Rising Antichrist Is Born:

The Rising Tim LaHaye, Jerry B. Jenkins, 2005 The countdown to Rapture begins as Marilena Carpathia unknowingly gives birth to the Antichrist and half a world away God's plans begin to take form in young Ray Steele **The Rising** Tim F. The Apocalypse Is Everywhere Anne Rehill, 2009-11-12 This wide LaHaye,2005 The Rising Tim LaHaye, 2014-12 ranging exploration of the apocalypse in Western culture seeks to understand how we have come to be so preoccupied with spectacular visions of our own annihilation offering abundant examples of the changing nature of our imagined destruction and predisposing readers to discover many more all around them The Apocalypse Is Everywhere A Popular History of America's Favorite Nightmare explores why apocalyptic thinking exists how it has been manifested in Western culture through the ages and how it has woven itself so thoroughly into our popular culture today Beginning with contemporary apocalyptic expressions the book demonstrates how surprisingly widespread they are It then discusses how we inherited them and where they arose Author Annie Rehill surveys the ancient belief systems from which Christianity evolved including ancient Judaism and other faiths She explores the vision outlined in the Book of Revelation and traces the apocalyptic thread through the Middle Ages across the Reformation and Enlightenment and to the Americas Finally to prove that the Apocalypse is indeed everywhere Rehill returns to the present to consider the idea of apocalypse as it occurs in movies books comics and graphic novels games music and art as well asin televangelism and even presidential speeches Her fascinating scholarship will surely have readers looking about them with new eyes Left Behind Answered Verse by Verse David Reed, 2008-01-01 Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church LEFT BEHIND gives them all a second chance But is that what Jesus taught His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming But LEFT BEHIND does Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries Author of JEHOVAH S WITNESSES ANSWERED VERSE BY VERSE and MORMONS ANSWERED VERSE BY VERSE Baker Book House David A Reed is known worldwide as an expert in refuting false prophecy The Left Behind Fantasy William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led

many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense The Precinct 11 Collection: The Brotherhood / The Betraval / The Breakthrough Jerry B. Jenkins, 2016-11-08 This collection bundles all three of bestselling author Jerry B Jenkins s Precinct 11 crime suspense novels into one e book for a great value 1 The Brotherhood Boone Drake has it made He s a young cop rising rapidly through the ranks of the Chicago Police Department He has a beautiful wife and a young son a nice starter house a great partner and a career plan that should land him in the Organized Crime Division within five years Everything is going right Until everything goes horribly terribly wrong His personal life destroyed and his career and future in jeopardy Boone buries himself in guilt and bitterness as his life spirals out of control But when he comes face to face with the most vicious gang leader Chicago has seen in decades he begins to realize that God is a God of second chances and can change the hardest heart and forgive the worst of crimes A thought provoking police thriller from New York Times best selling author Jerry B Jenkins 2 The Betrayal Detective Boone Drake has just masterminded the most massive sting in Chicago history bringing down the heads of not only the biggest street gangs in the city but also the old crime syndicate The story is the biggest in decades and the Chicago Police Department must protect the key witness at all costs Despite top secret plans to transfer the witness ahead of his testimony before the grand jury an attempt is made on his life And the person suspected of leaking this information may be one of the CPD s own 3 The Breakthrough As the youngest bureau chief and head of the Chicago Police Department's Major Case Squad Boone Drake seems to have it all under control Only those closest to him know that just a few short years ago he lost everything that mattered to him in a tragic accident After years of healing his life is back on track He recently married a wonderful woman named Haeley adopted her son bought a beautiful home and rediscovered his faith But Boone can t fight the feeling that something is about to go terribly wrong again When an all too personal case takes Boone to Beijing at a time when Haeley can least afford to let him go Boone is forced to make a difficult choice There he becomes enmeshed in a dangerous human trafficking ring that takes him through the famed Hutong District's narrow streets alleys and hovels Teamed with a former Liberation Army officer Boone has one chance to pull off an elaborate sting and rescue a young boy before he disappears The End of Meaning Matthew Gumpert, 2012-04-25 The specter of the apocalypse has always been a semiotic forever fantasy only at the end of all things will their true meaning be revealed Our long romance with catastrophe is inseparable from the Western hermeneutical tradition our search for an elusive truth one that can only be uncovered through the interminable work of interpretation Catastrophe terrifies and tantalizes to the extent it promises an end to this task 9 11 is this book s beginning but not its end Here it seemed was the apocalypse America had long been waiting for until it became just another event And indeed the real lesson of 9.11 may be that catastrophe is the purest form of the event From the poetry

