking patterns reprogram the subconscious engage the right brain boost imagination and overcome anxiety and other destructive emotions Provides suggestions for when your creative energy is at a low tide In this step by step practical guide to enhancing creative energy Evelyn Rysdyk explains from the shamanic perspective how creativity or creative energy is a life giving force that frees the imagination supports innovation and awakens unique ways of thinking and feeling that can transform your life She explores how to use the shamanic technologies of spirit journeying and ceremony alongside experiential shamanic exercises to release creativity blocking patterns reprogram the subconscious engage the right brain boost imagination overcome anxiety and destructive emotions and become much more creative in daily life Examining creative energy as a natural phenomenon similar to the tides the author provides suggestions for when your creative energy is at a low tide as well as offering shamanic techniques for dealing with insecurities related to your creative pursuits and overcoming dysfunctional subconscious perceptions Presenting a wealth of experiential exercises rituals and shamanic principles this guide gives you the keys to unlock your own creative birthright *Cumulative Book Index* ,1998 A world list of books in the English language *Tripping on Utopia* Benjamin Breen, 2024-01-16 A Los Angeles Times Bestseller One of The New Yorker's best books of 2024 A bold and brilliant revisionist take on the history of psychedelics in the twentieth century illuminating how a culture of experimental drugs shaped the Cold War and the birth of Silicon Valley It was not the Baby Boomers who ushered in the first era of widespread drug experimentation It was their parents Far from the repressed traditionalists they are often painted as the generation that survived the second World War emerged with a profoundly ambitious sense of social experimentation In the 40s and 50s transformative drugs rapidly entered mainstream culture where they were not only legal but openly celebrated American physician John C Lilly infamously dosed dolphins and himself with LSD in a NASA funded effort to teach dolphins to talk A tripping Cary Grant mumbled into a Dictaphone about Hegel as astronaut John Glenn returned to Earth At the center of this revolution were the pioneering anthropologists and star crossed lovers Margaret Mead and Gregory Bateson Convinced the world was headed toward certain disaster Mead and Bateson made it their life's mission to reshape humanity through a new science of consciousness expansion but soon found themselves at odds with the government bodies who funded their work whose intentions were less than pure Mead and Bateson's partnership unlocks an untold chapter in the history of the twentieth century linking drug researchers with CIA agents outsider sexologists and the founders of the Information Age As we follow Mead and Bateson's fractured love affair from the malarial jungles of New

Guinea to the temples of Bali from the espionage of WWII to the scientific revolutions of the Cold War a new origin story for psychedelic science emerges

The Fellowship Church Amanda Brown, 2021-06-16 The Fellowship Church explores the evolution of the American religious left through a case study of the African American intellectual and theologian Howard Thurman and the physical embodiment of his thought The Church for the Fellowship of All Peoples The Fellowship Church which Thurman co founded in San Francisco in 1944 was the nation's first interracial intercultural and interfaith church Amidst the growing nationalism of the World War II era and the heightened suspicion of racial and cultural others the Fellowship Church successfully established a pluralistic community based on the idea that if people can come together in worship over time would emerge a unity that would be stronger than socially imposed barriers Rooted in the belief that social change was inextricably connected to internal psychological transformation and the personal realization of the human community it was an early expression of Christian nonviolent activism within the long Civil Rights Movement The Fellowship Church was a product of evolving twentieth century ideas and a reflection of the shifting mid century American public consciousness This book examines a broad scope of modern themes including the philosophy of pragmatism mysticism and Christian liberalism racism and imperialism cosmopolitanism and pluralism war and pacifism and nonviolence Not only does it expand on our understanding of twentieth century American intellectual history and the origins of the Civil Rights Movement it offers an exciting look into ways people have initiated grassroots activism during times when government has failed to protect its citizens civil liberties safety and overall wellbeing through judicial safeguards
