Risking Utopia On The Edge Of A New Democracy:

Risking Utopia Irshad Manji, 1997 The Once and Future Canadian Democracy Janet Ajzenstat, 2003 Annotation An inspiring case for parliamentary democracy and a sympathetic exploration of current discontents **Risking Utopia** Irshad Manji, 1997-01-01 *Multiculturalism and Immigration in Canada* Elspeth Cameron, 2004 Multiculturalism in Canada offers a solid introduction to the history and development of the ideology of multiculturalism in Canada This ideology which has become the primary designator of Canadian society began in the early 1970s when vocal elements in the population who were neither English nor French strongly responded to the investigations of the Committee on Bilingualism and Biculturalism Given Canada's early racist tendencies the establishment of multiculturalism was a remarkable shift in public thinking Many issues associated with immigration have arisen in the public debates around multiculturalism Some people are convinced that it is a pernicious ideology that enforces the ghettoisation of those different from the mainstream Others see dangers in the way some aspects of multiculturalism are merely tokens of an all inclusive society Still others contend that the voices of ethnicities aside from those of the two charter groups English and French are scarcely heard and that worse those marginalised voices are appropriated by mainstream writers On the whole however Canadians especially younger Canadians welcome a liberal outlook that is inclusive of a wide variety of ethnicities For them and for many immigrants Canada is a society that is multiple and layered one rich in meaning They tend to see Canada as a microcosm of the larger world one that presents a useful model of tolerance for the world at large Increasingly marginalised new Canadians are excelling in the arts communities telling all Canadians what various aspects of the culture shock of transplantation feels like This book includes a representative sample of their works **The Satellite Sex** Barbara M. Lukensmeyer, 2012-11-07 This important resource offers seven field tested strategies for public managers to help them maximize citizen engagement as they implement the President's Open Government Directive The Core Strategies for Citizen Engagement are Establish Links to Decision Makers Ensure Demographic Diversity Create Opportunities for Informed Participation Maximize Tools of Facilitated Deliberation Discover Shared Priorities Establish Clear Recommendations for Action and Sustain Citizen Engagement The book includes project and leadership case studies