of classical Greece to the popular culture of contemporary America The End of Meaning seeks to demonstrate that catastrophe precisely as the notion of the sui generis has always been generic This is not a book on the great catastrophes of the West it offers no canon of catastrophe no history of the catastrophic The End of Meaning asks instead what if meaning The End of All Things Is at Hand Veli-Matti Karkkainen, 2022-01-20 This book proposes a bold itself is a catastrophe vision of the end of human life and the cosmos based on the hopeful vision of Christian faith In a dialogue with the best of Christian tradition the natural sciences conjectures of the end as well as Islam's rich teaching on the doctrine of the Last Things a fresh constructive eschatology is recommended While based on wide and deep academic learning the conversational style of the book makes it suitable for various kinds of audiences from pastors to students to scholars and to interested lay Plotting Apocalypse Jennie Chapman, 2013-09-12 It is the not too distant future and the rapture has occurred Every folks born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics **Sin, Sex, and Democracy** Cynthia Burack, 2008-04-17 While the Christian Right has spearheaded a variety of antigay projects over the past fifteen years including interventions in public schools antigay rights initiatives and support for a constitutional amendment banning same sex marriage observers of the institutionalized Christian Right have also noted a softening of antigay public rhetoric Sin Sex and Democracy analyzes these two ostensibly conflicting phenomena Examining Christian witnessing tracts the ex gay movement and recent linkages between gays and terrorists Cynthia Burack argues that as the Christian Right has become a more sophisticated interest group leaders have become adept at tailoring different messages for mainstream audiences and for the internal pedagogical processes of Christian conservatives Understanding the rhetoric and the theological convictions that lie behind them Burack claims is essential to better

understand how American politics work and how to effectively respond to exclusionary forms of political thought and practice Once Upon a Time in a Dark and Scary Book K. Shryock Hood, 2018-06-07 Contemporary American horror literature for children and young adults has two bold messages for readers adults are untrustworthy unreliable and often dangerous and the monster always wins as it must if there is to be a sequel Examining the young adult horror series and the religious horror series for children Left Behind The Kids for the first time and tracing the unstoppable monster to Seuss's Cat in the Hat this book sheds new light on the problematic message produced by the combination of marketing and books for contemporary American young readers American Evangelicals for Trump André Gagné, 2023-12-01 This book introduces the American Evangelical movement and the role it played in the support of Donald Trump Specifically it focuses on the Neocharismatic Pentecostal NCP leaders their beliefs and their political strategies. The author examines why 81% of white evangelicals voted for Trump in 2016 and why he still received between 76% and 81% of their vote in 2020 despite losing the presidency Additionally the book discusses how NCP leaders are part of the Christian Right a religious coalition with a political agenda centered on controversial issues such as anti abortion activism opposition to LGBTQ rights and the protection of religious freedom Structured around the three main ideas inspiring NCP leaders who supported Trump in 2016 and 2020 Dominion Spiritual Warfare and Eschatology the End Times the book examines how these ideas have sustained the evangelicals close to U S political power in the Trump era In light of the potential for Trump s return to power in 2024 the book serves as a warning of what a renewed alliance between Trump and his former NCP supporters could bring It is an essential read for all students and researchers of Evangelicalism Religion in America Political Theology or Religion and American Cities in Post-Apocalyptic Science Fiction Robert Yeates, 2021-11-15 Visions of the American city Politics in post apocalyptic ruin permeate literary and popular fiction across print visual audio and digital media American Cities in Post Apocalyptic Science Fiction explores the prevalence of these representations in American culture drawing from a wide range of primary and critical works from the early twentieth century to today Beginning with science fiction in literary magazines before taking in radio dramas film video games and expansive transmedia franchises Robert Yeates argues that post apocalyptic representations of the American city are uniquely suited for explorations of contemporary urban issues Examining how the post apocalyptic American city has been repeatedly adapted and repurposed to new and developing media over the last century this book reveals that the content and form of such texts work together to create vivid and immersive fictional spaces in ways that would otherwise not be possible Chapters present media specific analyses of these texts situating them within their historical contexts and the broader history of representations of urban ruins in American fiction Original in its scope and cross media approach American Cities in Post Apocalyptic Science Fiction both illuminates little studied texts and provides provocative new readings of familiar works such as Blade Runner and The Walking Dead placing them within the larger historical context of imaginings of the American city in ruins **Evangelical America Timothy**
