Ritual In Early Modern Europe:

Ritual in Early Modern Europe Edward Muir, 2005-08-18 The comprehensive 2005 study of rituals in early modern Europe argues that between about 1400 and 1700 a revolution in ritual theory took place that utterly transformed concepts about time the body and the presence of spiritual forces in the world Edward Muir draws on extensive historical research to emphasize the persistence of traditional Christian ritual practices even as educated elites attempted to privilege reason over passion textual interpretation over ritual action and moral rectitude over gaining access to supernatural powers Edward Muir discusses wide ranging themes such as rites of passage carnivalesque festivity the rise of manners Protestant and Catholic Reformations the alleged anti Christian rituals of Jews and witches This edition examines the impact on the European understanding of ritual from the discoveries of new civilizations in the Americas and missionary efforts in China and adds more material about rituals peculiar to women [Ritual in Early Modern Europe](#) Edward Muir, 2005 The first

more material about rituals peculiar to women Ritual in Early Modern Europe Edward Muir, 2005 The first comprehensive study of rituals in early modern Europe this new and expanded edition argues that between about 1400 and 1700 a revolution in ritual theory took place that transformed concepts about time the body and the presence of spiritual forces Edward Muir discusses wide ranging themes such as rites of passage carnivalesque festivity and the alleged anti-Christian rituals of Jews and witches *Ritual, Myth and Magic in Early Modern Europe* E. William Monter, 1983 **Ritual in Early Modern Europe** Edward Muir, 1997 1968, Medieval and Early Modern Ritual:

Formalized Behavior in Europe, China and Japan Joelle Rollo-Koster, 2021-10-01 The essays in this volume transcend Eastern and Western geographical boundaries during a loosely defined medieval and early modern period ranging from Carolingian Europe to Qing China and pull rituals out of their geographical contexts Cultural history binds these essays together This volume permits readers to compare ritual in religious and secular contexts in the East and West and to focus on the purposes of ritual without being caught up in localism or historical jingoism The various essays are organized chronologically and thematically they focus on ritual and gender law identity and political legitimization They cover topics as varied as the spatial appropriation of surfaces and territories charity carnival women s magic the Jesuits graffiti theater business medicine Qing imperial ceremonies Chinese princesses coming of age spiritual reconciliation and the Great Western Schism Contributors include Catherine Bell Virginia A Cole Andr e Courtemanche James L Hevia Michael W Maher S J V ronique Plesch Marquerite Ragnow Martha Rampton Eric C Rath Dylan Reid Kathryn Reyerson Jo lle Rollo Koster and Ann Waltner

Defining Community in Early Modern Europe Michael J. Halvorson, 2016-12-05 Numerous historical studies use the term community to express or comment on social relationships within geographic religious political social or literary settings yet this volume is the first systematic attempt to collect together important examples of this varied work in order to draw comparisons and conclusions about the definition of community across early modern Europe Offering a variety of historical and theoretical approaches the sixteen original essays in this collection survey major regions of Western Europe including

France Geneva the German Lands Italy and the Spanish Empire the Netherlands England and Scotland Complementing the regional diversity is a broad spectrum of religious confessions Roman Catholic communities in France Italy and Germany Reformed churches in France Geneva and Scotland Lutheran communities in Germany Mennonites in Germany and the Netherlands English Anglicans Jews in Germany Italy and the Netherlands and Muslim converts returning to Christian England This volume illuminates the variety of ways in which communities were defined and operated across early modern Europe as imposed by community leaders or negotiated across society as defined by belief behavior and memory as marked by rigid boundaries and conflict or by flexibility and change as shaped by art ritual charity or devotional practices and as characterized by the contending or overlapping boundaries of family religion and politics Taken together these chapters demonstrate the complex and changeable nature of community in an era more often characterized as a time of stark certainties and inflexibility As a result the volume contributes a vital resource to the ongoing efforts of scholars to understand the creation and perpetuation of communities and the significance of community definition for early modern Europeans

