Rising Tide:

The Rising Tide Ann Cleeves, 2022-09-06 From Ann Cleeves New York Times bestselling and award winning author of the Vera and Shetland series both of which are hit TV shows comes the stunning tenth Vera Stanhope novel *The Rising Tide* a powerful novel about guilt betrayal and the longheld secrets people keep A New York Times and USA Today Bestseller Soon to be an episode of the hit TV show Vera Ann Cleeves is one of my favorite mystery writers Louise Penny For fifty years a group of friends have been meeting regularly for reunions on Holy Island celebrating the school trip where they met and the friend that they lost to the rising causeway tide five years later Now when one of them is found hanged Vera is called in Learning that the dead man had recently been fired after misconduct allegations Vera knows she must discover what the friends are hiding and whether the events of many years before could have led to murder then and now But with the tide rising secrets long hidden are finding their way to the surface and Vera and the team may find themselves in more danger than they could have believed possible

Rising Tide John M. Barry, 2007-09-17 A New York Times Notable Book of the Year winner of the Southern Book Critics Circle Award and the Lillian Smith Award An American epic of science politics race honor high society and the Mississippi River *Rising Tide* tells the riveting and nearly forgotten story of the Great Mississippi Flood of 1927 The river inundated the homes of almost one million people helped elect Huey Long governor and made Herbert Hoover president drove hundreds of thousands of African Americans north and transformed American society and politics forever The flood brought with it a human storm white and black collided honor and money collided regional and national powers collided New Orleans s elite used their power to divert the flood to those without political connections power or wealth while causing Black sharecroppers to abandon their land to flee up north The states were unprepared for this disaster and failed to support the Black community The racial divides only widened when a white officer killed a Black man for refusing to return to work on levee repairs after a sleepless night of work In the powerful prose of *Rising Tide* John M Barry removes any remaining veil that there had been equality in the South This flood not only left millions of people ruined but further emphasized the racial inequality that have continued even to this day

Atlantis Rising Tide Allie Burton, 2013-06-15 When a girl goes from lifeguard to princess Maris Sanders thinks she s a normal high school girl Until she starts developing underwater powers that aren t normal at all When a good looking stranger with the odd name of Cuda comes into her life and tells her stories she discovers a history that stuns her A lost princess A lost kingdom And two lost sisters she never knew she had Not knowing who to believe Maris is determined to find the truth About herself her powers and her sisters But a scientist hired by Cuda s father is determined to use her as a science experiment Maris must decide whether to risk her life and her present human reality to join a battle under the sea And if she doesn t will she ever find where she truly belongs This is the third book in a young adult fantasy action adventure novel series Each of the books stand alone I read all 3 books in the collection by Allie Burton I read one and then I quickly purchased the other two The way the

stories tied together and how the girls realized they were sisters was enchanting I hope there will be more books to come in this series Reviewer Other books in the Atlantis series Atlantis Riptide free Atlantis Red Tide Atlantis Tide Breaker Atlantis Dark Tides Atlantis Twisting Tides and Atlantis Glacial Tides **Rising Tide** Patricia Twomey Ryan,2015-01-01 Emily Harrington returns to the Caribbean where she is reunited with old friends romance and murder When Emily Harrington heads back to Aruba for the wedding of Annie and Martin Maitland s daughter Sarah in the stunning coastal resort of Island Bluffs she is soon reunited with old friends including Chief Inspector Thomas Moller and makes new ones too But the morning after the wedding the body of a beautiful young girl washes up on Manchebo Beach The police have little to go on except for a gold bangle bracelet on her wrist Will it lead them to her murderer As the mystery of the bracelet is unravelled Emily finds herself plunged into danger again High Tide Mark Lynas,2004-06 Reveals the first evidence collected during a three year journey across five continents about how global warming is affecting people s lives **At the Base of the Giant's Throat** Anthony R. Palumbi,2023 There are ninety thousand registered dams in the United States fifty thousand of them classified as major Nearly all of this infrastructure was built during a forty year period from 1932 to 1972 in an era of public investment and political consensus that seems inconceivable today These incredible structures sometimes called the American Pyramids helped the country rebound from the Great Depression brought water and electricity to enormous reaches helped win World War II for the Allies and became the basis for decades of prosperous stability At the Base of the Giant s Throat dives into the history of dam building in the United States as natural waterscapes have been replaced with engineered environments and the bone dry West became America s produce aisle From the Folsom Powerhouse cranking sixty hertz alternating current in the 1890s to the iconic Hoover Dam and the gargantuan Grand Coulee Dam Anthony R Palumbi lays out how dams and water projects changed the North American continent forever and laid the groundwork for an age of unprecedented prosperity He also describes how institutional complacency corrupted the ethos of public power and public works and how the influence of rich landowners undermined the credibility of that ethos Palumbi shows how our nation s ability to cope with natural disasters has been fatally compromised by underinvestment in decaying infrastructure He argues that a livable future demands investment on a scale few Americans currently grasp To win that future we must interrogate the history of our most vital public works the dams canals and levees helping to channel life s most precious molecule At the Base of the Giant s Throat tells the story of America through its water sweeping across five hundred years of history from the swashbuckling exploits of French colonist Samuel de Champlain to the nightmarish urban flooding of Hurricane Katrina and Hurricane Sandy **The Rising Tide** Margaret Deland,1916 A novel about issues confronting women in the years just before suffrage The Rising Tide Wikipedia H.O.
