Big Tradition and Chinese Mythological Studies

Jiansheng Hu, 2020-08-11 This book focuses on reinterpreting mythical China from the perspective of the cultural theory of big tradition It is divided into two parts the first explains the theoretical development and features of the Chinese version of big tradition identifying the differences between the Eastern and Western cultural traditions big tradition and great tradition The second part then reinterprets the core values and mythical ideas of Chinese civilization and traditional culture from the perspective of big tradition Moving beyond the small tradition of text centrism and using new methods and materials the book reveals the original meaning and the cultural coding function of big tradition during the preliterate period Drawing on integrated evidence from literature handed down from ancient times oral and intangible cultural heritage tangible culture cross cultures image culture and unearthed documents the book interprets Chinese cultural traditions and spiritual values from local archaeological experiential and survival perspectives to help readers better understand the mythical codes and genes of early Chinese culture **A Mythological Approach to Exploring the Origins of Chinese Civilization** Shuxian

Ye, 2022-08-26 Is the lion the symbol of China Or should it be the dragon or the phoenix This book makes a provocative interpretation of the Chinese ancient totems such as the bear and the owl Taking a mythological approach it explores the origin of Chinese civilization using the quadruple evidence method which integrates ancient and unearthed literature oral transmission and archeological objects and graphs It testifies to the authenticity of unresolved ancient myths and legends from the origins of Chinese Jade Ware 6200BC 5400 BC to the names of the Yellow Emperor 2698 2598 BC and the legends from the Xia 2010BC 1600BC Shang 1600BC 046BC Zhou 1046BC 771BC and Qin 221BC 206BC Dynasties The book lays the

foundation for a reconstruction of Chinese Mythistory With well over 200 photographs of historic artifacts the book appeals to both researchers and general readers *Metamorphic Imagery in Ancient Chinese Art and Religion* Elizabeth Childs-Johnson, John S Major, 2023-05-30 Metamorphic Imagery in Ancient Chinese Art and Religion demonstrates that the concept of metamorphism was central to ancient Chinese religious belief and practices from at least the late Neolithic period through the Warring States Period of the Zhou dynasty Central to the authors argument is the ubiquitous motif in early Chinese figurative art the metamorphic power mask While the motif underwent stylistic variation over time its formal properties remained stable underscoring the image s ongoing religious centrality It symbolized the metamorphosis through the phenomenon of death of royal personages from living humans to deceased ancestors who required worship and sacrificial offerings Treated with deference and respect the royal ancestors lent support to their living descendants ratifying and upholding their rule neglected they became dangerous even malevolent Employing a multidisciplinary approach that integrates archaeologically recovered objects with literary evidence from oracle bone and bronze inscriptions to canonical texts all situated in the appropriate historical context the study presents detailed analyses of form and style and of change over time observing the importance of relationality and the dynamic between imagery materials and affects This book is a significant publication in the field of early China studies presenting an integrated conception of ancient art and religion that surpasses any other work now available *The Visual Arts* Justine M. Cordwell, 2011-06-15 No detailed description available for The Visual Arts *Arts of Asia* ,2009 **The Arts of China** Michael Sullivan, 1999 Sullivan has thoroughly revised this classic history of Chinese art which covers the period from Neolithic times to the 1990s 224 photos 164 color illustrations 14 maps Rituals and Traditional Events in the Modern World Jennifer Laing, Warwick Frost, 2014-10-30 Many events have evolved over centuries drawing on local customs and conditions However as the world becomes increasingly globalised traditional events and the identities they support are increasingly being challenged and rituals may be lost Reacting against this trend towards homogeneity communities strive to preserve and even recreate their traditional events which may require rituals to be resurrected or reinvented for a new audience The aim of this book is to explore the role of traditional events and rituals in the modern world The 16 chapters cover a range of case studies of the performance of ritual through events including their historical antecedents and development over time as well as their role in society link with identities both seemingly fixed and fluid and their continued relevance The cases examined are not museum pieces but rather vibrant festivals and events that continue to persist Drawing on the power of history and cultural tradition they are manifestations of heritage existing in three temporalities celebrating the past occurring in the present and aiming to continue into and influence the future Iconic events including Chinese New Year Hogmanay and the New Orleans Mardi Gras are examined and examples are drawn from a diverse range of countries such as South Korea China Laos the United States Scotland Italy India and Haiti This volume provides a deep understanding upon the role of tradition and ritual within events from a global

perspective and will be valuable reading for students researchers and academics interested in events heritage and culture