Drama in Medieval and Early Modern Europe Nadia Thérèse van Pelt, 2019-03-28 Drama in Medieval and Early Modern Europe moves away from the customary conceptual framework that artificially separates medieval from early modern drama to explore the role of drama and spectacle in England France the Low Countries Spain Italy Switzerland and the German speaking areas that now constitute Austria and Germany This book investigates the ranges of dramatic and performative techniques and strategies that playwrights across Europe used to adapt their work to the changing contexts in which they performed and to the changing or expanding audiences that they faced It considers the different views expressed through drama and spectacle on shared historical events how communities coped with similar issues and why they ritually recycled these themes through reinvented or alternative forms that replaced or existed alongside their predecessors A wide variety of genres of play are discussed throughout including *visitatio sepulchri* visit to the tomb plays Easter and Passion plays and morality plays the French civic *mystère* Italian *sacre rappresentazioni* performed by choirboys in the context of the church B rger theater from the Swiss Confederacy drama performed for the purpose of royal entertainment and propaganda May and summer games and the commercial professional theatre of Shakespeare and Lope de Vega Examining the strength of drama in relation to the larger cultural forces to which it adapted and demonstrating the use of social political economic and artistic networks to educate and support the social structures of communities Drama in Medieval and Early Modern Europe offers a broader understanding of a shared European past across the traditional chronological divide of 1500 It is ideal for students of social history and the history of medieval and early modern drama or literature

[The King's Body](#) Sergio Bertelli, R. Burr Litchfield, 2010-11 The King's Body offers a unique and up to date overview of a central theme in European history the nature and meaning of the sacred rituals of kingship Informed by the work of recent cultural anthropologists Sergio Bertelli explores the cult of kingship which pervaded the lives of hundreds of thousands of subjects

poor and rich noble and cleric His analysis takes in a wide spectrum from the Vandal kings of Spain and the long haired kings of France to the beheaded kings of England and France Charles I and Louis XVI Bertelli explores the multiple meanings of the rites related to the king s body from his birth with the exhibition of his masculinity to the crowning a rebirth to his death a triumph and an apotheosis We see how particular occasions such as entrances processions and banquets make sense only as they related directly to the king s body Bertelli also singles out crowd participatory aspects of sacred kingship including the rites of violence connected with the interregnum perceived as a suspension of the law and the rites of expulsion for a tyrant s body emphasizing the inversion of crowning rituals First published in Italy in 1990 *The King s Body* has been revised and updated for English speaking readers and expertly translated from the Italian by R Burr Litchfield Deftly argued and amply illustrated this book is a perfect introduction to the cult of kingship in the West at the same time it illuminates for modern readers how strangely different the medieval and early modern world was from our own [Power and Ceremony in European History](#) Anna Kalinowska,Jonathan Spangler,2021-09-09 From oaths and hand kissing to coronations and baptisms *Power and Ceremony in European History* considers the governing practices courtly rituals and expressions of power prevalent in Europe and the Ottoman Empire from the medieval age to the modern era Bringing together political and art historical approaches to the study of power this book reveals how ceremonies and rituals far from simply being ostentatious displays of wealth served as a primary means of communication between different participants in political and courtly life It explores how ceremonial culture changed over time and in different regions to provide readers with a nuanced comparative understanding of rituals and ceremonies since the middle ages showing how such performances were integral to the evolution of the state in Europe This collection of essays is of immense value to both historians and art historians interested in representations of power and the political culture of Europe from 1450 onwards **The Reformation of Ritual** Susan Karant-Nunn,2005-08-19 Susan Karant Nunn applies the insights of anthrop ologists to ritual change in the German Reformat ion finding that Church and state cooperated in using ritual as an instrument for imposing social discipline *Emotion, Ritual and Power in Europe, 1200-1920* Merridee L. Bailey,Katie Barclay,2017-02-25 This volume spans the fourteenth to nineteenth centuries across Europe and its empires and brings together historians art historians literary scholars and anthropologists to rethink medieval and early modern ritual The study of rituals when it is alert to the emotions which are woven into and through ritual activities presents an opportunity to explore profoundly important questions about people s relationships with others their relationships with the divine with power dynamics and importantly with their concept of their own identity Each chapter in this volume showcases the different approaches theories and methodologies that can be used to explore emotions in historical rituals but they all share the goal of answering the question of how emotions act within ritual to inform balances of power in its many and varied forms Chapter 5 of this book is available open access under a CC BY 4 0 license *Visualizing Sensuous Suffering and Affective Pain in Early Modern Europe and the Spanish Americas* ,2018-01-03

Visualizing Sensuous Suffering and Affective Pain in Early Modern Europe and the Spanish Americas is a trans cultural collection of studies on visual treatments of the phenomena of suffering and pain in early modern culture Ranging geographically from Italy Spain and the Low Countries to Chile Mexico and the Philippines and chronologically from the fourteenth to the eighteenth centuries these studies variously consider pain and suffering as somatic emotional and psychological experiences From examination of bodies shown victimized by brutal public torture to the sublimation of physical suffering conveyed through the incised lines of Counter Reformation engravings the authors consider depictions of pain and suffering as conduits to the divine or as guides to social behaviour indeed often the two functions overlap

