A Maverick Boasian Sergei Kan,2023-02 A Maverick Boasian explores the often contradictory life of Alexander Goldenweiser 1880 1940 a scholar considered by his contemporaries to be Franz Boas s most brilliant and most favored student The story of his life and scholarship is complex and exciting as well as frustrating Although Goldenweiser came to the United States from Russia as a young man he spent the next forty years thinking of himself as a European intellectual who never felt entirely at home A talented ethnographer he developed excellent rapport with his Native American consultants but cut short his fieldwork due to lack of funds An individualist and an anarchist in politics he deeply resented having to compromise any of his ideas and freedoms for the sake of professional success A charming man he risked his career and family life to satisfy immediate needs and wants A number of his books and papers on the relationship between anthropology and other social sciences helped foster an important interdisciplinary conversation that continued for decades after his death For the first time Sergei Kan brings together and examines all of Goldenweiser s published scholarly works archival records personal correspondences nonacademic publications and living memories from several of Goldenweiser s descendants Goldenweiser attracted attention for his unique progressive views on such issues as race antisemitism immigration education pacifism gender and individual rights His was a major voice in a chorus of progressive Boasians who applied the insights of their discipline to a variety of questions on the American public s mind Many of the battles he fought are still with us today

McCain: The Myth of a Maverick Matt Welch,2007-10-16 John McCain is one of the most familiar sympathetic and overexposed figures in American politics yet his concrete governing philosophy and actual track record have been left curiously unexamined mostly because of the massive distractions in his official biography but also because of his ingenious strategy of talking ad infinitum to each and every access craving media person who happens by The more he has spouted the less journalists have bothered trying to see through the fog McCain gives the public what it wants but can t find a flesh and bones political portrait of a man onto whom people are forever projecting their own ideological fantasies It is a psychological key for decoding his allegedly maverick actions McCain will quickly lay out in overlapping detail the root cause of the senator s worldview his personal transformation from underachieving punk to war hawk uber patriot in which he used the higher power of American nationalism to save his life and soul McCain looks behind the war hero behind the maverick reformer Journalist and pundit Matt Welch brings to this project an investigative eye and a coolly analytical mindset to provide Republicans Democrats and Independents a picture of the man
