Success-Not just what to do but how to do it! Susan A. Enns, 2010-11-05. Fact: 25% of sales representatives produce 90 to 95% of all sales. Clearly, most of the members on your sales team are not selling up to their potential and therefore not generating the revenues they could. That means neither of you are making the incomes you could. Why is this case? It's not that the job can't be done because 25 percent are doing it and doing it well. It's because the other 75 percent either are not in the right sales position or they truly don't know how to sell. Until now, most sales managers have not had access to effective, affordable sales training. **Action Plan For Sales Management Success** is a proven, turn-key program that will become the foundation of your sales management process. **Action Plan For Sales Success** will improve your sales management skills so that you and your team can achieve your true sales potential. **What You Will Learn:** 1.