Devising Order Bruno Boute, Thomas Småberg, 2012-10-31 A collection of case studies on Ritual and Performance spanning four continents this book offers an insightful travel guide through a thick forest of approaches and methods in a field that has increasingly weighed on the research agenda in the Humanities and the Social Sciences **Bar Mitzvah** Michael Hilton, 2014-01-01 The Jewish coming of age ceremony of bar mitzvah was first recorded in thirteenth century France where it took the form of a simple statement by the father that he was no longer responsible for his thirteen year old son Today bar mitzvah for boys and bat mitzvah for girls are more popular than at any time in history and are sometimes accompanied by lavish celebrations How did bar mitzvah develop over the centuries from an obscure legal ritual into a core component of Judaism How did it capture the imagination of even non Jewish youth Bar Mitzvah A History is a comprehensive account of the ceremonies and celebrations for both boys and girls A cultural anthropology informed by rabbinic knowledge it explores the origins and development of the most important coming of age milestone in Judaism Rabbi Michael Hilton has sought out every reference to bar mitzvah in the Bible the Talmud and numerous other Jewish texts spanning several centuries extracting a fascinating miscellany of information stories and commentary *Charitable Hatred* Alexandra Walsham, 2006-09-05 Charitable Hatred offers a challenging new perspective on religious tolerance and intolerance in early modern England Setting aside traditional models charting a linear progress from persecution to toleration it emphasizes instead the complex interplay between these two impulses in the sixteenth and seventeenth centuries Consuming Religion Kathryn Lofton, 2017-09-12 Takes us through the Kardashians cubicle design and Goldman Sachs among other phenomena to reveal the relationship of religion and popular culture Reading Religion What are you drawn to like to watch or even to binge What are you free to consume and what do you become through consumption These questions of desire and value Kathryn Lofton argues are questions for the study of religion In eleven essays exploring soap and office cubicles Britney Spears and the Kardashians corporate culture and Goldman Sachs Lofton shows the conceptual levers of religion in thinking about social modes of encounter use and longing Wherever we see people articulate their dreams of and for the world wherever we see those dreams organized into protocols images manuals and contracts we glimpse what the word religion allows us to describe and understand With great style and analytical acumen Lofton offers the

ultimate guide to religion and consumption in our capitalizing times Consuming Religion is a timely exploration of a world in which reality is branded Unexpected connections and juxtapositions reveal religion in unexpected places and practices To follow Kathryn Lofton's romp through today's mediascape is to discover the superficiality of pop culture to be surprisingly profound Mark C Taylor Columbia University An elegant critical wide ranging and thought provoking account of religion and spirituality in America today Times Higher Education *Raiding Saint Peter* Joëlle Rollo-Koster, 2008 This book argues that during the Middle Ages there was a pillaging problem attached to ecclesiastical interregna that the nature of ecclesiastical elections contributed to the problem and the problem in turn contributed to the initiation of the Great Western Schism

Superstition and Magic in Early Modern Europe: A Reader Helen L. Parish, 2014-11-20 Superstition and Magic in Early Modern Europe brings together a rich selection of essays which represent the most important historical research on religion magic and superstition in early modern Europe Each essay makes a significant contribution to the history of magic and religion in its own right while together they demonstrate how debates over the topic have evolved over time providing invaluable intellectual historical and socio political context for readers approaching the subject for the first time The essays are organised around five key themes and areas of controversy Part One tackles superstition Part Two the tension between miracles and magic Part Three ghosts and apparitions Part Four witchcraft and witch trials and Part Five the gradual disintegration of the magical universe in the face of scientific religious and practical opposition Each part is prefaced by an introduction that provides an outline of the historiography and engages with recent scholarship and debate setting the context for the essays that follow and providing a foundation for further study This collection is an invaluable toolkit for students of early modern Europe providing both a focused overview and a springboard for broader thinking about the underlying continuities and discontinuities that make the study of magic and superstition a perennially fascinating topic

Culture and Power Jonathan Davies, 2009-03-16 Traditionally grand ducal Tuscany and its cultural politics have been viewed through the lens of absolutism Based on a wide range of newly found sources and building on recent revisionist scholarship this study uses the universities of Pisa and Siena to expose the contradictions and the tensions which characterised the grand duchy Setting the universities against the diplomatic military administrative economic ecclesiastical and cultural development of the grand duchy it shows how innovation mixed with tradition and local privileges were not only upheld but extended significantly
